

2023-2024

Holmes Elementary

School Plan for Student Achievement

This School Plan for Student Achievement (SPSA) is a plan of actions to raise the performance of all students. The SPSA contains the following:

Needs Assessment:

- School Demographics
- English Language Arts
- Mathematics
- English Learners
- Culture/Climate Domain
- SPSA Effectiveness

Accountability Measure I: Increase Achievement:

- Core Programs (ELA, Writing, Math)
- Interventions
- Transitions

Accountability Measure II: School Climate

Accountability Measure III: Professional Development

- Professional Development
- Teacher Involvement

Accountability Measure IV: Parents and Community Involvement Assurances

- School Budget for Categorical Programs
- SSC Membership
- ELAC Membership
- ELAC Recommendations
- Assurances, Approval and Signatures

The School Site Council (SSC) completed a comprehensive needs assessment, including analyses of student performance in relation to the state

academic content standards. In order to provide supplemental interventions, the SSC analyzed the academic performance of all students and subgroups, and it considered the instructional program's effectiveness for at-promise students.

The School Site Council aligns the Long Beach Unified School District's Strategic Plan and LCAP into the SPSA. The LCAP Goals are presented at: http://www.lbschools.net/Departments/Local_Control/. The LCAP Federal Addendum is presented at: http://www.lbschools.net/Departments/EACCR/lea_plan.cfm.

Education Code 52062 (4) requires that the superintendent of the school district review school plans for schools within the school district and ensure that the specific actions included in the local control and accountability plan or annual update to the local control and accountability plan are consistent with strategies included in the school plans submitted.

The LBUSD Strategic Plan (2017-2022), which can be viewed at http://www.lbschools.net/Departments/Strategic_Planning/, has the following goals:

- Ensure equitable opportunities for every student
- Provide a safe, welcoming, respectful and rigorous learning environment for every member of the school community.
- Promote academic growth for every student.
- Establish college and career readiness for every student.
- Support effective communication throughout the district.

In addition, the SSC recognizes following recommendations made by the District Community Advisory Committee (DCAC) and the District English Learner Advisory Committee (DELAC):

DCAC Recommendations:

Recommendation 1: Teachers/school staff train parents in English Language Arts, Math, and other critical topics (such as A-G, SAT, PSAT, Career Pathways, SBAC, etc.) in order for parents to assist students to succeed in school.

Recommendation 2: Execute technology purchases to bring computers up-to-date to meet students' needs. Also, provide parent training in the computer programs and applications that are used in school so parents can assist their children at home.

Recommendation 3: Create parent leadership programs for all parents, with an emphasis on assisting early childhood/preK parents to introduce the LBUSD system.

Recommendation 4: Create additional, continuous training for all teachers to better serve special education students, African American students,

Pacific Islander students, at-risk students, long-term English Learners, and English Learners (specifically emphasizing reclassification training).

Recommendation 5: Provide prevention and intervention support and services to continue to reduce the achievement gap for special education students, African American students, Pacific Islander students, long-term English Learners, English Learners, and other at-risk students.

Recommendation 6: Provide more parent involvement and parent education training at all schools, including sending parent participants to conferences in order to empower and train parent leaders.

Recommendation 7: Create and provide a more inviting, safe and welcoming climate/community atmosphere at all sites for all cultures, parents and students.

Recommendation 8: Re-establish district Parent Centers and encourage sites to establish a parent center/parent resource room to better engage and serve parents.

Recommendation 9: Expand Female and Male Leadership programs at schools to provide more opportunity for under-represented students.

Recommendation 10: Expand tutoring and other intervention programs that emphasize content-specific instruction to meet the individual needs of non-proficient students, including before/after school, Saturday school, “double dose” courses, and Summer school, also considering preK students.

Recommendation 11: Expand Summer School opportunities, especially for “transition” grade levels. Explore adding social-emotional and growth mindset instruction for summer programs.

Recommendation 12: Work with college partners to provide quality transitional counseling and mentoring services to students, including goal setting, course planning and guidance from current college students.

Recommendation 13: Expand programs of instruction to the educational system to new families, including civics education.

Recommendation 14: Ensure that school sites have resources that are necessary to implement recommended programs, especially programs designed to close the achievement gap.

Recommendation 15: Provide workshops on values and character building that contribute to a safe, civil and productive school.

DELAC Recommendations:

1. Monitor the implementation of the district’s comprehensive English Language Development (ELD) program in grades K-12th addressing language and academic needs of a diverse EL population from newcomers to Long Term English Learners.
2. Continue to identify students in need of interventions in English language arts focusing on reading comprehension and math in order to provide individualized services for these students;

3. Provide and implement research-based intervention programs either before, after school and/or during summer months to ensure that all EL students' academic needs are being targeted and met through supplementary instructional programs;
4. Support a welcoming environment which includes bilingual office staff who speak the language and understand the services and resources available for parents and ELs at sites with high EL population; and staff to focus on a more personal approach when working with parents;
5. School sites need to invest time in parents and need to do a better job in providing communication between school and parents;
6. Provide and implement and monitor/assess highly effective instructional intervention programs in developing oral language proficiency, reading and writing in English for all ELs, RFEPS and LTELs; to include an update to parents and other advisory committees on what programs and services are being provided at schools sites to address;
7. Provide parent workshops to build capacity on specific topics such as LCFF, LCAP and SSC to better understand how each functions;
8. Create additional continuous trainings for all teachers to better serve English Learners, Long Term English Learners and RFEPS in Math, English and English Language Development (ELD);
9. Continue to implement high quality teacher training for all adopted textbook series, with special emphasis on the new ELD curriculum adoption;
10. Continue to explore programs at sites that address the social/emotional development and well-being of all students, including English Learners
11. District to continue to promote parental engagement and to motivate parents to become more involved in their children's education and to increase opportunities for parents to attend parent workshops to ensure that they can support their children at home;
12. Provide more parent involvement and parent education training at all schools, including sending DELAC representatives to conferences in order to empower and train parent leaders;
13. Expand tutoring and other intervention programs that are content-specific to meet the student's identified needs including special education students;
14. Collaborate with our neighboring universities to coordinate mental health workshops for parents and students
15. Establish a structured program that is implemented districtwide for tutoring EL students (before, after-school) which ensures that teachers are delivering high-quality lessons addressing the needs of EL students. In addition, district to monitor these programs to ensure effective implementation as intended and are having a positive impact for EL students.
16. Continue to support the implementation and expansion of bilingual pathway programs with the passage of Proposition 58; not limited to only dual immersion programs but also to include developmental bilingual educational programs
17. To access the periodic review of the authorized and agreed upon DELAC recommendations in order to understand the effectiveness of programs and services for EL students

The SSC recognizes the importance of **Parent and Family Engagement** and emphasizes LBUSD Board Policy 6020.1, which contains the

following fifteen components:

1. Involving parents/guardians in the joint development of the district's planning efforts for providing programs that increase the academic quality of schools and including parents in the process of school review and improvement;
2. Consulting on an ongoing basis with parents/guardians concerning the manner in which the school and parents/guardians can work together to identify objectives, plan, design, implement, and evaluate school programs to ensure student academic achievement and school performance;
3. Providing the coordination, technical assistance, and other support necessary to assist schools in planning and implementing effective parent/family involvement activities to improve student academic achievement and school performance; at least 1 percent of the district's Title I, Part A funds will be reserved for parental involvement and 95% of those funds will be distributed to schools, where parents of Title I students shall be involved in the decisions to be used for parental involvement programs;
4. Supporting the efforts of parents/guardians in working with their children to understand/attain the State Academic Content and Performance Standards, assessments being used, the requirements of Title I, Part A, and the monitoring of their children's progress and work with teachers to improvement achievement and social development;
5. Building parent capacity for meaningful parental involvement and providing opportunities to help parents/guardians strengthen their parenting and literacy skills to improve their child's academic success and social development, including, but not limited to, such topics as ensuring appropriate learning conditions at home, helping their child at home with schoolwork, and fostering a growth mindset, self-efficacy and self-management skills.
6. Ensuring that information related to school and parent programs, meetings, and other activities is sent to the parents of participating children in a format, and to the extent practicable, in a language the parents can understand; when 15 percent or more of the student population at the district or school site speak a single primary language other than English, all notices, reports, statements, or records sent to a parent/guardian of any such student by the school or school district, are in addition to being written in English, written in the primary language(s);
7. Informing parents/guardians of participating children of the (a) reasons their children are participating in the program(s), (b) specific instructional objectives and methods of the program(s), and (c) the academic performance of their child's school and of the options they have to ensure appropriate educational placement of their student;
8. Training parents/guardians and teachers to build a partnership between home and school to increase student achievement and promote effective two-way communication in a language all parents can understand; providing School-Home Compacts that set out the respective responsibilities of the school staff, parents and students in striving to raise student achievement;
9. Encouraging parents/guardians to assume school and district leadership roles in governance, advisory, and advocacy decision-making processes; providing parents with an opportunity to submit dissenting views to the district if a school's parent involvement guideline s or Single Plan for Student Achievement are not acceptable to them;

