Meeting ID: 762 133 9678

1. Opening at 9:05 a.m.

2. Minutes from the January 26,2021 were approved. 1st Adriana Martin, 2nd Jessica Arnao – Vote was unanimous

3. Correspondence:

4. New Business:
   a. LCAP input:

      Ms. Blanco: This is a three-year Plan (Improvements and action). There are funds added to each action. Camp is something in the plan where funds are added. Intervention is for students below grade level. Engineers are in the plan. In the spring we require parent voice what we want in this plan. All parents are invited on March 11, 2021 to join our ZOOM. Suggestions/recommendations from teachers will be on March 16th.

      Summer Academy, end of July, three weeks before school starts. Depending on the amount of students that participate that will determine on the number of teachers that need to sign up. First offered to struggling students.

      Additional tutoring will be offered before and afterschool (Intervention). We are going to add math too.

      Question:

      Can a program for handwriting be added? Ms. Blanco: Great suggestion, we will look into it.

   b. ELPAC update

      Ms. Blanco: I like for students to take test at school. Students need a quiet place. Moffett already started testing and then will continue with Jefferson and then LMS. K-2 would like in person for these grades. We will continue with state testing to measure English and SBAC in May. We are waiting for the state. The test will be shorter.

      Comment: It's hard to have a quiet place for testing. Would like kids to go back to school.

   c. EL Master Plan Review:

      Mr. Kronfeld: The EL Master Plan has not changed in laws. We would like to adopt as this years plan 2020-2021 and vote on it at the next meeting in May.

      Question:

      Ms. Blanco: We have board directive not to open schools. Can I get your input on reopening? Yes – 4 No-1

      Thank you for your input. My daughter went back, and she is a lot happier. We will see shat the board decides. If we do, I'm thinking after spring break.

      Questions:

      Will there be another survey? Will there be 5th Grade camp? Ms. Blanco: Yes, there will be another survey and no camp this year but a virtual event for our 5th graders.

      If schools open, what grades? Ms. Blanco: K, 1st, 2nd?

Ms. Blanco: Many apps were purchased. Would you like these programs to continue for the new year? Funds were for only one year.

Yes, please continue the programs. LMS needs reading resources.

Ms. Blanco: Not sure what condition computers will be when they return.

Question:

Felton did book/headphone distribution. Are headphones for all schools? Mr. Kronfeld: Headphones are paid by school site Title I funds so each school will be different.

Ms. Blanco: Physical Education for the health of our students. I am working with LEAP for the next coming months. Please encourage parents to attend. Email me if you have any additions.
