

2023-2024

Carver Elementary

School Plan for Student Achievement

This School Plan for Student Achievement (SPSA) is a plan of actions to raise the performance of all students. The SPSA contains the following:

Needs Assessment:

- School Demographics
- English Language Arts
- Mathematics
- English Learners
- Culture/Climate Domain
- SPSA Effectiveness

Accountability Measure I: Increase Achievement:

- Core Programs (ELA, Writing, Math)
- Interventions
- Transitions

Accountability Measure II: School Climate

Accountability Measure III: Professional Development

- Professional Development
- Teacher Involvement

Accountability Measure IV: Parents and Community Involvement Assurances

- School Budget for Categorical Programs
- SSC Membership
- ELAC Membership
- ELAC Recommendations
- Assurances, Approval and Signatures

The School Site Council (SSC) completed a comprehensive needs assessment, including analyses of student performance in relation to the state

academic content standards. In order to provide supplemental interventions, the SSC analyzed the academic performance of all students and subgroups, and it considered the instructional program's effectiveness for at-promise students.

The School Site Council aligns the Long Beach Unified School District's Strategic Plan and LCAP into the SPSA. The LCAP Goals are presented at: http://www.lbschools.net/Departments/Local_Control/. The LCAP Federal Addendum is presented at: http://www.lbschools.net/Departments/EACCR/lea_plan.cfm.

Education Code 52062 (4) requires that the superintendent of the school district review school plans for schools within the school district and ensure that the specific actions included in the local control and accountability plan or annual update to the local control and accountability plan are consistent with strategies included in the school plans submitted.

The LBUSD Strategic Plan (2017-2022), which can be viewed at http://www.lbschools.net/Departments/Strategic_Planning/, has the following goals:

- Ensure equitable opportunities for every student
- Provide a safe, welcoming, respectful and rigorous learning environment for every member of the school community.
- Promote academic growth for every student.
- Establish college and career readiness for every student.
- Support effective communication throughout the district.

In addition, the SSC recognizes following recommendations made by the District Community Advisory Committee (DCAC) and the District English Learner Advisory Committee (DELAC):

DCAC Recommendations:

Recommendation 1: Teachers/school staff train parents in English Language Arts, Math, and other critical topics (such as A-G, SAT, PSAT, Career Pathways, SBAC, etc.) in order for parents to assist students to succeed in school.

Recommendation 2: Execute technology purchases to bring computers up-to-date to meet students' needs. Also, provide parent training in the computer programs and applications that are used in school so parents can assist their children at home.

Recommendation 3: Create parent leadership programs for all parents, with an emphasis on assisting early childhood/preK parents to introduce the LBUSD system.

Recommendation 4: Create additional, continuous training for all teachers to better serve special education students, African American students,

Pacific Islander students, at-risk students, long-term English Learners, and English Learners (specifically emphasizing reclassification training).

Recommendation 5: Provide prevention and intervention support and services to continue to reduce the achievement gap for special education students, African American students, Pacific Islander students, long-term English Learners, English Learners, and other at-risk students.

Recommendation 6: Provide more parent involvement and parent education training at all schools, including sending parent participants to conferences in order to empower and train parent leaders.

Recommendation 7: Create and provide a more inviting, safe and welcoming climate/community atmosphere at all sites for all cultures, parents and students.

Recommendation 8: Re-establish district Parent Centers and encourage sites to establish a parent center/parent resource room to better engage and serve parents.

Recommendation 9: Expand Female and Male Leadership programs at schools to provide more opportunity for under-represented students.

Recommendation 10: Expand tutoring and other intervention programs that emphasize content-specific instruction to meet the individual needs of non-proficient students, including before/after school, Saturday school, “double dose” courses, and Summer school, also considering preK students.

Recommendation 11: Expand Summer School opportunities, especially for “transition” grade levels. Explore adding social-emotional and growth mindset instruction for summer programs.

Recommendation 12: Work with college partners to provide quality transitional counseling and mentoring services to students, including goal setting, course planning and guidance from current college students.

Recommendation 13: Expand programs of instruction to the educational system to new families, including civics education.

Recommendation 14: Ensure that school sites have resources that are necessary to implement recommended programs, especially programs designed to close the achievement gap.

Recommendation 15: Provide workshops on values and character building that contribute to a safe, civil and productive school.

DELAC Recommendations:

1. Monitor the implementation of the district’s comprehensive English Language Development (ELD) program in grades K-12th addressing language and academic needs of a diverse EL population from newcomers to Long Term English Learners.
2. Continue to identify students in need of interventions in English language arts focusing on reading comprehension and math in order to provide individualized services for these students;

