FROM THE DESK OF Mr. Bailey

Dear Tiger Students and Families,

October is here, and we have a busy few weeks ahead at Conway High School. As we move deeper into the first quarter, I want our students to continue working hard in the classroom and taking advantage of the many opportunities available to them.

Next week is a great example of those opportunities. Be Pro Be Proud will be on campus October 6–7, giving students hands-on exposure to skilled careers and pathways they may want to pursue after high school. We will also host Ed-Op Day for our juniors and seniors, giving them another opportunity to explore options for their future. On Thursday evening, we will celebrate our students during our Class Ring Ceremony.

As we look ahead, I also want to remind families that first-quarter interim reports are available in Parent Portal. We are quickly approaching the end of the first quarter, so now is a good time to review your student's grades, talk with them about their progress, and make sure they are taking advantage of opportunities for additional help when needed. If you have concerns, please reach out to your student's teachers.

There is a lot happening at Conway High School, both inside and outside the classroom. Thank you for continuing to support our students, our teachers, and our school. Let's carry the energy and Tiger Pride we saw during Homecoming into the weeks ahead.

One Team. One Standard. Excellence.

Go Tigers!

ANNOUNCEMENTS

3DE Case Launch

Our 3DE students had an amazing Day One of the 9.2 Case Challenge with McLeod Health! Students worked together, thought critically, and applied what they are learning in the classroom to a real-world business challenge. Experiences like this are exactly what 3DE is designed to provide, and we appreciate McLeod Health, our teachers, staff, and everyone who helped make the day a success.

We also welcomed WPDE to campus to speak with several of our students and staff about the launch of 3DE at Conway High and what the program is bringing to our students. We are proud to be the first high school in South Carolina to implement 3DE and appreciate the opportunity to share our story with the community.

We will announce the air date as soon as it is available!

Interim Access

First-quarter interim reports were made available on September 18. Please note that the district is no longer sending individual emails to parents with links to interim reports.

To view your student's interim report, log in to your Parent Portal account using a laptop or desktop computer. Once logged in, select PLS Vault Documents, then use the Folder dropdown to select Report Cards. Look for the document titled 2026-2027 Q1 Interim Report.

We encourage parents to review their student's progress and reach out to their teachers with any questions or concerns.

Ed Op Day

Ed-Op Day is scheduled for next Tuesday, October 8, 2026, from 10:15 a.m. until 11:15 a.m. in the main gym. This event is for juniors and seniors. Students are registered and will go with their classes.

Honors Rush Season

CHS Educational Foundation Banquet

The CHS Educational Foundation Banquet will be held on Tuesday, October 13. This year, we are proud to honor Ray Allen, Ted Campbell, and Steve Hall.

Tickets are now available and can be purchased online (information can be found on the Foundation Facebook page) or from any Educational Foundation board member. We hope to see a great crowd come out to support the CHS Educational Foundation and help us celebrate this year's honorees!

Class Ring Ceremony

Our Ring Ceremony will be held on Thursday, October 8, from 6:00–7:00 PM in the Main Auditorium. We look forward to recognizing our students as they receive their class rings and celebrate this special milestone in their high school experience.

Be Pro Be Proud Coming to Conway High

BE PRO BE PROUD

BEPROBEPROUDSC.ORG

Be Pro Be Proud will be on campus October 6–7, giving our students an opportunity to explore high-demand skilled careers through hands-on experiences and interactive simulators. Students will be able to learn more about career fields such as welding, HVAC, electrical work, heavy equipment operation, advanced manufacturing, and other skilled professions.
This is another opportunity for our students to explore the many pathways available to them after high school and connect what they are learning today with future careers.

Unity Day

Conway High School will recognize Unity Day on Wednesday, October 21. Students and staff are encouraged to wear orange as we come together to promote kindness, acceptance, inclusion, and a school community where everyone feels valued and respected.

Let's fill CHS with orange and show what it means to be One Team!

Student Pick-up

Parents, please pick up your students on campus and follow our established dismissal procedures by using the school pick-up line. For safety reasons, we do not encourage students to cross Highway 501 to meet a parent or guardian. In addition, parents should not use the student parking lot for student pick-up. This creates a safety concern and will be addressed when observed.

