Parent Advisory Council Needs YOU, Nominate Yourself or Another Parent

Our State Preschool Program invites parents to engage in their child's education by taking an active role in all aspects of the program. We take to heart the importance of Family Engagement and Strengthening as outlined by the California Department of Education contract terms and conditions. Parents are a child's first teacher and when parents continue to stay involved in their child's education, children are successful in life.

We invite parents to participate in our program by serving as an elected representative on the Parent Advisory Council. The PAC meets monthly on a Wednesday, from 3:15 to 4:15 PM. The first and last meeting will be held in person in the State Preschool Office and the other meetings will be held via Zoom. Together with staff members, parents advise our program on issues related to services to families and children.

For your reference, PAC meetings will be held on the following Wednesdays: September 20, October 25, November 15, December 13, January 17, 2024, February 14, March 13, April 17, May 8, and June 12.

If you are interested in serving as a member of the Parent Advisory Council, please complete the form sent to you via email or request a copy of the nomination form from the Site Supervisor or Preschool Office staff. Nominations are due Friday, September 1st. We hope you will nominate yourself. If you know of a parent, whose child is enrolled in our program, and would be a engaged representative, feel free to nominate them. Make sure to let them know that you nomiinated them and why. We invite all parents to take an active role in their child's education.

Back To School Night Is Approaching, Plan Ahead

by **Nellie Ríos-Parra**

One way we like to partner with parents starts with getting to know one another. The best way to do so is to meet in person and share information that helps to foster greater understanding about the services we provide and how we can partner to create learning experiences for all children that will help them thrive and develop in all domains.

We invite all parents to set aside time on Thursday, September 14, 2023 to attend Back to School Night from 5:45 to 6:45 PM. We encourage you to arrive before 5:40 PM so that we may promptly begin at 5:45 PM.

This event is only for adults. Up to two (2) adults per child or siblings are invited to come to the event. Please RSVP with your child's teacher to let them know if you will be able to attend.