3. Provide and implement research-based intervention programs either before, after school and/or during summer months to ensure that all EL students' academic needs are being targeted and met through supplementary instructional programs;
4. Support a welcoming environment which includes bilingual office staff who speak the language and understand the services and resources available for parents and ELs at sites with high EL population; and staff to focus on a more personal approach when working with parents;
5. School sites need to invest time in parents and need to do a better job in providing communication between school and parents;
6. Provide and implement and monitor/assess highly effective instructional intervention programs in developing oral language proficiency, reading and writing in English for all ELs, RFEPS and LTELs; to include an update to parents and other advisory committees on what programs and services are being provided at schools sites to address;
7. Provide parent workshops to build capacity on specific topics such as LCFF, LCAP and SSC to better understand how each functions;
8. Create additional continuous trainings for all teachers to better serve English Learners, Long Term English Learners and RFEPS in Math, English and English Language Development (ELD);
9. Continue to implement high quality teacher training for all adopted textbook series, with special emphasis on the new ELD curriculum adoption;
10. Continue to explore programs at sites that address the social/emotional development and well-being of all students, including English Learners
11. District to continue to promote parental engagement and to motivate parents to become more involved in their children's education and to increase opportunities for parents to attend parent workshops to ensure that they can support their children at home;
12. Provide more parent involvement and parent education training at all schools, including sending DELAC representatives to conferences in order to empower and train parent leaders;
13. Expand tutoring and other intervention programs that are content-specific to meet the student's identified needs including special education students;
14. Collaborate with our neighboring universities to coordinate mental health workshops for parents and students
15. Establish a structured program that is implemented districtwide for tutoring EL students (before, after-school) which ensures that teachers are delivering high-quality lessons addressing the needs of EL students. In addition, district to monitor these programs to ensure effective implementation as intended and are having a positive impact for EL students.
16. Continue to support the implementation and expansion of bilingual pathway programs with the passage of Proposition 58; not limited to only dual immersion programs but also to include developmental bilingual educational programs
17. To access the periodic review of the authorized and agreed upon DELAC recommendations in order to understand the effectiveness of programs and services for EL students

The SSC recognizes the importance of **Parent and Family Engagement** and emphasizes LBUSD Board Policy 6020.1, which contains the

following fifteen components:

1. Involving parents/guardians in the joint development of the district's planning efforts for providing programs that increase the academic quality of schools and including parents in the process of school review and improvement;
2. Consulting on an ongoing basis with parents/guardians concerning the manner in which the school and parents/guardians can work together to identify objectives, plan, design, implement, and evaluate school programs to ensure student academic achievement and school performance;
3. Providing the coordination, technical assistance, and other support necessary to assist schools in planning and implementing effective parent/family involvement activities to improve student academic achievement and school performance; at least 1 percent of the district's Title I, Part A funds will be reserved for parental involvement and 95% of those funds will be distributed to schools, where parents of Title I students shall be involved in the decisions to be used for parental involvement programs;
4. Supporting the efforts of parents/guardians in working with their children to understand/attain the State Academic Content and Performance Standards, assessments being used, the requirements of Title I, Part A, and the monitoring of their children's progress and work with teachers to improvement achievement and social development;
5. Building parent capacity for meaningful parental involvement and providing opportunities to help parents/guardians strengthen their parenting and literacy skills to improve their child's academic success and social development, including, but not limited to, such topics as ensuring appropriate learning conditions at home, helping their child at home with schoolwork, and fostering a growth mindset, self-efficacy and self-management skills.
6. Ensuring that information related to school and parent programs, meetings, and other activities is sent to the parents of participating children in a format, and to the extent practicable, in a language the parents can understand; when 15 percent or more of the student population at the district or school site speak a single primary language other than English, all notices, reports, statements, or records sent to a parent/guardian of any such student by the school or school district, are in addition to being written in English, written in the primary language(s);
7. Informing parents/guardians of participating children of the (a) reasons their children are participating in the program(s), (b) specific instructional objectives and methods of the program(s), and (c) the academic performance of their child's school and of the options they have to ensure appropriate educational placement of their student;
8. Training parents/guardians and teachers to build a partnership between home and school to increase student achievement and promote effective two-way communication in a language all parents can understand; providing School-Home Compacts that set out the respective responsibilities of the school staff, parents and students in striving to raise student achievement;
9. Encouraging parents/guardians to assume school and district leadership roles in governance, advisory, and advocacy decision-making processes; providing parents with an opportunity to submit dissenting views to the district if a school's parent involvement guideline s or Single Plan for Student Achievement are not acceptable to them;

10. Providing professional development for teachers, pupil services personnel, principals and other staff, with the assistance of parent input, on ways to reach out to, communicate with and implement parent programs that build partnerships between parents and the schools;
11. Involving parents/guardians in annual evaluations of the content, effectiveness, and relevance of the District's Parent Involvement Policy and Parent Involvement Guidelines at the school site level in improving the academic quality of the schools, including identifying barriers to greater student achievement and using the findings of such evaluations to design strategies for more effective involvement of parents and families and uses the findings of the evaluation to design more effective parental involvement and revise the policy, as necessary;
12. Coordinating and integrating Title I, Part A parental involvement programs and strategies with parent involvement strategies of other programs, including with the district's Child Development Centers (CDC), Head Start, and other preschool programs that encourage parent participation, seamless transitions and greater success of preschoolers;
13. Coordinating and maintaining Parent Resource Centers (as budget allows) that provide literacy training, home-learning activities, and the guidance parents need to support their child's academic success.
14. Helping parents/guardians acquire needed services through identified school district and community resources; providing other reasonable support for parent involvement activities as parents may request;
15. Establishing a district parent advisory council (DCAC) with representatives from each school, to provide advice or input on matters related to parent involvement, allotted Title I funds at the school site level and awareness of funded programs.

