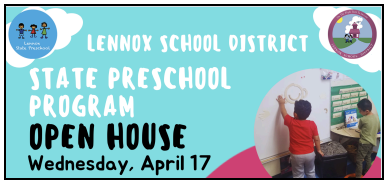
Attend Open House Today

By Nellie Ríos-Parra, Director of State Preschool

You are invited to join us this evening to visit the preschool program classrooms, sites, and the elementary schools. We invite you to walk through and see the variety of learning taking place. Take a look at the classroom environment designed to help each child access materials and learn to take initiative, responsibility and teach independence. If your child will be aging up to Transitional Kindergarten or Kindergarten in the upcoming school year, we invite you to go visit the classrooms at the elementary school to help prepare for the upcoming school year. Take the time to talk with your child about all you see tonight and enjoy this special time.



Here is the schedule to help you plan your visit to the school(s) this evening.

5:00 to 6:00 PM - Felton & **Moffett** State Preschool

5:30 to 6:30 PM - Buford, **Jefferson** & **Whelan** State Preschool

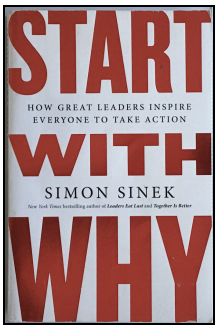
Experience and Training of Program Staff

By Nellie Ríos-Parra, Director of State Preschool



Our State Preschool Program teachers met on Tuesday, April 16th to continue to work on professional growth and development in a variety of areas of study. We reflected on the need for ongoing self-care. We reviewed the importance of sensory integration awareness to better support students and their learning. We read and discussed a segment of the book Start With Why by Simon Sinek to consider the implications of the content of the book on our existing curriculum, practices, and student outcomes. The conversations teachers engage in are

comprehensive, intuitive, insightful and reflective. Staff walk away with additional ideas, strategies or thoughts to consider.

Each month we celebrate the birthdays of the month along with perfect attendance. This month, Mrs. Zapata (4/11), Mrs. Gonzalez (4/20), and yours truly (4/23) age(d) up. We are one year wiser and grateful for continued health. We have been celebrating the gift of life all month long.

We also took the time to celebrate and acknowledge the staff members that were able to take the appropriate measures to report to work daily. As parents, you know firsthand the many factors that influence health and being present at work or school on a daily basis. This is why we celebrate and acknowledge everyone who showed up daily to work in March.