The school will not deliver messages to students directing them to meet a parent across the highway. We appreciate your cooperation and partnership in helping us maintain a safe environment for all students during dismissal.

Upcoming Testing Dates

Please make note of the following upcoming testing dates at Conway High School:

- CogAT Testing — Wednesday, October 7 through Friday, October 9
- PSAT — Wednesday, October 21
- WIN Testing — Thursday, October 29

Additional information regarding testing schedules and participating students will be shared as we get closer to each testing date.

After School Activities

All students are expected to leave campus at the end of the school day unless you are participating in a supervised after-school activity. Students may not remain on campus or hang out after school while waiting for an athletic event or other event to begin.

Only students who are under the direct supervision of a club sponsor, fine arts staff member, coach, or other staff member are permitted to remain on campus after school.

Students found on campus after school without staff supervision will be subject to disciplinary consequences. Please make arrangements to leave campus at dismissal and return later if you plan to attend an athletic event or other school activity.

Conversations with Cliff

Mark your calendar for Conversations with Cliff, an opportunity to connect directly with Horry County Schools Superintendent Clifford Jones. These informal listening sessions are designed to give parents, staff, and community members a chance to share ideas and concerns, ask questions, and hear updates from around the district.

Conway High School will host Conversations with Cliff on Tuesday, January 12, 2027, from 8:45–9:45 AM. Everyone is welcome, and no registration or appointment is needed.

We hope to see many of our Tiger families and community members there!

Conversations with Cliff

Mr. Clifford Jones, Superintendent of Horry County Schools, will be holding "Conversation with Cliff" events throughout the school year. Mr. Jones wants to use these events to listen to the community's ideas and concerns and to share news about the district with community members. These events are just one of many ways Mr. Jones hopes to connect with the community and listen, share, and learn to make Horry County Schools an even better district.

Conversations with Cliff events will consist of informal listening sessions and discussions. Everyone is invited, and no registration or appointment is needed. Come to any event that meets your schedule.

Exam Exemption

Students in grades 9–12, as well as middle school students enrolled in high school credit-bearing courses, may qualify for an exemption from district or teacher-created final examinations.

To be eligible for a final exam exemption, students must meet one of the following criteria:

Attendance-Based Exemption:

A student must earn a final course average of 70 (C) or higher and have no more than the allowable number of absences (excused or unexcused) in the course.

- Year-long course: No more than 2 absences
- 90-day (semester) course: No more than 2 absences
- 45-day (½-credit) course: No more than 1 absence

Note: Students may not make up seat time to reduce absences for the purpose of qualifying for an exam exemption.

Grade-Based Exemption:

A student who has a current course average of 90 or higher at the time exam exemptions are determined will qualify for an exemption from the final examination, regardless of the number of absences, provided all other district and school requirements have been met.

The administration reserves the right to revoke an exam exemption in cases involving academic dishonesty, disciplinary action, or other circumstances that warrant administrative review.

Attendance

It is imperative that you read our Attendance Guidelines so that you are informed of our expectations, procedures, and protocol. Please view the guidelines here. This document provides information about truancy, promotion/retention, principal-approved absences, and more!

Bell Schedule

Please view our bell schedule here. All students must enter through metal detectors upon entering the building. Therefore, it is important that car riders and student drivers **arrive at school by 7:50 a.m**. to make it to class before the tardy bell, which rings at 8:10 a.m. Also, students will have lunch during 3rd block based on the location of their third block class.

Cell Phone and Electronic Device Policy

Please find the Horry County Schools Personal Electronic Device Policy here. I encourage you to read it in its entirety. Students are required to power off and put away cell phones and other electronic devices in their bookbag and electronic devices prior to the 8:10 bell, and students will not be able to utilize cell phones and electronic devices until 3:15 p.m.

Cell phones and electronic devices should not be visible in students' hands, seating areas, etc. Cell phones and electronic devices should not be visible, unless seen in their clear book bags. Students will not be able to use cell phones or electronic devices during lunches or during transition.

In addition, the consequences of cell phone use will be changed to align with the HCS Personal Electronic Device Policy. Please see the consequences below. When confiscated, cell phones/electronic devices will be stored in a secure location until the parent is able to retrieve it. A parent/guardian must pick up the cell phone/electronic device from the main office.