Conclusions from the needs assessment were used to prioritize supplemental programs, materials, professional development, targeted interventions, and other activities that will strengthen the school's academic achievement, close the achievement gap, and provide a safe, civil and productive school.

Comprehensive Needs Assessment

English-Language Arts

Written Analysis - ELA Findings

Written Analysis

There are current practices and systems at Carver that are creating an environment where we are only serving the ELA needs of 10 out of 33 of our SPED students and 2 out of 6 of our ELL students in ELA. We will need to dismantle these systems and create equitable systems and structures to promote equity for all minoritized populations by seeking, allocating, and managing resources to directly support groups that have been historically minoritized. We must also narrow the ELA achievement gap by 14% for our African American and Hispanic students, 16% ELA typical growth gap between our Hispanic and White and a 7% typical growth gap between African American and White students. We will do this by developing, implementing and monitoring consistent and equitable processes for providing and monitoring Tier 2 and Tier 3 interventions to struggling learners to scaffold and support universal access to Tier 1 instruction.

Comprehensive Needs Assessment

English-Language Arts

Written Analysis - ELA Goals

Written Analysis

With teachers receiving professional development on quality core instruction, the integration of daily small group literacy instruction, and tier 2 and 3 level support from literacy and resource specialists, by June 2024: SBAC: 76% or more of Carver students will score Met/Exceeded on SBAC ELA, a 5% improvement from 2023. (71%) FRSA: 90% or more of K-2nd students will score Met/Exceeded on FRSA goals, a 5% improvement from 2023.(85%) I-Ready: 83% or more of Carver students will score Met/Exceeded on ELA I-Ready, a 5% improvement from 2023. (78%) I-Ready: 85% or more of Carver students will meet their typical growth target on ELA I-Ready, a 6% improvement from 2023. (79%) Equity Focused Goal: TK-2 ELA: 70% of our SPED students and 70% of our African American students will meet the standards for their Foundational Reading Skills a nearly 30% increase from 2023. Progress monitoring will be conducted regularly during teacher planning, feedback from classroom walkthroughs, quality core instruction release days, PDSA cycles, collaborative data studies and collaborative inquiry visits.

Comprehensive Needs Assessment

Mathematics

Written Analysis - Math Findings

Written Analysis

There are current practices and systems at Carver that are creating an environment where we are only serving the needs of 12 out of 33 of our SPED students and HALF of our Hispanic and ELL students in Math. We will need to dismantle these systems and create equitable systems and structures to promote equity for all minoritized populations by seeking, allocating, and managing resources to directly support groups that have been historically minoritized. We must also narrow the Math achievement gap by 21% for our African American and 29% for our Hispanic students by developing, implementing and monitoring consistent and equitable processes for providing and monitoring Tier 2 and Tier 3 interventions to struggling learners to scaffold and support universal access to Tier 1 instruction.

Comprehensive Needs Assessment

With teachers receiving professional development on quality core instruction, student engagement, and conducting PDSA cycles based on quarterly data, By June 2024:SBAC: 75% or more of Carver students will score Met/Exceeded on SBAC Math, a 7% improvement from 2023. (68%)I-Ready: 76% or more of Carver students will score Met/Exceeded on I-Ready, a 5% improvement from 2022 (71%)I-Ready: 85% or more of Carver students will meet their typical growth target on I-Ready, a 6% improvement from 2023. (79%) Progress monitoring will be conducted regularly during teacher planning and collaboration sessions.

Comprehensive Needs Assessment

English Learners

Written Analysis - English Learner Findings
Written Analysis
There are current practices and systems at Carver that are creating an environment where we are only serving the ELA needs of 10 out of 33 of our SPED students and 2 out of 6 of our ELL students in ELA. We will need to utilize data that has been disaggregated by minoritized populations to understand the specific needs of the school community and model strategies designed to support adults and students in engaging in context specific, culturally relevant learning. We will narrow the ELA achievement gap by 14% for our African American and Hispanic students.

Comprehensive Needs Assessment

English Learners

Written Analysis - English Learner Goals

Written Analysis

With teachers receiving professional development on quality core instruction, student engagement, and conducting PDSA cycles based on quarterly data, by June 2024, we will narrow the EL achievement gap by 14% for BIPOC and minoritized populations. TK-2nd grade students who score at the overall met level on the Foundational Reading Skills Assessment by 5%, from 85% to 90%, an increase the percentage of ELL 3rd-5th students who score met or exceeded for ELA by 5% from 67% Met or Exceeded for ELA to 72% and 33% Met or Exceeded for Math to 38%, increase ELL's + RFEP by 5%, from 44% Met or Exceeded for ELA to 49% and 56% Met or Exceeded Math to 61% and an increase RFEP by 5%, from 33% Met or Exceeded ELA to 38% and 67% Met or Exceeded in Math to 72%. Progress monitoring will be conducted regularly during teacher planning, grade level release days, collaboration sessions and strategic planning and data analysis sessions.

