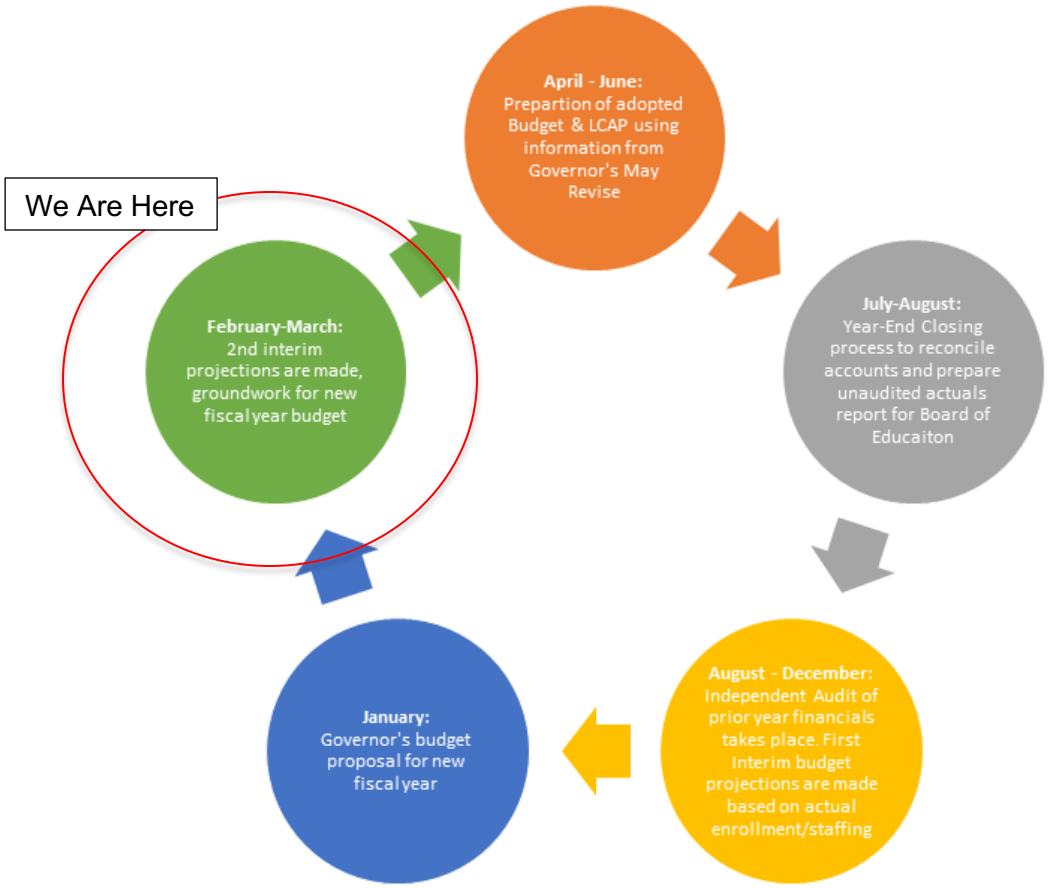
Executive Summary

The purpose of interim reports is to provide all educational partners with a snapshot into the district's fiscal health, at a specific point in time. AB 1200 requires all local educational agencies (LEA's) to file interim reports so the Board of Education is updated on the current financial picture, and more importantly, to ensure the district is able to meet its financial obligations for the current and two subsequent fiscal years. Lennox School District is presenting a budget with a positive certification.

The Second Interim Report updates the First Interim projections for factors known now that we are six months into the school year, such as enrollment, settled bargaining agreements, new contracts, and projects, and takes into account actual financial activity through January 31, and projections through June 30, 2025.

A summary of the Budget Cycle is as follows:



General Fund Revenues and Expenditures:

The charts below reflect the changes to our budget projections since the first interim projections.

Revenues:

Overall, there was $2.4 M in adjustments made to revenue since first interim. $1.5M of this revenue increase is attributed in recognizing more ELOP revenue. In local revenue, there was $428K received through the SMAA medical billing program, and a $198K increase in interest earnings from having our cash in the county treasury.

Attendance:

Similar to most districts in California, and especially within Los Angeles County, Lennox School District is in a declining enrollment environment. For second interim, Lennox is projecting enrollment of 3,941 with average daily attendance (ADA) of 3,709.90. Lennox however, benefits from the three prior-year average calculation and is therefore funded at a rate of 3,939.15. Lennox School District continues to

prioritize the attendance rate which is the actual percentage of students who show up to school on a daily basis. Currently, Lennox's attendance rate has been 94.1%.

LCFF Funding:

Our LCFF funding is based on our ADA of 3,939.15 for the 24-25 fiscal year, which is what the district has certified in our P-1 attendance reporting. This equates to $15,634 per student. Factors that contribute to our LCFF funding are our grade span adjustments and our unduplicated populations (English Learner, Low-Income, Homeless, & Foster Youth). This year, we've also saw a reduction in our UPP percentage due to students re-classifying out of the English Learner category. In the out years, we are projecting a decline in LCFF revenue, mainly due to our declining enrollment. While the per dollar amount is higher, because of having less students, the overall entitlement is lower.

Pathway to Fiscal Solvency

With a declining enrollment environment, Lennox school district is experiencing a structured deficit. Lennox school district has taken steps to address the structural deficit by reducing 13 certificated FTE's in the 25-26 fiscal year. In the 2026-2027 fiscal year, the district will reduce 5 certificated FTE's through attrition. Lennox is also going through the process of exploring school consolidation, which would significantly assist with reducing expenditures in the out-years.

Further expanded budget details can be found on the SACS detailed reports on the District's webpage.
