Happy 25th Day of School! CELEBRATE

By Nellie Ríos-Parra, Director of State Preschool

Wednesday, September 20th is the 25th day of school! One of the best ways to teach children about numbers, counting, reading and the calendar is by engaging children in natural activities that support multiple outcomes. Since the twenty-fifth day of school is upon us, it is a good opportunity to review with your child the days of the week, the months, and counting the number of days since the start of school on August 16th.

To celebrate the 25th day of school, we ask that you please take the time to help your child gather 25 objects in nature (leaves, pebbles, seeds, petals, sticks, etc.), and collect them in a transparent Ziploc bag. Have your child bring the bag of 25 natural items to school. Make sure that the bag has your child's name.

We recently distributed two different calendars to keep track of the days your child attends school. Use the calendars to count the days your child is healthy and attends school. Calendars will be sent out monthly to help track health and school attendance.

Counting opportunities are present everyday so take the time to engage in natural counting activities. Most of all, have fun celebrating the 25th day of school. We look forward to seeing the counting collections that children gather with your help.

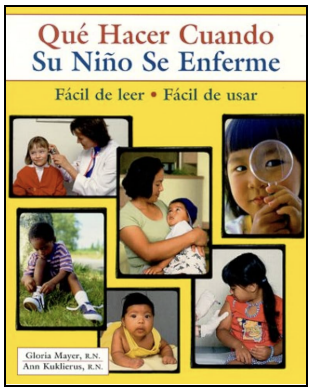
Attendance Awareness Spirit Week Planned

by **Nellie Ríos-Parra,** Director of State Preschool

We are happy when children are healthy and ready to come to school. We will continue the focus on school attendance awareness this month by hosting a Spirit Week. Each day, students will be invited to dress up. Please look ahead and see what is planned so that your child may participate.



In addition, we will be hosting a Cafecito on Thursday, October 5th at 8:30 AM to help parents learn what to do when your child gets sick and to recognize developmental milestones. A reference book will be distributed (English and Spanish available) to all who attend. Call 310-680-3500 to reserve your space.

UPCOMING EVENTS.