Comprehensive Needs Assessment

Culture/Climate Domain

Written Analysis - Culture/Climate Findings

Written Analysis

Student agency is the lowest of the three domains in the CORE Pulse Survey. Agency gives students voice and a platform, and a choice in how they learn. Student agency is ownership and it is an active process of engagement and empowerment over your learning. It reflects hope and self-direction. Based on data from the Pulse Survey, our African American and GATE students responded unfavorably to the questions in this section. Only half of our 4/5 students responded favorably to the question: How much respect do students in your school show you?

Comprehensive Needs Assessment

Culture/Climate Domain

Written Analysis - Culture/Climate Goals

Written Analysis

With the integration of school wide learning expectations, wellness lessons, and teacher PD and feedback focused on culturally responsive teaching practices, by June 2024, 85% or more of Carver students will respond favorably to the Student Safety Domain on the CORE Survey, a 10% improvement from 2023. We will increase student agency to 85% for all students with a concentrated focus on character traits and school wide expectations focused on Being Respectful, Responsible and Safe. There will be an Increase the Sense of Identity/Belonging for all students with a focused lens on our Hispanic and Students with Disabilities subgroups (+ 10%) based on Pulse Survey and CORE Survey Results. Progress monitoring will be conducted regularly during teacher planning and collaboration sessions using student surveys, interviews and quantitative data from the Pulse surveys.

Supplemental funding (19%) of a Senior Health Assistant to increase our coverage to 5 days per week. Senior Health Assistant will focus to improve student achievement by decreasing absenteeism rates due to medical concerns, and increase student attendance rates. The supplemental funding of a Senior Health Assistant will also help to improve school climate by decreasing classroom interruptions and increasing student self-efficacy and social emotional well-being. Since she is 3.8 hours a day, the 19% will cover two days not covered by the district. We have a nurse one day and two days of senior health assistant that are district funded. She will also help with COVID safety and safety measures for our site. (IN 1)	Strong Positive Impact	Strong Positive Impact	Strong Positive Impact	Strong Positive Impact
Recreation staff to maintain and improve student safety, promote kindness and social interactions, and facilitate conflict management between students. In general, improving climate to increase happiness and safety of students which will in turn increase attendance and reduce discipline issues. Teacher Involvement

Describe Teacher Involvement

Written Analysis

Teachers will be involved in the following avenues:

1. Grade Level Meetings
2. Site Decision Making Team
3. Culture and Climate Team
4. Social Committee
5. Teacher Led PD
6. Teacher Led Student Clubs
7. Teachers will participate in Back to School Night, Open House and Parent Conferences
8. Teachers involved in ILT and QCI Teams.

Accountability Measure 4: Parent & Community

Parent and Community

Parent and Community Involvement

Identified Need(s)	Program & Materials	Funding Source & Cost	Time Frame	Personnel	Method for Assessing Effectiveness
Stakeholder Voice and Sense of Belonging to a School Community grounded in student well being and safety.	1. PTA - Parent Workshops 2. VIPS Meeting 3. Weekly Smore Newsletter 4. Active PTA Board Member	No Funding Source \$0	Throughout the year from August to June.	Mrs. Manipon, Principal Carver PTA Board, School Site Council	Family Surveys, Qualitative Feedback via parent interviews and collaboration.

School Budget for Categorical Programs

The following site budget represents programs funded through the Consolidated Application. This Budget summary lists the funds that are to be consolidated as part of a schoolwide program. The SPSA's budgeted activities have been approved by the School Site Council and are in compliance with program regulations.

Federal Programs (to Consolidate)	Allocation
Title I (3010)	0
Title I Parent and Family Involvement (3008)	0

The following amounts are the school's share of Title I required and allowed reservations:

Share	Services	Amount
Administrative Share	Services provided to sites as part of Title I program leadership: EEP and Early Childhood Education; Additional reservation for Parent Involvement (over 1% requirement); Homeless Education; Reading Intervention/Private Schools; Foster Care Social Worker; TK Teachers; Behavioral Specialist; Male/Female Leadership Academy; Research LROIX Development.	NA
Centralized Services Share	Middle School Summer Bridge, Homework Helpline 562.437.2859, Travel/Conferences, Education Celebration, CORE, Data PD/ Summer Admin PD, Supplemental Examinations (GORT), Kinder Festival, Robotics, SEAL Summer Program, SSC Institute, APEX Online, Harmony Project.	NA

State Programs *	Allocation
LCFF	16380

* It is understood that LCFF funding are district-directed; however, in the spirit of effective stakeholder engagement and transparency, LBUSD has included LCFF activities in the SPSA.

Spring Adjustment:

During the beginning of the school year, the state projects the amount that the district receives in Title I and other resources and sometimes adjustments are made mid-year to the allotment, as a result of the Consolidated Application (completed annually in February). Although most years, there is no difference in the site allocations. In the event that there is an adjustment, LBUSD will notify all site principals, who will announce the adjustment to the SSC.

