Dear Parent/Guardian,

We would like to extend you a warm welcome to the Pacifica School District from your Child Nutrition Services Department! Our department operates 5 student cafeterias, one in each school where we provide daily breakfast and lunch. Our school kitchens have a team of highly trained staff, with food safety and customer service as the highest priority. The Child Nutrition Services team works together to develop healthy and appetizing meals for the students. These meals are analyzed, and the recipes are adjusted to ensure they meet National School Lunch Program guidelines for each age group for calories, sugar, sodium, fat, and whole wheat flour.

We strive to follow the menu as planned, however, there are sometimes issues beyond our control that can cause last minute changes. We appreciate your patience when this occurs.

For the 2026-2027 school year, free meals will again be provided through the California Universal Free Meal Program. This program provides one free breakfast and one free lunch to each student. Although meals are free, every family is encouraged to complete the Alternate Income Form. Submitting this form not only benefits your family but also supports your school and community. The information provided helps determine state and federal funding levels, ensuring your school receives the resources needed to enhance your child's learning environment. This funding can provide reading and mental health support, resources for classrooms, support for multi-lingual learners, and before and after school programs. Please complete the form online at:

https://secure.ezmealapp.com/default.aspx?cid=Nzg0Zjc1YjMtZDYwMy00Mzc2LThlNmEtYmE4MzllYTVkMzhl.

Only one application is needed for each household. If you have questions, please contact the Child Nutrition Department at the District Office (650) 738-6600.

Please visit the district website: https://www.pacificasd.org/ for menus, nutritional information, and other departmental items. If you have any other questions regarding the Child Nutrition Services Department, please do not hesitate to contact us.

Sincerely,
Lori Miller M.Ed., R.D.
Child Nutrition Program Manager
