Dear Lennox Middle School Parents and Guardians,

Welcome to a **new and exciting 2025-26 school year**! We are thrilled to have you and your children back for what promises to be a fantastic year of learning, growth, and fun.

This year, you will notice significant and inspiring changes to our campus. District personnel worked hard over the summer, and thanks to an incredibly generous partnership, we are unveiling major improvements to our facilities that will dramatically enhance the student experience and safety.

Major Campus Upgrades for 2025-26

We are thrilled to announce a major upgrade to our athletic facilities, made possible by a generous donation from the **Clippers Foundation**:

- **Six Brand New Outdoor Basketball Courts:** We have added six **state-of-the-art outdoor basketball courts**! This massive expansion provides more space and opportunity for P.E. classes, intramural sports, and after-school recreation.
- **Upgraded Gymnasium:** The main gym has received a complete makeover with a brand-new **resurfaced floor** and a modern **upgraded lighting system**. This provides a safer, brighter, and truly professional environment for all our athletic teams and school events.

Important Visitor and Security Protocol

To accommodate our facility updates and enhance security, please note the following **procedure for campus entry**:

- **Entry Procedure:** Once you pass the main security shack, you will need to **press the doorbell** located by the Principal's Office fencing to gain access to the main administrative area.

Stay Connected: Your Weekly Guide

During the school year, I will send a parent email **every Friday**. This will be our main mode of communication, providing reminders, announcing upcoming events, and sharing important news. **Please ensure you are checking your email each week.**

Contact Information

We encourage you to stay connected and involved throughout the year. If you have any questions or concerns, please don't hesitate to contact us. **Email is the best way to reach us:**