Title I Reservations

Title I Reservations are used for required or Board-approved services. These reservations are made prior to Title I allocations to school sites and are designed to provide central services to Title I and/or underserved, underperforming schools. Listed programs and services are budgeted for the school year and may be slightly altered depending on need changes and budget adjustments.

Administrative Share & Reservations Title I Program Administration

Equity, Engagement & Partnerships (EEP), State and Federal Programs (SFP): Personnel to provide leadership for state and federal supplemental programs, Parent University offering parent workshops and community engagement. Early Childhood Education (CDC, Educare, Head Start): Personnel (incl. pre-K teachers of subsidized program, office assistants)

Parent Involvement (additional funds beyond the required 1%)

Parent University Staff to help families understand & access information, as well as become a true partner in education. In addition to providing parent trainings, staff works with parent engagement events, such as Education Celebration. Multilingual staff helps support parent engagement activities as well as personalizes information for non-English speaking families.

Homeless Education

Providing homeless students and families with supplies (uniforms, basic needs), social service referrals, transportation, and counseling.

Social Worker: Foster Care

Provides ongoing intensive case management services for foster youth and families, maintaining compliance with AB216 and AB490 regarding foster rights. In addition, collaborates with community partners to address foster youth needs, including with DCFS for tracking and consultation. Provides trainings for site counselors and staff.

Behavior Specialist

Works with elementary schools to ensure that schools are using best practices when working with Tier 2 students not experiencing success with self-control.

Male and Female Leadership Academy

The leadership academies strive to improve the graduation rate of underrepresented promising students and develop successful leaders by addressing the multi-faceted issues facing young women and men. The reservation provides personnel at high needs schools to coordinate the

academies.

Research LROIX Development

LROIX is LBUSD's data hub to help schools access pertinent, focused, live data; formulate needs assessments; and create effective interventions. The reservation provides personnel to maintain and develop the complex system.

Centralized Services

Middle School Summer Bridge

Provides a summer math program focusing on students needing a "head start" prior to entering the next middle school grade level.

Homework Helpline 562.437.2859

Homework Helpline consists of teachers guiding students through homework assignments via the telephone. The service is free to LBUSD students.

Travel/Conferences

Enables staff to develop requisite knowledge about the program(s) they lead.

Education Celebration

The annual Education Celebration features K-8 schools in one location to engage parents about site programs and features. In addition to the schools, city representatives and district resources are also present to engage parents.

CORE

The CA Office to Reform Education is a partnership of large CA urban school districts. Part of the CORE collaborative is data sharing and accountability, including the CORE surveys of parents, staff and students in grades 4-12 on a range of school climate indicators.

Data PD / Summer Admin PD

This pre-service professional development is designed for site leaders to engage in analyzing new data and begin the planning process for student needs assessment, closing the achievement gap and addressing school goals.

Supplemental Examinations

These specialized exams are supplemental and are intended to augment district formative assessments to better understand student

achievement and skill acquisition.

Kinder Festivals

The K-Fests are a series of parent involvement activities designed to introduce entering Kinder families to the system, including live student groups with teachers, parent resources and training to understand the kinder curriculum and expectations.

Robotics

These supplemental materials are designed to assist in research and special programs related to STEM.

SEAL Summer Program

The Summer Enrichment and Learning (SEAL) program provides students instruction in a variety of coursework during the summer break. Students are provided learning opportunities to strengthen skills.

APEX Online

APEX Learning program is a computerized independent learning program, coupled with teacher-directed instruction designed to assist students to address gaps in knowledge.

Youth Orchestra

Music instruction and opportunities on weekends. Students receive instruction from professional music performers in string instruments.

English Learner Advisory Committee Membership

The following are members of the English Learner Advisory Committee, who duly advised and made recommendations to the School Site Council on the school's program, goals, and objectives for English learners.

Position	Representing	Name
Chair	Parent of EL Student (required)	
DELAC Representative	Parent of EL Student (required)	
Principal or Designee	Staff Member (required)	
Secretary		

Name	Representing
------	--------------

ELAC Recommendations

Pursuant to Education Code, Section 52176, the school’s English Learner Advisory Committee (ELAC) conducted a needs assessment as it pertains to English Learner (EL) students and presented the following recommendations about programs and services that will assist EL students to achieve standards.

Question	Answer
1. Does the school have more than 20 EL students enrolled?	
2. At which ELAC meeting did ELAC approve its Recommendations?	
3. Input ELAC's approved recommendations. These should be services and programs pertaining to EL student achievement:	
4. What types of data did ELAC use to determine the need for the listed recommendations (add any that apply):	
5. At which SSC meeting were the ELAC recommendations presented? Ensure that the SSC Agenda and SSC Minutes list the receipt of the ELAC Recommendations	
6. What was SSC's response to ELAC recommendations?	