10. Providing professional development for teachers, pupil services personnel, principals and other staff, with the assistance of parent input, on ways to reach out to, communicate with and implement parent programs that build partnerships between parents and the schools;
11. Involving parents/guardians in annual evaluations of the content, effectiveness, and relevance of the District's Parent Involvement Policy and Parent Involvement Guidelines at the school site level in improving the academic quality of the schools, including identifying barriers to greater student achievement and using the findings of such evaluations to design strategies for more effective involvement of parents and families and uses the findings of the evaluation to design more effective parental involvement and revise the policy, as necessary;
12. Coordinating and integrating Title I, Part A parental involvement programs and strategies with parent involvement strategies of other programs, including with the district's Child Development Centers (CDC), Head Start, and other preschool programs that encourage parent participation, seamless transitions and greater success of preschoolers;
13. Coordinating and maintaining Parent Resource Centers (as budget allows) that provide literacy training, home-learning activities, and the guidance parents need to support their child's academic success.
14. Helping parents/guardians acquire needed services through identified school district and community resources; providing other reasonable support for parent involvement activities as parents may request;
15. Establishing a district parent advisory council (DCAC) with representatives from each school, to provide advice or input on matters related to parent involvement, allotted Title I funds at the school site level and awareness of funded programs.

Conclusions from the needs assessment were used to prioritize supplemental programs, materials, professional development, targeted interventions, and other activities that will strengthen the school's academic achievement, close the achievement gap, and provide a safe, civil and productive school.

Written Analysis - ELA Goals

Written Analysis

By June 2024, at least 80% of students at Holmes will achieve one year of academic growth and development in ELA as indicated by FRSA, District Assessments, state assessments, and iReady Diagnostic. By June 2024, at least 80% of students at Holmes below grade level will demonstrate greater than one year of growth in ELA as indicated on FRSA, District Assessment, state assessments, and iReady Diagnostic. FRSA - 85-90% iReady - At least one years growth in ELASBAC - At least 10-point growth in ELA

Summary of Goals:

By June 2024, at least 80% of students at Holmes will achieve one year of academic growth and development in ELA as indicated by FRSA, District Assessments, state assessments, and iReady Diagnostic.

By June 2024, at least 80% of students at Holmes below grade level will demonstrate greater than one year of growth in ELA as indicated on FRSA, District Assessment, state assessments, and iReady Diagnostic.

FRSA - 85-90%

iReady - At least one year's growth in ELA

SBAC - At least 10-point growth in ELA

Summary of Progress monitoring: Monitor district assessments including unit assessments, FRSA, iReady, and SBAC for all students and broken down by category to understand how the gap is closing

Action Plan: Holmes teachers will deliver quality instruction at the Tier I level and provide guided reading or small group instruction during the day, meeting with neediest students daily. Targeted intervention will be provided for select students through before school, after school, Saturday school, and/or reading intervention support during the school day.

Written Analysis - English Learner Goals

Written Analysis

Holmes ELL students will grow in the areas of listening, speaking, reading, and writing and increase English language proficiency levels by at least 1 level overall by June 2024.

Summary of Goals:

Holmes's ELL students will grow in the areas of listening, speaking, and writing

Summary of Progress Monitoring:

We will check progress on district assessments including iReady, ELPAC, and SBAC

Action Plan: Holmes teachers will know their ELLs, deliver designated ELD with fidelity, and continue to incorporate best practices for ELLs throughout the school day with integrated ELD. Targeted intervention will be provided for ELL students through before school, after school, Saturday school, and/or reading intervention support during the school day

Comprehensive Needs Assessment

Culture/Climate Domain

Written Analysis - Culture/Climate Findings

Written Analysis

Attendance was 90.4%, an increase of 3.4% Chronic Absenteeism was 37%, an increase of 13.5% PULSE Survey (4th and 5th Grades)-They have empathy and think about others-Willing to listen to others-They feel close to people at this school-Students are happy to be a part of the school-Respect amongst peers is an issue (47%)-Generally, students are open to listening to others and show empathy but lack understanding of their own identity-Students find it hard to make friends CORE Survey-We were high in Climate of Support for Academic Learning 82% (higher than LBUSD)-78% have internet and devices (however, still lower than LBUSD)-Went down in all areas-Safety was the lowest and it is lower than the average LBUSD.-Students not feeling safe at Holmes-Students do not have a strong sense of belonging

Comprehensive Needs Assessment

Culture/Climate Domain

Written Analysis - Culture/Climate Goals

Written Analysis

By June 2024, Holmes' attendance will improve by 10% from 87% to 97%. The focus this year will be to increase the knowledge and fairness of discipline, rules and norms by at least 7 points from 83% to 90% based on CORE survey results.

Summary of goals: Students will understand school and classroom rules. Students will demonstrate a sense of belonging based on the CORE survey results.

Summary of progress monitoring: Monitor CORE and Pulse survey results.

Action plan: Implement soft start and school-wide Harmony and PBIS lessons.

Program Description for Transitions

Accountability Measure 1: Increase Achievement

Program Description for Transitions

| Program Description for Transitions | | |
|---|---|-------------------------------|
| Preschool Transition | Gr. 5 to MS Transition | Gr. 8 to HS Transition |
| <p>The counselor communicates with the parents of the students in the Child Development Center to inform of the registration period and to inform them of what students learn in Kindergarten and are expected to know. The Principal and teachers also host a Kindergarten meeting to inform parents of the programs and policies and opportunities for involvement.</p> | <p>To reduce the student's affective filter, our counselor provides each fifth grade class with intimate informational meetings, where electives, programs such as AVID, GATE, Excel, and Honors, as well as Classical middle schools versus K-8 Middle and 6-8 grade transitional middle schools are explained. Each spring the counselor hosts two Parent Meetings to inform parents about the various middle school programs in LBUSD. The</p> | <p>No Data.</p> |

information includes an explanation of home school, paired schools, transportation, and special programs. Every middle school has different programs and our school counselor provides students and parents with information, options, and support to fill out the LBUUSD School of Choice application. The counselor provides information about the School of Choice process and explains if the student does not follow through with the process he/she will automatically be assigned to their home middle school. The counselor provides continued support through the process as needed. The counselor follows up with families to ensure parents complete the application process within the designated time frame. The counselor provides parents with telephone conferencing and students with individual conferences to ensure the completion of the School of Choice application process.

The counselor conducts individualized program qualifications review for all fifth grader students designated as Gifted or Excel, as defined by the LBUUSD Gifted and Talented Office.

The counselor facilitates the fifth grader's referral process for GATE/Excel testing in alignment with the LBUUSD Gifted and Talent Office within the School of Choice application time frame.

