School Health Advisory Committee Meeting
Date: October 28, 2026
Time: 4:15 p.m.
Location: New Caney ISD Central Administration Building

AGENDA

- Welcome & Introductions
- Review of SHAC's Purpose:

  SHAC stands for Student Health Advisory Council. Our group is an advisory group that will make recommendations to the District, Superintendent, and School Board regarding student health and well-being. Before students can learn, their health needs must be met. This is a collaborative effort, and our stakeholders include parents, community members and organizations, district leaders, and teachers. We will focus on areas such as nutrition, physical education, health education, health services, parent and community involvement, and staff wellness promotion—all contributing to a healthy and safe school environment.
- Elect Parent Co-Chair for 26-27
- Character Strong SEL Presentation, Janet Graczyk, Director of Counseling
- Consideration of Fentanyl Presentations Grades 6-12, Janet Graczyk, Director of Counseling
- Adjournment