Assurances & Approval

The School Plan for Student Achievement (SPSA) is meant to consolidate all school-level planning efforts into one plan for programs funded through the Consolidated Application, pursuant to California Education Code, Section 64001 and the federal Elementary and Secondary Education Act, as amended by the Every Student Succeeds Act (ESSA). The SPSA's purpose is to increase the overall effectiveness of the school program by crafting a site strategic plan that maximizes the resources available to the school. The School Site Council (SSC) is required to analyze data as part of a needs assessment, develop the SPSA, which approves programs and services in support of an annual budget to promote student achievement, pursuant to California Education Code, Sections 52853 and 52855. SSC's approach to the utilization of federal resources to support underserved, underachieving students by providing interventions that are aligned with the school and district goals and promote continuous improvement.

Assurances:

1. School Site Council received recommendations from ELAC at the following SSC meeting(s):
2. The SSC approved the **Home-School Compact** on 10/24/2023
3. The SSC approved the **Parent Involvement Guidelines** on 10/24/2023
4. Our School held **two Title I Annual Parent Meetings** (input dates if a Title I school): ,
5. SSC Participated in the Annual Evaluation of SPSA:11/14/2023
6. The SPSA was approved at the following SSC Meeting: 11/14/2023

Percent of Students in the Moderately or Severely Chronic Categories

**Carver
All Students
N = 519**

**African American
N = 34**

**Asian
N = 33**

Filipino

Subgroup with fewer than 20 students.

**Hispanic
N = 164**

Pacific Islander

Subgroup with fewer than 20 students.

**White
N = 178**

N's are from the current year. Attendance during the 19-20 school year only includes dates through 3/13/2020, due to the COVID-19 emergency closure. Dashed line represents data for current year still in progress. Subgroups under 20 students are not included.

Percent of Students in the Moderately or Severely Chronic Categories

Native American
Subgroup with fewer than 20 students.

Other
N = 92

N's are from the current year. Attendance during the 19-20 school year only includes dates through 3/13/2020, due to the COVID-19 emergency closure.
Dashed line represents data for current year still in progress.
Subgroups under 20 students are not included.

Percent of Students in the Moderately or Severely Chronic Categories

EL + RFEP

Low SES
N = 132

English Learner

Subgroup with fewer than 20 students.

Special Education
N = 44

Homeless or Foster Youth

Subgroup with fewer than 20 students.

Homeless or Foster Youth

Subgroup with fewer than 20 students.

Female
N = 244

Male
N = 275

N's are from the current year. Attendance during the 19-20 school year only includes dates through 3/13/2020, due to the COVID-19 emergency closure. Dashed line represents data for current year still in progress. Subgroups under 20 students are not included.

Attendance/Chronic Absenteeism Rate

School Year: 22-23

Goals	
Area	Description
Culture/Climate Goals	With the integration of schoolwide learning expectations, wellness lessons, and teacher PD and feedback focused on culturally responsive teaching practices, by June 2023, 85% or more of Carver students will respond favorably to the Student Safety Domain on the CORE Survey, a 10% improvement from 2022. Increase the Sense of Identity/Belonging for all students with a focused lens on our Hispanic and Students with Disabilities subgroups (+ 10%) based on Pulse Survey and CORE Survey Results. Progress monitoring will be conducted regularly during Progress monitoring will be conducted regularly during teacher planning and collaboration sessions using student surveys, interviews and quantitative data from the Pulse surveys.

Budgeted Items			
Line Number	Description	Cost	Personnel Summary
1	Supplemental funding (19%) of a Senior Health Assistant to increase our coverage to 5 days per week. Senior Health Assistant will focus to improve student achievement by decreasing absenteeism rates due to medical concerns, and increase student attendance rates. The supplemental funding of a Senior Health Assistant will also help to improve school climate by decreasing classroom interruptions and increasing student self-efficacy and social emotional well-being. Since she is 3.8 hours a day, the 19% will cover two days not covered by the district. We have a nurse one day and two days of senior health assistant that are district funded. She will also help with COVID safety and safety measures for our site.		Senior Health Assistant
2	Recreation staff to maintain and improve student safety, promote kindness and social interactions, and facilitate conflict management between students. In general, improving climate to increase happiness and safety of students which will in turn increase attendance and reduce discipline issues.		Hourly - Recreation Aide, Hourly - Recreation Leader
Total

Attestation:

The School Site Council (SSC), during the process of developing a compliant School Plan for Student Achievement (SPSA), ensured that quality interventions and services for underachieving students are included in the SPSA, with particular focus on student groups who led to the CSI/ATSI identification.

SSC engaged in a thorough needs assessment, based on data, in order to prioritize student needs and analyze interventions/services.

In addition, the SSC engaged in discussions about resource inequalities and was informed about the supports listed in the District’s LCAP regarding our identification as a CSI/ATSI school. Resource Inequities and LBUSD’s CSI section are included in this Addendum.

In approving the SPSA for the school, the SSC specifically adds this Addendum to the SPSA as part of its CSI/ATSI responsibilities.

Date **November 14, 2023**

Signature of Principal

Signature of SSC Chair

Resource Inequities

Schools eligible for CSI or ATSI must identify and describe any resource inequities identified as a result of the required needs assessment. Consideration of resource inequities can inform the assessment of the effectiveness of actions in the SPSA and provide a basis for the establishment of goals and/or expected outcomes for CSI/ATSI Targeted student groups.