School Budget for Categorical Programs

The following site budget represents programs funded through the Consolidated Application. This Budget summary lists the funds that are to be consolidated as part of a schoolwide program. The SPSA's budgeted activities have been approved by the School Site Council and are in compliance with program regulations.

| Federal Programs (to Consolidate) | Allocation |
|--|------------|
| Title I (3010) | 91557 |
| Title I Parent and Family Involvement (3008) | 2180 |

The following amounts are the school's share of Title I required and allowed reservations:

| Share | Services | Amount |
|----------------------------|--|--------|
| Administrative Share | Services provided to sites as part of Title I program leadership: EEP and Early Childhood Education; Additional reservation for Parent Involvement (over 1% requirement); Homeless Education; Reading Intervention/Private Schools; Foster Care Social Worker; TK Teachers; Behavioral Specialist; Male/Female Leadership Academy; Research LROIX Development. | NA |
| Centralized Services Share | Middle School Summer Bridge, Homework Helpline 562.437.2859, Travel/Conferences, Education Celebration, CORE, Data PD/ Summer Admin PD, Supplemental Examinations (GORT), Kinder Festival, Robotics, SEAL Summer Program, SSC Institute, APEX Online, Harmony Project. | NA |

| State Programs * | Allocation |
|------------------|------------|
| LCFF | 36540 |

* It is understood that LCFF funding are district-directed; however, in the spirit of effective stakeholder engagement and transparency, LBUSD has included LCFF activities in the SPSA.

Spring Adjustment:

During the beginning of the school year, the state projects the amount that the district receives in Title I and other resources and sometimes adjustments are made mid-year to the allotment, as a result of the Consolidated Application (completed annually in February). Although most years, there is no difference in the site allocations. In the event that there is an adjustment, LBUSD will notify all site principals, who will announce the adjustment to the SSC.

Title I Reservations

Title I Reservations are used for required or Board-approved services. These reservations are made prior to Title I allocations to school sites and are designed to provide central services to Title I and/or underserved, underperforming schools. Listed programs and services are budgeted for the school year and may be slightly altered depending on need changes and budget adjustments.

Administrative Share & Reservations Title I Program Administration

Equity, Engagement & Partnerships (EEP), State and Federal Programs (SFP): Personnel to provide leadership for state and federal supplemental programs, Parent University offering parent workshops and community engagement. Early Childhood Education (CDC, Educare, Head Start): Personnel (incl. pre-K teachers of subsidized program, office assistants)

Parent Involvement (additional funds beyond the required 1%)

Parent University Staff to help families understand & access information, as well as become a true partner in education. In addition to providing parent trainings, staff works with parent engagement events, such as Education Celebration. Multilingual staff helps support parent engagement activities as well as personalizes information for non-English speaking families.

Homeless Education

Providing homeless students and families with supplies (uniforms, basic needs), social service referrals, transportation, and counseling.

Social Worker: Foster Care

Provides ongoing intensive case management services for foster youth and families, maintaining compliance with AB216 and AB490 regarding foster rights. In addition, collaborates with community partners to address foster youth needs, including with DCFS for tracking and consultation. Provides trainings for site counselors and staff.

Behavior Specialist

Works with elementary schools to ensure that schools are using best practices when working with Tier 2 students not experiencing success with self-control.

Male and Female Leadership Academy

The leadership academies strive to improve the graduation rate of underrepresented promising students and develop successful leaders by addressing the multi-faceted issues facing young women and men. The reservation provides personnel at high needs schools to coordinate the

academies.

Research LROIX Development

LROIX is LBUSD's data hub to help schools access pertinent, focused, live data; formulate needs assessments; and create effective interventions. The reservation provides personnel to maintain and develop the complex system.

Centralized Services

Middle School Summer Bridge

Provides a summer math program focusing on students needing a "head start" prior to entering the next middle school grade level.

Homework Helpline 562.437.2859

Homework Helpline consists of teachers guiding students through homework assignments via the telephone. The service is free to LBUSD students.

Travel/Conferences

Enables staff to develop requisite knowledge about the program(s) they lead.

Education Celebration

The annual Education Celebration features K-8 schools in one location to engage parents about site programs and features. In addition to the schools, city representatives and district resources are also present to engage parents.

CORE

The CA Office to Reform Education is a partnership of large CA urban school districts. Part of the CORE collaborative is data sharing and accountability, including the CORE surveys of parents, staff and students in grades 4-12 on a range of school climate indicators.

Data PD / Summer Admin PD

This pre-service professional development is designed for site leaders to engage in analyzing new data and begin the planning process for student needs assessment, closing the achievement gap and addressing school goals.

Supplemental Examinations

These specialized exams are supplemental and are intended to augment district formative assessments to better understand student

achievement and skill acquisition.

Kinder Festivals

The K-Fests are a series of parent involvement activities designed to introduce entering Kinder families to the system, including live student groups with teachers, parent resources and training to understand the kinder curriculum and expectations.

Robotics

These supplemental materials are designed to assist in research and special programs related to STEM.

SEAL Summer Program

The Summer Enrichment and Learning (SEAL) program provides students instruction in a variety of coursework during the summer break. Students are provided learning opportunities to strengthen skills.

APEX Online

APEX Learning program is a computerized independent learning program, coupled with teacher-directed instruction designed to assist students to address gaps in knowledge.

Youth Orchestra

Music instruction and opportunities on weekends. Students receive instruction from professional music performers in string instruments.

School Site Council Membership

| Member Group | Representing | Name | Elected Term Ends |
|--------------|-----------------------|---------------------|-------------------|
| Staff | Principal | Lori Grady | |
| Staff | Classroom Teacher | Lenard Rebullar | 06-24-2025 |

| Community | Parent | Janell [REDACTED] | 06-24-2025 |
| Community | Parent | Kristina [REDACTED] | 06-24-2025 |

English Learner Advisory Committee Membership

The following are members of the English Learner Advisory Committee, who duly advised and made recommendations to the School Site Council on the school's program, goals, and objectives for English learners.

| Position | Representing | Name |
|-----------------------|---------------------------------|-------------------|
| Chair | Parent of EL Student (required) | Jose [REDACTED] |
| DELAC Representative | Parent of EL Student (required) | Elfega [REDACTED] |
| Principal or Designee | Staff Member (required) | Lori Grady |
| Secretary | Staff Member (required) | Carol Alwood |

| Name | Representing |
|--------------------|----------------------|
| Rosalba [REDACTED] | Parent of EL Student |
| Susana [REDACTED] | Parent of EL Student |

ELAC Recommendations

Pursuant to Education Code, Section 52176, the school’s English Learner Advisory Committee (ELAC) conducted a needs assessment as it pertains to English Learner (EL) students and presented the following recommendations about programs and services that will assist EL students to achieve standards.

| Question | Answer |
|---|---|
| 1. Does the school have more than 20 EL students enrolled? | Y |
| 2. At which ELAC meeting did ELAC approve its Recommendations? | 10/24/2023 |
| 3. Input ELAC's approved recommendations. These should be services and programs pertaining to EL student achievement: | <p>Provide tutoring for ELLs</p> <p>Get more families involved in ELAC: Bright blue flyers and/or folders, make a video for parents, include more information in flyers to explain the importance of ELAC, locate donations for incentives/prizes, reach out to families of ELLs to make sure they know about the resources and that they are invited</p> <p>Give awards to students for good attendance. Ms. Cazalez suggested a color-coded system where students are recognized each month for academics or attendance (yellow = getting there, green = good, blue = excellent)</p> <p>Teachers should be aware that using students as translators is a problem because it takes away from their learning (this came from DELAC, not as a complaint from anybody at Holmes)</p> <p>The committee wants to communicate the importance of ELL students being reclassified as RFEPs (reclassified fluent English proficient) before going to middle school so they have the opportunity to take electives.</p> <p>The group also would like to provide English and technology</p> |

| | |
|--|---|
| 4. What types of data did ELAC use to determine the need for the listed recommendations (add any that apply): | SBAC Reading Results for EL students SBAC Math for EL students Reclassification Data EL Attendance Rates |
| 5. At which SSC meeting were the ELAC recommendations presented? Ensure that the SSC Agenda and SSC Minutes list the receipt of the ELAC Recommendations | 10/24/2023 |
| 6. What was SSC's response to ELAC recommendations? | The response was positive and supportive. Lori Grady and Carol Alwood plan to research options for the school day parent/community training for adults. |

Assurances & Approval

The School Plan for Student Achievement (SPSA) is meant to consolidate all school-level planning efforts into one plan for programs funded through the Consolidated Application, pursuant to California Education Code, Section 64001 and the federal Elementary and Secondary Education Act, as amended by the Every Student Succeeds Act (ESSA). The SPSA's purpose is to increase the overall effectiveness of the school program by crafting a site strategic plan that maximizes the resources available to the school. The School Site Council (SSC) is required to analyze data as part of a needs assessment, develop the SPSA, which approves programs and services in support of an annual budget to promote student achievement, pursuant to California Education Code, Sections 52853 and 52855. SSC's approach to the utilization of federal resources to support underserved, underachieving students by providing interventions that are aligned with the school and district goals and promote continuous improvement.