Consequences for Cell Phone Violations

- 1st violation: Warning and Confiscation
- 2nd violation: 1 day ISS and Confiscation
- 3rd violation: 2 days ISS and Confiscation
- 4th violation: 1 day OSS and Confiscation
- 5th violation: 3 days OSS and Confiscation
- 6th violation: 5 days OSS and Confiscation
- 7th: Evidentiary hearing and Confiscation

If a student refuses to give up their cell phone or electronic device, the student will receive a referral for (270) Refusal to Obey and the following consequences will apply:

- 1st violation: 1 day OSS
- 2nd violation: 3 days OSS

- 3rd violation: 5 days OSS
- 4th violation: Evidentiary hearing

Clear BackPack Protocol

HCS has implemented a clear backpack protocol. Please click here to find the HCS FAQs to ensure you are aware of what is allowed. Students must utilize a clear backpack each day. Students who do not adhere to this safety measure will receive consequences as outlined in the Student Handbook and the graphic on the next page. Also, there are size limitations for purses and lunch boxes. Please refer to the last entry titled, "What about Privacy."

Morning Searches/Clear Backpacks

Each morning, students will walk through weapon scanners upon arrival to school. So that the weapon scanners operate efficiently, students must remove specific items from their clear backpacks upon arrival daily. Please see the graphic below. Also, please review a video that provides a simulation of the screening process by clicking here.

Devices

Devices were issued to most students Thursday and Friday this past week. Students who were not issued a device will get theirs Monday unless they have not paid their technology fee. Thank you for your patience as we work through this process. Please be reminded that the PDL form must be signed for students to receive a device. **Please submit the form to Ms. Amy Bauer in Room A110.** The PDL form can be found in the links below. **Please do not email the form**.

- English
- Arabic
- Chinese
- Portuguese
- Russian
- Spanish
- Uzbek
- Vietnamese

The HCS Device Handbook can be found here. Also, technology fines must be paid before receiving a device. Technology fines are added to students' accounts for damages or lost charges and devices. Also, the $25 technology fee must be paid to take the device home. The $25 technology fee minimizes repair costs for damages. If students do not pay the technology fee and their device gets damaged at school, students are liable for the full cost of repairs.

Technology fines and fees can be accessed and paid online at www.mypaymentsplus.com. You will need your student's ID number to create an account if you don't have an existing account. Please contact our front office if you do not have your student's ID number. If you have questions about technology fines added to your account, please contact Mrs. Amy Bauer at 843.488.0662.

Dress Code

Our dress code policy can be found here in our student handbook. Students reviewed these procedures during the first week of school and class meetings. **Please read it to familiarize yourself with the dress code policy to ensure that we are being proactive and avoiding dress code violations.** Students who are not in dress code will receive a dress code violation, be required to change, and receive further consequences depending on the number of violations previously received.

- In order to receive credit for a semester course, a student cannot be absent for more than five unexcused or unverified days.
- In order to receive credit for a year-long course, a student cannot be absent for more than ten unexcused or unverified days. Students can complete attendance recovery to recover missed days.

Early Dismissals

- In order to expedite the early dismissal process, students must submit parent notes to the attendance office by 10 a.m. to be verified for early dismissal.
- If parent notes are not received by 10 a.m., the parent will have to report to the building for student dismissal.

Lawful absences are considered medical, judicial, and bereavement. Documentation will need to be provided within **three** school days after the student returns for these absences to be lawful. There are no principal approved absences.

Parents may submit notes for up to 6 school days, 3 days per semester, for a total of 6 days for the school year. These absences will count as parent excused. Parent notes cannot be used to excuse absences from HGTC or CCU classes.

Parents must submit a note within 3 days of the student's return to school from an absence. Notes not submitted within the 3 days will not be accepted and the absence will be coded as unexcused. Notes may be submitted prior to the student's absence.

Medical notes are counted as excused absences; however, after 8 medical notes, students will be required to make up the missed time. At the high school level, a parent may submit up to 8 medical notes per academic block for the school year. With a valid medical excuse, absences up to 2 days before the date of the medical visit may be excused.

Students with medically excused absences totaling 10 or more days are encouraged to consider a homebound. Homebound services require district approval. Contact the attendance office, Vanessa Sherman, or Shamae Johnson for further homebound information.