In our analysis of our SPSA services, our SSC found the following about resource inequalities for the targeted CSI/ATSI student groups:

- There are no resource inequalities present in our SPSA.** Our CSI/ATSI targeted students are a priority and are receiving appropriate services/interventions through our Schoolwide Program.
- There was evidence of resource inequalities prior to the SPSA being approved.** Our SSC made adjustments to the SPSA in order to correct the issue, and the SPSA is now providing appropriate services/interventions through our Schoolwide Program.
- There is some evidence of resource inequalities in the current SPSA.** However, our SSC continued to make adjustments to the SPSA in order to ensure that the CSI/ATSI targeted students are being given appropriate services/interventions through our Schoolwide Program.
- There is some evidence of resource inequalities in the current SPSA.** However, our SSC has determined that the CSI/ATSI targeted students are receiving appropriate services/interventions through our Schoolwide Program.

Comments about Resource Inequities (*optional*)

Support for Schools as identified in LBUSD's LCAP

Support for Identified Schools

Support for schools is grounded in coaching and professional learning communities. LBUSD has shifted from compliance and at-a-distance supervision practices to a deeply-rooted coaching orientation, partnership in addressing student achievement issues, and a strong emphasis on quality instruction in every classroom, as defined by the district's Understandings Continuum framework. Since 2014, LBUSD has sought to enhance time spent on campuses, with leaders dedicating an average of three to five hours per month on every campus – visits that include classroom observations alongside the principal, data collection related to instructional implementation, and pedagogical guidance for teachers. Comprehensive Support and Improvement (CSI) schools receive even more intense support, particularly in areas like English Language Arts, Mathematics, and graduation rates.

One crucial area of support centers on school-level needs assessments. LBUSD's Research Office provides in-depth data tailored to each site, which are then used to develop interventions in consultation with educational partners. Academic measures include ELA and Math benchmarks, i-Ready diagnostic and growth data, common assessment performance, real-time grades (especially Ds and Fs), and whether students are on track to complete graduation and University of California A-G requirements. Non-academic measures cover chronic absenteeism, suspensions, and disciplinary incidents as well as Social Emotional Learning (SEL) indicators such as student agency, identity, and sense of belonging. With assistance from district leaders, curriculum coaches, and other experts, CSI schools drill down by academic skill, by student group, and by logistical factors (e.g., the time of day and location of suspensions). Site staff receive tools and training to create "watch lists" – i.e., lists of classrooms to monitor closely and lists of students who require further interventions. The latter is connected to phone, email, and text communication systems that can help engage families in the process.

Here are specific supports that LBUSD delivered (and will continue to provide moving forward) to help CSI schools develop their plans:

- Level office staff spent additional hours at CSI schools to help their principals conduct deeper analyses on chronic absenteeism, suspensions, disciplinary incidents, and survey data related to school culture and climate and social-emotional learning. Such analyses were on top of those conducted for academic measures like English Language Arts, Mathematics, and graduation rates. In light of the COVID-19 pandemic, distance learning participation, learning loss, and other similar issues were also explored.
- Level office staff, curriculum leaders, and other district support departments provided CSI schools with research on successful evidence-based interventions in comparable schools, both at LBUSD and other districts in California. Depending on the programs, the research included either academic studies or best practices. This information was paired with budget information so that programs can be sustainably developed.
- Level office staff, curriculum leaders, and other district support departments assisted CSI schools with identifying resource inequities by providing reports on current staff levels, budget figures, and logistical data. Through various one-on-one meetings, sites were then guided by content experts in identifying significant resource gaps. For example, a review of a site's English Learner supports would incorporate additional teachers that might be needed, along with the instructional materials, technological software, intervention scheduling design, and other details that would help build out the program, particularly in a distance-learning environment.
- Based on the research and "gap" analyses described in the two previous bullet points, level office staff, curriculum leaders, and other district support departments helped CSI schools select evidence-based interventions. Among the guiding principles that LBUSD promoted in this decision-making process is sustainability – the importance of developing high-impact programs that can be implemented in multi-year timeframes. Given the depth of student needs, it was essential to have a long-term perspective and make adjustments along the way. LBUSD then ensured that CSI schools had training for program implementation.

- For the two CSI middle schools, a block schedule will be used to provide 3 electives for every student that will include: 1) targeted intervention electives for all students requiring intervention in ELA and/or math and 2) expanded enrichment electives aligned to the school's signature program and the pre-pathway industries of the feeder high school. The block schedule will also include built-in collaboration for department-level teams in one of the five conference periods per week to dedicate time for department-level planning and collaboration. Finally, the staff will participate in a week-long summer training and month professional development that support teachers with the shift in pedagogy required for the block schedule, including strategies that promote engagement, inquiry and rigor.
- Lastly, level office staff, curriculum leaders, and other district support departments helped CSI schools establish monitoring and evaluation systems. Supports included training on how to identify appropriate data to collect (for example, student participation in interventions, related test scores, etc.), how to use LBUSD's "intervention tracker" or similar system, how to schedule data analyses alongside the site visits described above, and how to use feedback for program improvement. In some cases, LBUSD provided CSI schools with sample survey questions for gathering student, parent, and staff perspectives. LBUSD also paired CSI schools with similar partner sites so that data can be compared and promising practices can be shared.