Assurances:

1. School Site Council received recommendations from ELAC at the following SSC meeting(s): 10/24/2023
2. The SSC approved the **Home-School Compact** on 10/24/2023
3. The SSC approved the **Parent Involvement Guidelines** on 10/24/2023
4. Our School held **two Title I Annual Parent Meetings** (input dates if a Title I school): 09/19/2023, 09/21/2023
5. SSC Participated in the Annual Evaluation of SPSA: 11/14/2023
6. The SPSA was approved at the following SSC Meeting: 11/14/2023

Attestation:

The School Site Council (SSC), during the process of developing a compliant School Plan for Student Achievement (SPSA), ensured that quality interventions and services for underachieving students are included in the SPSA, with particular focus on student groups who led to the CSI/ATSI identification.

SSC engaged in a thorough needs assessment, based on data, in order to prioritize student needs and analyze interventions/services.

In addition, the SSC engaged in discussions about resource inequalities and was informed about the supports listed in the District’s LCAP regarding our identification as a CSI/ATSI school. Resource Inequities and LBUSD’s CSI section are included in this Addendum.

In approving the SPSA for the school, the SSC specifically adds this Addendum to the SPSA as part of its CSI/ATSI responsibilities.

Date Approved by SSC

12/12/23

[Click here for SSC Minutes](#) where the addendum was approved.

[Haga clic aquí para ver las actas del SSC](#) donde se aprobó el anexo.

Resource Inequities

Schools eligible for CSI or ATSI must identify and describe any resource inequities identified as a result of the required needs assessment. Consideration of resource inequities can inform the assessment of the effectiveness of actions in the SPSA and provide a basis for the establishment of goals and/or expected outcomes for CSI/ATSI Targeted student groups.

In our analysis of our SPSA services, our SSC found the following about resource inequalities for the targeted CSI/ATSI student groups:

- There are no resource inequalities present in our SPSA.** Our CSI/ATSI targeted students are a priority and are receiving appropriate services/interventions through our Schoolwide Program.
- There was evidence of resource inequalities prior to the SPSA being approved.** Our SSC made adjustments to the SPSA in order to correct the issue, and the SPSA is now providing appropriate services/interventions through our Schoolwide Program.
- There is some evidence of resource inequalities in the current SPSA.** However, our SSC continued to make adjustments to the SPSA in order to ensure that the CSI/ATSI targeted students are being given appropriate services/interventions through our Schoolwide Program.
- There is some evidence of resource inequalities in the current SPSA.** However, our SSC has determined that the CSI/ATSI targeted students are receiving appropriate services/interventions through our Schoolwide Program.

Comments about Resource Inequities (*optional*)

We will...

- Continue SART meetings to discuss family needs/obstacles so we can meet those needs
- Provide attendance for incentives (signs for classes who reach the attendance goals, thank you cards for families improving attendance)
- School nurse to reach out to families of students out for health-related reasons
- Community resources to address obstacles related to chronic absenteeism
- Engage with families to determine what they need (surveys, person-to-person meetings, open communication, and relationship building)
- Capacity building to help build a culture of attendance

Support for Schools as identified in LBUSD's LCAP

Support for Identified Schools

Support for schools is grounded in coaching and professional learning communities. LBUSD has shifted from compliance and at-a-distance supervision practices to a deeply-rooted coaching orientation, partnership in addressing student achievement issues, and a strong emphasis on quality instruction in every classroom, as defined by the district's Understandings Continuum framework. Since 2014, LBUSD has sought to enhance time spent on campuses, with leaders dedicating an average of three to five hours per month on every campus – visits that include classroom observations alongside the principal, data collection related to instructional implementation, and pedagogical guidance for teachers. Comprehensive Support and Improvement (CSI) schools receive even more intense support, particularly in areas like English Language Arts, Mathematics, and graduation rates.

One crucial area of support centers on school-level needs assessments. LBUSD's Research Office provides in-depth data tailored to each site, which are then used to develop interventions in consultation with stakeholders. Academic measures include ELA and Math benchmarks, real-time grades (especially Ds and Fs), and whether students are on track to complete graduation requirements, while non-academic measures cover chronic absenteeism, suspensions, and disciplinary incidents. With assistance from district leaders, curriculum coaches, and other experts, CSI schools drill down by academic skill, by student group, and by logistical factors (e.g., the time of day and location of suspensions). Site staff receive tools and training to create "watch lists" – i.e., lists of classrooms to monitor closely and lists of students who require further interventions. The latter is connected to phone, email, and text communication systems that can help engage families in the process.

Here are specific supports that LBUSD delivered (and will continue to provide moving forward) to help CSI schools develop their plans:

- Level office staff spent additional hours at CSI schools to help principals conduct deeper analyses on chronic absenteeism, suspensions, disciplinary incidents, and survey data related school culture and climate and social-emotional learning. Such analyses were on top of those conducted for academic measures like English Language Arts, Mathematics, and graduation rates. In light of the COVID-19 pandemic, learning loss and other similar issues were also explored.
- Level office staff, curriculum leaders, and other district support departments provided CSI schools with research on successful evidence-based interventions in comparable schools, both at LBUSD and other districts in California. Depending on the programs, the research included either academic studies or best practices. This information was paired with budget information, so that programs can be sustainably developed.
- Level office staff, curriculum leaders, and other district support departments assisted CSI schools with identifying resource inequities by providing reports on current staff levels, budget figures, and logistical data. Through various one-on-one meetings, sites were then guided by content experts in identifying significant resource gaps. For example, a review of a site's English Learner supports would incorporate additional teachers that might be needed, along with the instructional materials, technological software, intervention scheduling design, and other details that would help build out the program, particularly in a distance-learning environment.
- Based on the research and "gap" analyses described in the two previous bullet points, level office staff, curriculum leaders, and other district support departments helped CSI schools select evidence-based interventions. Among the guiding principles that LBUSD promoted in this decision-making process is sustainability – the importance of developing high-impact programs that can be implemented in multi-year timeframes. Given the depth of student needs, it was essential to have a long-term perspective and make adjustments along the way. LBUSD then ensured that CSI schools had training for program implementation.
- Lastly, level office staff, curriculum leaders, and other district support departments helped CSI schools establish monitoring and evaluation systems. Supports included training on how to identify appropriate data to collect (for example, student participation in interventions, related test scores, etc.), how to use LBUSD's "intervention tracker" or similar system, how to schedule data analyses alongside the site visits described above, and how to use feedback for program improvement. In some cases, LBUSD provided CSI schools with sample survey questions for gathering student, parent, and staff perspectives. LBUSD also paired CSI schools with similar partner sites so that data can be compared and promising practices can be shared.

Monitoring and Evaluating Effectiveness

To monitor and evaluate the effectiveness of the CSI plans, quarterly visits will be conducted. These formal visitations will allow site teams to reflect upon their collective efforts and engage colleagues from other schools or district departments for objective feedback.

Quarterly visits will be customized by schools, but follow a common structure:

- **Whole Group Briefing:** The school team (principal, teachers, and support staff) will provide background for the visit by sharing their CSI plans. They will highlight their site data, professional development activities, and key interventions. They will help visitors develop an understanding of their priorities.
- **Classroom Visits:** School team members and visitors will observe classrooms, collecting data and examples that reinforce the school's CSI plans. They will take notes, collect images, and talk to students in order to summarize their observations.
- **Whole Group Debriefing:** School team members will facilitate a debriefing that allows them to understand and affirm the site's continuous improvement efforts. They will focus not only on content delivery, teaching practices, and student actions, but also the various interventions that are being implemented to support struggling learners.
- **Principal Debriefing:** Principals and/or principal supervisors will engage in further discussion regarding next steps. This dialogue will be folded into the regular coaching work described in the previous section.

