GENERAL INFORMATION

***Courses below 100 level will count for elective credit only or apply to meet a semester of high school credit in a specific subject (ex. Math) for Graduation requirements.

English Course Information:

Requirement: English 101

Elective: Any other English course beyond 101

Recommendation: Prioritize selecting a transferable course that is relevant to your post-secondary plans.

https://www.bellevuecollege.edu/english/

**If a student enters Running Start as a senior and has taken AP Language earning an exam score of 3, BC will allow placement into ENGL&101. Students earning an exam score of 4 or 5 will earn ENGL&101 credit and be allowed to enroll in a higher level English course. Students will need to submit the proper documentation to the placement office for review to obtain the placement and credit options.

Credit Equivalency: College Credit = BSD credit

5 credits = 1.0 BSD credit
4 credits = 0.8 BSD credit
3 credits = 0.6 BSD credit
2 credits = 0.4 BSD credit
1 credit = 0.2 BSD credit

* BC Running Start course will meet CTE course requirements in BSD, however these courses do not meet the CTE graduation pathway option

For purposes of grade improvement in BSD, the only college classes that can be used are the ones that are dual credited. EX. Senior English and Eng&101.