Monitoring and Evaluating Effectiveness

To monitor and evaluate the effectiveness of the CSI plans, quarterly visits will be conducted. These formal visitations will allow site teams to reflect upon their collective efforts and engage colleagues from other schools and district departments for objective feedback. The monitoring and evaluation activities will be conducted in-person following appropriate public-health guidelines.

Quarterly visits will be customized by schools, but follow a common structure:

- **Whole Group Briefing:** The school team (principal, teachers, and support staff) will provide background for the visit by sharing their CSI plans. They will highlight their site data, professional development activities, and key interventions. They will help visitors (Level office staff, curriculum leaders, and other district support departments) develop an understanding of their priorities.
- **Classroom Visits:** School team members and visitors (Level office staff, curriculum leaders, and other district support departments) will observe classrooms, collecting data and examples that reinforce the school's CSI plans. They will take notes, collect images, and talk to students in order to summarize their observations.
- **Whole Group Debriefing:** School team members will facilitate a debriefing that allows them to understand and affirm the site's continuous improvement efforts. They will focus not only on content delivery, teaching practices, and student actions, but also the various interventions that are being implemented to support struggling learners.
- **Principal Debriefing:** Principals and/or principal supervisors will engage in further discussion regarding next steps. This dialogue will be folded into the regular coaching work described in the previous section.

More broadly, the LROIX platform developed by LBUSD's Research Office features tools that allow district and site leaders to monitor the progress of CSI schools and their students. LROIX functions enable district & site administrators and teachers to track students who are "at-promise" across a broad spectrum of measures, including chronic absenteeism, discipline, course grades, graduation requirements, iReady growth, and high school or college readiness (as applicable). Such real-time data will be used to adjust CSI plans and develop additional interventions for struggling learners.

Carver Home School Compact Grades TK-5 2023-2024

It is important that the families and the school work together to help students achieve high academic standards. Through a process that includes the school staff, families and students, the following are roles and responsibilities that we as partners will carry out to support student success in school.

As a student, I will:

- Come to school regularly, in uniform, and prepared to learn.
- Bring necessary materials to school.
- Know and follow the school and classroom rules.
- Follow Schoolwide Learning Expectations (C.A.R.V.E.R.; Be Respectful, Be Responsible, Be Safe)
- Communicate with my parents and teachers so they can help me be successful in school.
- Respect the school, myself, classmates, staff, and families.
- Use language appropriate for school.

Student signature _____

As a parent/guardian or family member, I will

- Send my child to school on time and appropriately dressed.
- Promote daily attendance and keep absences to a minimum.
- Regularly monitor my child's progress.
- Encourage my child to read daily.
- Strive to participate in school activities.
- Respect the school, staff, students, and families.
- Attend conferences with the teacher, as needed.
- Activate ParentVue account and check it regularly.
- Read the Carver Family Newsletter.

Parent signature _____

As a teacher, I will:

- Teach classes through interesting and challenging lessons that promote student achievement.
- Motivate my students to learn.
- Communicate regularly with families to ensure the best education possible.
- Participate in professional development opportunities that improve teaching and learning.
- Explain my expectations, instructional goals, and grading system to the children and parents.
- Respect the school, staff, students, and families.

Carver Elementary Family Involvement Guidelines **For Non-Title I Schools**

Carver Elementary recognizes that families are their children's first and most influential teachers and that continued family involvement in the education of children contributes greatly to student achievement and a positive school environment. In order to engage families positively in their children's education, Carver will:

1. Help families develop parenting skills and provide home environments that support their children's academic efforts and their development as responsible members of society.
2. Inform families that they can directly affect the success of their children's learning and provide them with techniques and strategies that they may use to improve their children's academic success and help their children in learning at home.
3. Initiate consistent and effective two-way communication between the home and school so that families may know when and how to help their children in support of classroom learning activities.
4. Provide training for staff that fosters effective and culturally sensitive communication with the home, including training on how to communicate with non-English speaking families and how to give families opportunities to assist in the instructional process both at school and at home.
5. Encourage families to serve as volunteers in the schools, attend student performances and school meetings, and participate in site councils, advisory councils and other activities in which they may undertake governance, advisory and advocacy roles.
6. Include families of English Language Learners in the development, implementation, and evaluation of core and categorical programs for English learners. Inform families about how they can be involved in the education of their children and be active participants in assisting their children to achieve English proficiency, achieve at high levels in core academic subjects and meet challenging state academic standards expected of all students.

School plans shall delineate specific measures that shall be taken to increase family involvement with their children's education, including measures designed to involve families with cultural, language or other barriers which may inhibit such participation.

ADOPTION

Carver’s Family Involvement Guidelines have been developed jointly with, and agreed upon by, families at the school. The Guidelines were adopted by the site’s School Site Council members on **10/24/23** and will be in effect for the period of one school year. The school will distribute the Guidelines to all families on or before **10/14/23**. Carver, when feasible, will provide a copy of these Guidelines to families in a language the family can understand.