More broadly, data dashboard tools developed by LBUSD's Research Office will feature "Watch Lists" that allow district and site leaders to monitor the progress of CSI schools, their teachers, and their students. The "Schools to Watch" function will enable appropriate stakeholders to track the percentage of students who are "at-risk," "severely at-risk," "high risk," and "cautiously at-risk" across a broad spectrum of measures, including chronic absenteeism, discipline, reading benchmarks, math facts, course grades, graduation requirements, and high school or college readiness (as applicable). Such real-time data will be used to adjust CSI plans and develop additional interventions for struggling learners.

Atestación:

El Concilio de Plantel Escolar (SSC, por sus siglas en inglés), durante el proceso de desarrollo de un Plan Escolar para el Logro Estudiantil (SPSA, por sus siglas en inglés), se aseguró de que se incluyan intervenciones y servicios de calidad para los estudiantes de bajo rendimiento en el SPSA, con especial atención en los grupos de estudiantes que llevaron a la identificación Apoyo y Mejora Integral (CSI, por sus siglas en inglés)/ Apoyo y Mejora Específica Adicional (ATSI, por sus siglas en inglés).

SSC participó en una evaluación exhaustiva de las necesidades, basada en datos, con el fin de dar prioridad a las necesidades de los estudiantes y analizar las intervenciones / servicios.

Además, el SSC participó en conversaciones sobre las desigualdades de recursos y fue informado sobre los apoyos enumerados en el Plan Local de Control y Rendición de cuentas (LCAP, por sus siglas en inglés) del Distrito con respecto a nuestra identificación como escuela CSI/ATSI. Las inequidades de recursos y la sección CSI del LBUSD se incluyen en este Anexo.

Al aprobar el SPSA para la escuela, el SSC agrega específicamente este Anexo al SPSA como parte de sus responsabilidades de CSI/ATSI.

Fecha de aprobación por el SSC

12/12/23

Firma del director

Firma del presidente del SSC

Inequidad de recursos

Las escuelas elegibles para CSI o ATSI deben identificar y describir cualquier inequidad de recursos identificada como resultado de la evaluación de necesidades requerida. La consideración de las inequidades de recursos puede informar la evaluación de la eficacia de las acciones en el SPSA y proporcionar una base para el establecimiento de metas y/o resultados esperados para los grupos de estudiantes a los que CSI/ATSI está dirigido.

En nuestro análisis de nuestros servicios SPSA, nuestro SSC encontró lo siguiente sobre las desigualdades de recursos para los grupos de estudiantes a los que CSI/ATSI está dirigido:

- No hay inequidades de recursos presentes en nuestro SPSA.** Nuestros estudiantes a los que CSI / ATSI está dirigido son una prioridad y están recibiendo servicios / intervenciones apropiados a través de nuestro programa de toda la escuela.
- Había evidencia de inequidad de recursos antes de que se aprobara el SPSA.** Nuestro SSC hizo ajustes al SPSA con el fin de corregir el problema, y el SPSA ahora está proporcionando servicios / intervenciones apropiadas a través de nuestro programa de toda la escuela.
- Hay alguna evidencia de desigualdad de recursos en el SPSA actual.** Sin embargo, nuestro SSC continuó haciendo ajustes a la SPSA con el fin de asegurar que los estudiantes a los que CSI / ATSI está dirigido reciben servicios / intervenciones apropiadas a través de nuestro programa de toda la escuela.
- Hay alguna evidencia de inequidades de recursos en el SPSA actual.** Sin embargo, nuestro SSC ha determinado que los estudiantes a los que CSI / ATSI está dirigido están recibiendo servicios / intervenciones apropiados a través de nuestro programa de toda la escuela.

Comentarios sobre la inequidad de recursos (opcional)

Lo haremos...

- Continuar con las reuniones de SART para discutir las necesidades/obstáculos de la familia para que podamos satisfacer esas necesidades.
- Proporcionar asistencia para incentivos (letreros para las clases que alcanzan las metas de asistencia, tarjetas de agradecimiento para las familias que mejoran la asistencia)
- La enfermera escolar se comunicará con las familias de los estudiantes por motivos de salud
- Recursos comunitarios para abordar los obstáculos relacionados con el ausentismo crónico
- Involucrarse con las familias para determinar lo que necesitan (encuestas, reuniones persona a persona, comunicación abierta y construcción de relaciones)
- Desarrollo de capacidades para ayudar a construir una cultura de asistencia.

Apoyo para las escuelas según se identifica en el LCAP del LBUSD

Apoyo para Escuelas Identificadas

El apoyo a las escuelas está basado en asesoramiento y comunidades de formación profesional. El LBUSD ha pasado de prácticas de cumplimiento y supervisión a distancia a una orientación de asesoramiento profundamente arraigada, asociación para abordar problemas de logro estudiantil y un marcado énfasis en la instrucción de calidad en cada salón de clases, según lo definido por el marco del Continuo de Entendimientos del distrito. Desde 2014, el LBUSD ha buscado mejorar el tiempo dedicado a los planteles escolares, con líderes que dedican un promedio de tres a cinco horas al mes en cada plantel-visitas que incluyen observaciones en el salón de clases junto con el director, recopilación de datos relacionados con la implementación de la instrucción y orientación pedagógica para los maestros. Las escuelas de Apoyo y Mejora Integral (CSI) reciben un apoyo aún más intenso, particularmente en áreas como artes de lenguaje del idioma inglés, matemáticas e índices de graduación.

Un área crucial de apoyo se centra en la evaluación de necesidades a nivel escolar. La Oficina de Investigación Escolar del LBUSD proporciona datos en profundidad adaptados a cada plantel, que luego se utilizan para desarrollar intervenciones en consulta con las partes interesadas. Las medidas académicas incluyen los parámetros de ELA y matemáticas, las calificaciones en tiempo real (especialmente las D y F), y si los estudiantes están en camino a completar los requisitos de graduación, mientras que las medidas no académicas cubren el ausentismo crónico, las suspensiones y los incidentes disciplinarios. Con la ayuda de líderes del distrito, asesores de plan de estudios y otros expertos, las escuelas de CSI examinan a fondo por habilidad académica, por grupo de estudiantes y por factores logísticos (por ejemplo, la hora del día y la ubicación de las suspensiones). El personal del plantel escolar recibe herramientas y capacitación para crear “listas de vigilancia”, es decir, listas de salones de clases para supervisar de cerca y listas de estudiantes que requieren más intervenciones. Este último está conectado a sistemas de comunicación por teléfono, correo electrónico y texto que pueden ayudar a involucrar a las familias en el proceso.

Aquí hay apoyos específicos que el LBUSD presentó (y continuará proporcionando en el futuro) para ayudar a las escuelas de CSI a desarrollar sus planes:

- El personal de las oficinas por nivel pasó horas adicionales en las escuelas de CSI para ayudar a los directores a realizar análisis más profundos sobre el ausentismo crónico, las suspensiones, los incidentes disciplinarios y los datos de encuestas relacionados con la cultura y el ambiente escolar y el aprendizaje socioemocional. Dichos análisis fueron además de los realizados para medidas académicas como artes de lenguaje del idioma inglés, matemáticas e índices de graduación. A la luz de la pandemia de COVID-19, también se exploraron la pérdida del aprendizaje y otros problemas similares.
- El personal de las oficinas por nivel, los líderes del plan de estudios y otros departamentos de apoyo del distrito les proporcionaron a las escuelas de CSI investigaciones sobre intervenciones exitosas basadas en evidencia en escuelas comparables, tanto en el LBUSD como en otros distritos de California. Dependiendo de los programas, la investigación incluyó estudios académicos o mejores prácticas. Esta información se combinó con la información presupuestaria, para que los programas puedan desarrollarse de manera sostenible.
- El personal de las oficinas por nivel, los líderes del plan de estudios y otros departamentos de apoyo del distrito ayudaron a las escuelas de CSI a identificar las inequidades de recursos al proporcionar informes sobre los niveles actuales del personal, las cifras presupuestarias y los datos logísticos. Por medio de varias reuniones individuales, los planteles escolares fueron guiados por expertos en contenido para identificar brechas significativas en los recursos. Por ejemplo, una revisión de los apoyos para estudiantes que están aprendiendo inglés de un plantel escolar incorporaría los maestros adicionales que podrían ser necesarios, junto con los materiales de instrucción, el software tecnológico, el diseño de la programación de intervenciones y otros detalles que ayudarían a desarrollar el programa, particularmente en un entorno de aprendizaje a distancia.
- Con base en la investigación y los análisis de “brechas” descritos en los dos puntos anteriores, el personal de las oficinas por nivel, los líderes del plan de estudios y otros departamentos de apoyo del distrito ayudaron a las escuelas de CSI a elegir intervenciones basadas en evidencia. Entre los principios básicos que el LBUSD promovió en este proceso de

toma de decisiones está la sostenibilidad, la importancia de desarrollar programas de alto impacto que puedan implementarse en plazos de varios años. Dada la intensidad de las necesidades de los estudiantes, era esencial tener una perspectiva a largo plazo y hacer ajustes en el camino. LBUSD luego se aseguró de que las escuelas de CSI tuvieran capacitación para la implementación del programa.

