By Nellie Ríos-Parra, Director of State Preschool

The Parent Advisory Council nominations and elections are over and the members selected convened on Wednesday, September 20th to meet. PAC members met one another and reviewed the goal and purpose of the monthly meetings. Norms were jointly established by all present. Members focused on electing a President, Vice-President and Secretary. Nominations were held and the following individuals accepted the nominations and were voted to represent in the respective positions.

- President - Gabriel Mendez, Whelan State Preschool Parent Representative
- Vice-President - Jasmine Arteaga, Buford State Preschool, Member-at-large
- Secretary - Carmen Linarez, Felton State Preschool, Parent Representative

Our next meeting will take place on Wednesday, October 18th via Zoom. We will be discussing our Annual Agency Program Self-Evaluation process and goals for the 2023-2024 school year to ensure the services provided are of high quality and add value to each child's educational growth and development.

One way all families can take an active role in partnering with our program and district is by sharing your thoughts and ideas. Please take the time to complete an Online Community Service Survey by Friday, September 29th. If you already completed the survey, thank you very much. Here is the link:

Midland Fundraiser Has Started

by **Nellie Ríos-Parra,** Director of State Preschool

Last week, teachers distributed a Midland catalog with each child to invite families to help sell items from the catalog. The goal is to raise funds for fine motor/arts materials and supplies for our students to use in school. We ask you to invite friends, co-workers and family to look through the catalog and make a purchase. Collect the funds and place all orders electronically. Make sure to log on and create an account with a personalized code that is unique to you.
