MID-PACIFIC

Grades 1-5

Application Process and Checklist

At Mid-Pacific, we believe every child has a unique story to tell. Our admissions process is designed to help us get to know your child as a learner, community member, and individual. Throughout the process, your family will have opportunities to share your experiences, goals, and interests.

As we get to know your family, we encourage you to get to know Mid-Pacific by attending events, connecting with our faculty and staff, and exploring our programs, mission, and values. Our hope is that by the end of the admissions journey, your family feels informed, supported, and confident in determining whether Mid-Pacific is the right fit for your child.