- Por último, el personal de las oficinas por nivel, los líderes del plan de estudios y otros departamentos de apoyo del distrito ayudaron a las escuelas de CSI a establecer sistemas de supervisión y evaluación. Los apoyos incluyeron capacitación sobre cómo identificar los datos apropiados para recopilar (por ejemplo, la participación de los estudiantes en las intervenciones, los resultados de las pruebas relacionadas, etc.), cómo usar el “rastreador de intervención” del LBUSD o un sistema similar, cómo programar análisis de datos junto con las visitas al plantel escolar descritas anteriormente, y cómo usar la retroalimentación para mejorar el programa. En algunos casos, el LBUSD proporcionó a las escuelas de CSI ejemplos de de la encuesta de muestra para reunir perspectivas de estudiantes, padres de familia y personal. El LBUSD también emparejó las escuelas CSI con planteles asociados similares para que los datos puedan compararse y las prácticas prometedoras puedan compartirse.

Supervisión y evaluación de la eficacia

Para supervisar y evaluar la eficiencia de los planes CSI, se realizarán visitas trimestrales. Estas visitas formales permitirán a los equipos del plantel escolar reflexionar sobre sus esfuerzos colectivos e involucrar a colegas de otras escuelas o departamentos del distrito para obtener comentarios objetivos.

Las visitas trimestrales serán personalizadas por las escuelas, pero siguen una estructura común:

- **Instrucciones a todo el Grupo:** El equipo de la escuela (director, maestros y personal de apoyo) proporcionará antecedentes para la visita compartiendo sus planes de CSI. Destacarán los datos de su plantel escolar, las actividades de formación profesional y las intervenciones clave. Ayudarán a los visitantes a desarrollar una comprensión de sus prioridades.
- **Visitas al salón de clases:** Los miembros del equipo escolar y los visitantes observarán los salones de clases, recopilando datos y ejemplos que refuerzan los planes de CSI de la escuela. Tomarán notas, recolectarán imágenes y hablarán con los estudiantes para resumir sus observaciones.
- **Informe de Grupo Completo:** Los miembros del equipo escolar facilitarán un informe que les permita comprender y afirmar los esfuerzos de mejora continua del plantel escolar. Se centrarán no sólo en la entrega de contenido, las prácticas de enseñanza y las acciones de los estudiantes, sino también en las diversas intervenciones que se están implementando para apoyar a los estudiantes con dificultades.
- **Informe del director:** Los directores y/o supervisores de directores participarán en más conversaciones sobre los próximos pasos. Este diálogo se integrará en el trabajo de orientación regular descrito en la sección anterior.

En términos más generales, las herramientas del tablero de datos desarrolladas por la Oficina de Investigación Escolar del LBUSD incluirán “Listas de Vigilancia” que permiten a los líderes del distrito y del plantel escolar supervisar el progreso de las escuelas de CSI, sus maestros y sus estudiantes. La función “escuelas a observar” permitirá a las partes interesadas apropiadas rastrear el porcentaje de estudiantes que están “en riesgo”, “severamente en riesgo”, “de alto riesgo” y “cautelosamente en riesgo” a través de un amplio espectro de medidas, incluyendo absentismo crónico, disciplina, indicadores de nivel de lectura, operaciones matemáticas, etc. calificaciones del curso, requisitos de graduación y preparación para la escuela preparatoria la universidad (según corresponda). Estos datos en tiempo real se utilizarán para ajustar los planes de CSI y desarrollar intervenciones adicionales para los estudiantes con dificultades.

Holmes Elementary School

SCHOOL-PARENT COMPACT

The **Holmes Elementary School Site Council** and the parents of the students participating in activities, services, and programs funded by Title I, Part A of the Elementary and Secondary Education Act (ESEA) (participating children), agree that this compact outlines how the parents, the entire school staff, and the students will share the responsibility for improved student academic achievement and the means by which the school and parents will build and develop a partnership that will help children achieve the State's high standards.

This school-parent compact is in effect during the 2023-2024 school year.

School Responsibilities

Holmes Elementary School will:

1. Provide high-quality curriculum and instruction in a supportive and effective learning environment that enables the participating children to meet the State's student academic achievement standards as included in our School Plan for Student Achievement (SPSA).
2. Hold parent-teacher conferences (annually in November) during which this compact will be discussed as it relates to the individual child's achievement.
3. Provide parents with frequent reports on their children's progress through Achievement Reports on a semester calendar. Provide parents of students in our special education program with progress reports twice a year.
4. Provide parents reasonable access to staff through the school website and Parent Vue.
5. Provide parents opportunities to volunteer in our VIPS program (VIPS - based on district approval), participate in PTO and observe activities in their child's classroom.

Holmes Elementary School

SCHOOL-PARENT COMPACT

Parent Responsibilities

We, as parents, will support our children's learning in the following ways:

Monitoring attendance.

Ensuring that homework is completed.

Monitoring amount of student screen time.

Volunteering in child's classroom

Participating, as appropriate, in decisions relating to my child's education.

Promoting positive use of my child's extracurricular time.

Staying informed about my child's education and communicating with the school by promptly reading all notices from the school or the school district either received by my child or by mail and responding, as appropriate.

Serving, to the extent possible, on policy advisory groups, such as School Site Council (SSC), Parent Teacher Organization (PTO), & English Language Advisory Committee (ELAC).

Student Responsibilities

I, as a student, will share the responsibility to improve my academic achievement and achieve the state's high standards. Specifically, I will:

Come to school with a scholar attitude, ready to learn and exhibit appropriate behavior.

Do my homework every day and ask for help when I need it.

Read at least 20 minutes (K & 1), 30 minutes (2 & 3) and 40 minutes in (4 & 5) every day outside of school time.

Give my parents or the adult who is responsible for my welfare all notices and information received by me from my school every day.

Escuela Primaria Holmes

PACTO ESCUELA-PADRES

El **Consejo del Sitio Escolar de la Escuela Primaria Holmes** y los padres de los estudiantes que participan en actividades, servicios y programas financiados por Título I, Parte A de la Ley de Educación Primaria y Secundaria (ESEA) (niños participantes), recuerde que este pacto describe cómo los padres, todo el personal de la escuela y los estudiantes compartirán la responsabilidad de mejorar el rendimiento académico de los estudiantes y los medios por los cuales la escuela y los padres construirán y desarrollarán una asociación que ayudará a los niños a alcanzar los estándares altos del Estado.

Este pacto entre la escuela y los padres estará vigente durante el 2023-2024 año escolar.

Responsabilidades de

La Escuela Primaria Holmes:

1. Proporcionará un currículo e instrucción de alta calidad en un entorno de aprendizaje efectivo, y de apoyo que permita a los niños participantes cumplir con los estándares estatales de rendimiento académico estudiantil como se incluye en nuestro Plan Escolar para el Rendimiento Estudiantil (SPSA).
2. Tener conferencias de padres y maestros (anualmente en Noviembre) durante las cuales se discutirá este pacto en relación con el logro individual del niño.
3. Proporcionar a los padres información frecuente sobre el progreso de sus hijos/as a través de informes de logros en un calendario semestral. Proporcionar a los padres de los estudiantes en nuestro programa de educación especial sobre el progreso dos veces al año.
4. Proporcionar a los padres un acceso razonable al personal a través de School Loop y Parent Vue.
5. Proporcionar a los padres oportunidades para ser voluntarios a través de nuestro programa VIPS (VIPS - basado en la aprobación del distrito). Y participar en PTO y observar y participar en PTO y observar las actividades del aula

Escuela Primaria Holmes

PACTO ESCUELA-PADRES

Responsabilidades de los padres

Responsabilidades de los padres

Nosotros, como padres, apoyaremos el aprendizaje de nuestros hijos de las siguientes maneras:

Monitoreando la asistencia.

