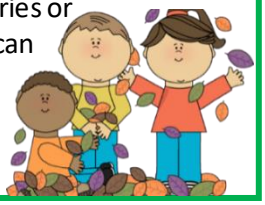
Dear Families,

Autumn in western New York is when the air turns crisp, the leaves change colors, and cozy sweaters reappear in wardrobes. It's also time for the flavors and foods of fall, including apples, maple syrup, cinnamon, and pumpkin, to take center stage.

During your seasonal outdoor adventures—from apple-picking to leaf-peeping, hayrides to corn mazes—keep your energy up by drinking lots of fluids, getting plenty of rest, and packing lots of healthy snacks.

The Easy Pumpkin Bread recipe spotlights a signature ingredient of the season. You can experiment with incorporating your favorite mix-ins, such as mini dark chocolate chips, chopped walnuts or toasted pecans, dried cranberries or raisins, into the batter. And you can give a loaf to someone special!



Sincerely,
Pearl Tokar

During October, Cub Care Zone will collect for UNICEF

UNICEF, United Nations International Children's Emergency Fund, was founded in 1947, and has been working to improve children's lives ever since. The fact that many children in developing countries are orphans adds to the problem. UNICEF ensures that the children it protects are healthy, receive some education, are protected from violent environments, have access to healthcare — especially those affected by HIV or AIDS — and, perhaps most importantly, are not forgotten by society.

The money that kids raise will help UNICEF bring clean water and sanitation, fight hunger, provide education, nutrition, and vaccines all over the world! During the month of October, we will be collecting for UNICEF. There will be a collection box available in the Cub Care office of your school.

Thanks for your help!

- Look at all candy **before** letting your children eat it.
- Have your children wear bright clothes and carry a flashlight so drivers can see them.
- Cross the street with your children; look both ways before crossing.
- Make sure your children can see out of their masks, and their costumes are not too long (so they will not trip on it).
