**Conference Period:** 1:45-2:35

**Kindergarten Resources:**
Access to TEAMS and other resources is available to students through our Single Sign-on Portal (SSO).

SSO Login: StudentID# (6 digits)
SSO Password: First letter of student's first name capitalized, second letter of student's name lowercase, student birthdate

Resources include:

- Amplify
- Bluebonnet

**Grade Level Goals:**
By the end of this course students will be able to…

1. Read, write, and represent numbers from 0-20, compare numbers up to 20, and count forward and backward to at least 30.
2. Decompose numbers within 10 and solve word problems using objects and drawings to find sums up to 10 and differences within 10.
3. Recognize all 26 uppercase and lowercase letters and their sounds.
4. Use beginning reading and writing skills to communicate.

**Student Evaluation:**
The grading system for grade level (PK-1) is as follows:

- Standards based report card, based on mastery of standards (TEKS) assessed/observed by teacher.
- Students will get feedback on report care in the core content areas of Math, ELAR, Science, and Social Studies. The reporting categories are as follows:

| Category | Description |
|---|---|
| 3 | Meets standard |
| 2 | Approaching standard |
| 1 | Area of concern |

**Assignments, exams, expectations outside of the classroom:**
Students are expected to:

- Complete all required assignments daily
- Read for a minimum of 10 minutes with a family member and/or independently

**Attendance/Tardy Policy/Make-Up Work:**

- Students should follow their daily schedule with school beginning at 7:25 am.
- Students who are absent will be given the opportunity to make-up assignments that are missed.
- If students will be out for over a week, the teacher will provide assignments and access to any online activities to help parents to continue instruction at home.

**Classroom Expectations:**

- Students are expected to remain respectful to others.
- Students are expected to follow classroom norms.
- Students are expected to complete their work independently.

**Academic Integrity:**
Academic integrity values the work of individuals regardless of if it is another student's work, a researcher, or author. The pursuit of learning requires each student to be responsible for his or her academic work. Academic dishonesty is not tolerated in our schools. Academic dishonesty includes cheating, copying the work of another student, plagiarism, and unauthorized communication between students during an examination. The determination that a student has engaged in academic dishonesty shall be based on the judgment of the classroom teacher or other supervising professional employee and considers written materials, observation, or information from students. Students found to have engaged in academic dishonesty shall be subject to disciplinary and/or academic penalties. The teacher and campus administrator shall jointly determine such action.