Asegurarse de que se complete la tarea.

Monitoreo de la cantidad de tiempo de pantalla del estudiante.

Ser voluntario en el salón de clases del niño/a

Participar, según corresponda, en las decisiones relacionadas con la educación de mi hijo/a.

Promover el uso positivo del tiempo extracurricular de mi hijo/a.

Mantenerme informado sobre la educación de mi hijo/a y comunicarse con la escuela leyendo de inmediato todos los avisos de la escuela o del distrito escolar recibidos por mi hijo/a o por correo y respondiendo, según corresponda.

Servir, en la medida de lo posible, en grupos asesores de políticas, como el Consejo del Sitio Escolar (SSC), Asociación de Padres y Maestros, Comité Asesor de Aprendizaje de Inglés ELAC.

Responsabilidades del estudiante

Yo, como estudiante, compartiré la responsabilidad de mejorar mi rendimiento académico y alcanzar los altos estándares del estado. Específicamente, yo :

Iré a la escuela con una actitud de estudiante, listo para aprender y mostrar un comportamiento apropiado.

Hacer mi tarea todos los días y pedir ayuda cuando la necesito.

Leer al menos 20 minutos (K y 1), 30 minutos (2 y 3) y 40 minutos (4 y 5) todos los días fuera del horario escolar.

Entregar a mis padres o al adulto responsable de mi bienestar todos los avisos e información que recibo de mi escuela todos los días.

Holmes Elementary School Family Involvement Guidelines

As a school that receives Title I, Part A (Title I) funds, **Holmes Elementary School** has developed jointly with the members of School Site Council and distributed to families of participating children, School Family Involvement Guidelines, that contains information required by section 1118(b) of the Elementary and Secondary Education Act (ESEA). The Guidelines establish **Holmes Elementary School's** expectations for family involvement and describe how the school will implement a number of specific family involvement activities. The Home-School Compact is incorporated into the School Family Involvement Guidelines.

PART I

Holmes Elementary School agrees to implement the following requirements:

- jointly develop with and distribute to families of participating children, School Family Involvement Guidelines that the school and families of participating children agree on.
- notify families about the School Family Involvement Guidelines in an understandable and uniform format and, to the extent practicable, will distribute these Guidelines to families in a language the family can understand.
- make the School Family Involvement Guidelines available to the local community.
- periodically update the School Family Involvement Guidelines to meet the changing needs of families and the school.
- adopt the school's home-school compact, which addresses the importance of ongoing, meaningful communication (i.e. annual conferences, progress reports, access to staff and opportunities to volunteer in the classroom) between the school and family, as a component of its Family Involvement Guidelines.
- agrees to be governed by the following statutory definition of family involvement, and will carry out programs, activities and procedures in accordance with this definition:

PART II.

DESCRIPTION OF HOW THE SCHOOL WILL IMPLEMENT MANDATORY SCHOOL FAMILY INVOLVEMENT GUIDELINES COMPONENTS

1. **Holmes Elementary School** will take the following actions to involve families in the joint development and joint agreement of its School Family Involvement Guidelines and its schoolwide plan, if applicable, in an organized, ongoing, and timely way under section 1118(b) of the ESEA:
 - Attendance at one of the district trainings or school site training. Topics include:
 - i. Responsibilities & Roles of SSC and its members
 - ii. Composition of SSCs
 - iii. Budgetary considerations
 - iv. Single Plan for Student Achievement
 - v. Role of ELAC and other advisory committees
 - Plan meeting with SSC & ELAC members to review previous year's guidelines and family involvement activities outlined in the Single Plan for Student Achievement
 - i. Invite other families and stakeholders to attend the meeting

- ii. Advertise in Title I Newsletter/school website, at Back-to-School night, through School Messenger, etc.
- At Meeting
 - i. Review Single Plan for Student Achievement, and as a group, note changes and make adjustments (deletions or additions) as necessary
 - ii. Write or update the Family Involvement Guidelines & Home-School Compacts
 - iii. Oral and written translations be made available for Spanish families to allow for discussions
- 2. **Holmes Elementary School** will take the following actions to distribute to families and the local community, the school's Family Involvement Guidelines:
 - At a SSC & ELAC meeting
 - Section of Newsletter/school website
 - Annual Title I Meeting
 - Main Office Counter
 - Back to School Night/via backpack
- 3. **Holmes Elementary School** will update periodically its Family Involvement Guidelines to meet the changing needs of families and the school:
 - At SSC and ELAC meetings
 - Family information meetings
 - School site council must vote to approve the guidelines
- 4. **Holmes Elementary School** will convene an Annual Title I Public Meeting to inform families of the following:
 - The requirements of Title I, how Title I funds are used at this school, and families' right to be involved
 - Hold a flexible number of meetings at varying times
 - Notifications/fliers sent home in language families can understand
 - Announcement made on school marquee, school website, school calendar, and School Messenger
 - Child care provided
- 5. **Holmes Elementary School** will provide updated information to families about Title I programs throughout the school year:
 - Section of Newsletter
 - On Main Office Counter
 - At SSC, ELAC meetings and other family meetings (PTO/BSAI, etc.)
- 6. **Holmes Elementary School** will provide to families a description and explanation of the curriculum in use at the school, the forms of academic assessment used to measure student progress, and the proficiency levels students are expected to meet. **Holmes Elementary** will also provide opportunities for regular meetings to formulate suggestions and to participate, as appropriate, in decisions relating to the education of their children:
 - Family Events 4x/year; Family surveys at least 2x/Year
 - Principal chats
 - In school newsletters
 - Back-to-School night
 - At SSC & ELAC meetings
- 7. **Holmes Elementary School** will coordinate and integrate family involvement programs, with other district programs, including Child Development Center, Head Start, Early Head Start, public preschools, etc., and conduct activities that encourage and support families in participating more fully in the early education of their children by:

- Coordination of Transitional Kindergarten at selected sites
 - Promotion/advertisement of the District's Kindergarten festivals
 - Back to School Bash (Holmes)
8. **Holmes Elementary School** will submit to the district any family comments if the schoolwide plan under section 1114(b)(2) is not satisfactory to families of participating children:
- At School site council meetings

PART III

SHARED RESPONSIBILITIES FOR HIGH STUDENT ACADEMIC ACHIEVEMENT

1. **Holmes Elementary School** will build the schools' and families' capacity for strong family involvement, in order to ensure effective involvement of families and to support a partnership among the school involved, families, and the community to improve student academic achievement, through the following activities specifically described below:
 - District trainings offered for families and staff
 - Family education workshops on site
 - Family-Teacher Conferences
 - Family Workshops posted on district website
 - DCAC, DELAC and other district family forums/meetings
 - District website resources: click "P" for Parent University
2. **Holmes Elementary School** will incorporate the Home-School Compact as a component of its School Family Involvement Guidelines:
 - Outlines shared responsibility of home, school and student in academic achievement
 - Developed, discussed and reviewed at first SSC and ELAC meetings
 - School site council must vote to approve compact
 - Home-School Compact to be sent home via backpack
3. **Holmes Elementary School** will, with the assistance of its district, provide assistance to families of children served by the school in understanding topics such as the following
 - the state's academic content standards
 - the state and local academic assessments including alternate assessments
4. **Holmes Elementary School** will, with the assistance of the district, provide materials and training to help families work with their children to improve their children's academic achievement, as appropriate, to foster family involvement, by:
 - Family Workshops per parent interest surveys (technology and science)
5. **Holmes Elementary School** will, with the assistance of the district and families, encourage the use of a variety of technology to communicate with parents
 - School Messenger (phone calls, emails, text messages)
6. The school will, to the extent feasible and appropriate, take the following actions to ensure that information related to the school and family programs, meetings, and other activities, is sent to the families of participating children in an understandable format and in a language the families can understand:
 - School employee volunteers will be doing the translations of written materials/notifications that are sent to families

* * * * *

**PART IV.
ADOPTION**

Holmes Elementary School's Family Involvement Guidelines have been developed jointly with, and agreed upon by, families of children participating in Title I, Part A programs. The Guidelines were adopted by the site's School Site Council members on 10/24/2023 and will be in effect for the period of one school year. The school will distribute the Guidelines to all families on or before 11/3/2023. Holmes Elementary School, when feasible, will provide a copy of these Guidelines to families in a language the family can understand.

Signature of Principal

Pautas de Participación Familiar de la Escuela Primaria Holmes

Como escuela que recibe fondos del Título I, Parte A (Título I), la **Escuela Primaria Holmes** se ha desarrollado conjuntamente con los miembros del Consejo del Plantel Escolar y distribuido a las familias de los niños participantes, Pautas de Participación de la Familia Escolar, que contiene la información requerida por la sección 1118 (b) de la Ley de Educación Primaria y Secundaria (ESEA). Las pautas establecen que expectativas de para la participación familiar y describen cómo la **escuela Primaria Holmes** implementará una serie de actividades específicas de participación familiar. El Pacto entre el hogar y la escuela está incorporado en las Pautas de participación escolar y familiar.

PARTE I

La **Escuela Primaria Holmes** acuerda implementar los siguientes requisitos:

- Desarrollar conjuntamente y distribuir a las familias de los niños participantes, las Pautas de Participación de la Familia Escolar que la escuela y las familias de los niños participantes acuerden.
- Notificar a las familias sobre las Pautas de participación de la familia en la escuela en un formato comprensible y uniforme y, en la medida de lo posible, distribuirá estas Pautas a las familias en un idioma que la familia pueda entender.
- Poner a disposición de la comunidad local las Pautas de participación escolar y familiar.
- Actualizar periódicamente las pautas de participación de la familia en la escuela para satisfacer las necesidades cambiantes de las familias y la escuela.
- Adoptar el pacto de la escuela entre el hogar y la escuela, que aborda la importancia de la comunicación continua y significativa (es decir, conferencias anuales, informes de progreso, acceso al personal y oportunidades para ser voluntario en el aula) entre la escuela y la familia, como un componente de sus Pautas de participación familiar. .
- Acepta regirse por la siguiente definición legal de participación familiar y llevará a cabo programas, actividades y procedimientos de acuerdo con esta definición:

PARTE II.

DESCRIPCIÓN DE CÓMO LA ESCUELA IMPLEMENTARÁ DE FORMA OBLIGATORIA PAUTAS DE PARTICIPACIÓN FAMILIAR Y COMPONENTES

1. La **Escuela Primaria Holmes** tomará las siguientes acciones para involucrar a las familias en el desarrollo conjunto y el acuerdo conjunto de sus Pautas de participación escolar de la familia y su plan escolar, si corresponde, de una manera organizada, continua y oportuna según la sección 1118 (b) de la ESEA:
 - Asistencia a una de las capacitaciones del distrito o de la escuela. Los temas incluyen:
 - i. Responsabilidades y roles del SSC y sus miembros
 - ii. Composición de los SSC
 - iii. Consideraciones presupuestarias
 - iv. Plan único para el rendimiento estudiantil
 - v. Papel del ELAC y otros comités asesores

- Planificar la reunión con los miembros del SSC y ELAC para revisar las pautas del año anterior y las actividades de participación familiar descritas en el Plan único para Logro de los estudiantes
 - i. Invitar a otras familias y partes interesadas a asistir a la reunión
 - ii. Anunciarse en el boletín de Título I/el sitio web , en la noche de regreso a la escuela, a través de un mensajero de la escuela, etc.
 - En la reunión
 - i. Revisar el plan único para el logro del estudiante y, como grupo, anotar los cambios y hacer ajustes (eliminaciones o adiciones) según sea necesario
 - ii. Escribir o actualizar las Pautas de participación familiar y los pactos entre el hogar y la escuela
 - iii. Se pondrán a disposición de las familias en español en traducciones orales y escritas para permitir las discusiones
2. **La Escuela Primaria Holmes** tomará las siguientes acciones para distribuirlas a las familias y al comunidad local, las Pautas de participación familiar de la escuela:
 - En una reunión de SSC y ELAC
 - Sección de Boletín de noticias/el sitio web
 - Reunión anual del Título I
 - En el mostrador de la oficina principal
 - Noche de regreso a clases/a través de la mochila
 3. **La Escuela Primaria Holmes** actualizará periódicamente sus Pautas de participación familiar para satisfacer las necesidades cambiantes de las familias y la escuela:
 - En las reuniones de SSC y ELAC
 - Reuniones de información familiar
 - El consejo escolar debe votar para aprobar las pautas
 4. **Escuela Primaria Holmes** convocará una reunión pública anual del Título I para informar a las familias sobre lo siguiente:
 - Los requisitos del Título I, cómo se utilizan los fondos del Título I en esta escuela y el derecho de las familias a participar.
 - Realizar un número flexible de reuniones en diferentes momentos
 - Habra Notificaciones/volantes enviados a casa en el idioma que las familias pueden entender
 - Anuncios hechos en el sitio web de la escuela, a través de pagina escolar, el calendario de la escuela, y School Messenger
 - Se proporciona cuidado de niños
 5. **La Escuela Primaria Holmes** proporcionará información actualizada a las familias sobre los programas de Título I durante todo el año escolar:
 - Sección del boletín
 - en el mostrador de la oficina principal
 - En SSC , reuniones de ELAC y otras reuniones familiares (PTO / BSAI, etc.)
 6. **La Escuela Primaria Holmes** proporcionará a las familias una descripción y explicación del plan de estudios en uso en la escuela, las formas de evaluación académica utilizadas para medir el progreso del estudiante, y los niveles de competencia que se espera que alcancen los estudiantes. **La Primaria Holmes** también brindará oportunidades para reuniones regulares para formular sugerencias y participar, según corresponda, en decisiones relacionadas con la educación de sus hijos:
 - Eventos Familiares 4 veces al año; Encuestas familiares al menos 2 veces al año
 - Charlas con el director(a)

- En los boletines
 - Eventos Escolares de Noche de regreso a la escuela
 - En las reuniones de SSC y ELAC
 - Conferencias de padres eh maestros/as
7. **La escuela primaria Holmes** coordinará e integrará los programas de participación familiar con otros programas del distrito, incluidos Centro de desarrollo infantil, Head Start, Early Head Start, pre escolares, etc., y realizar actividades que alienten y apoyen a las familias a participar más plenamente en la educación temprana de sus hijos mediante:
- Coordinación de Kindergarten en sitios seleccionados
 - Promoción / publicidad de los festivales de Kindergarten del distrito
 - Regreso a la escuela (Holmes)
8. **La Escuela Primaria Holmes** presentará al distrito cualquier comentario de la familia si el plan de toda la escuela bajo la sección 1114 (b) (2) no es satisfactorio para las familias de los niños participantes:
- En las reuniones del consejo escolar

PARTE III

RESPONSABILIDADES COMPARTIDAS PARA EL ALTO RENDIMIENTO ACADÉMICO DEL ESTUDIANTE

1. **La Escuela Primaria Holmes** Desarrollará la capacidad de las escuelas y las familias para una fuerte participación familiar, a fin de garantizar la participación efectiva de las familias y apoyar una asociación entre la escuela involucrada, las familias y la comunidad para mejorar el rendimiento académico de los estudiantes, a través de las siguientes actividades que se describen específicamente a continuación:
 - Capacitaciones del distrito que ofrece para las familias y al personal
 - Talleres de educación de la familia en las instalaciones
 - Conferencias Familia y maestros
 - Talleres familiares en el sitio web del distrito
 - DCAC, DELAC y en otros foros de la familia en la vecindad / reuniones
 - De recursos página del internet: haga clic en "P" para la Universidad de Padres
2. **La Escuela Primaria Holmes** incorporará el Pacto entre el hogar y la escuela como un componente de sus Pautas de participación escolar y familiar:
