School Plan for Student Achievement
2024-2025

This School Plan for Student Achievement (SPSA) is a plan of actions to raise the performance of all students. The SPSA contains the following:

Needs Assessment

- School Demographics
- English Language Arts
- Mathematics
- English Learners
- Culture/Climate Domain
- SPSA Effectiveness

Accountability Measure I: Increase Achievement

- Core Programs (ELA, Writing, Math)
- Interventions
- Transitions

Accountability Measure II: School Climate

Accountability Measure III: Professional Development

- Professional Development
- Teacher Involvement

Accountability Measure IV: Parents and Community Involvement Assurances

- School Budget for Categorical Programs
- SSC Membership
- ELAC Membership
- ELAC Recommendations
- Assurances, Approval and Signatures

The School Site Council (SSC) completed a comprehensive needs assessment, including analyses of student performance in relation to the state

academic content standards. In order to provide supplemental interventions, the SSC analyzed the academic performance of all students and subgroups, and it considered the instructional program's effectiveness for at-risk students.

The School Site Council aligns the Long Beach Unified School District's Strategic Plan and LCAP into the SPSA. The LCAP Goals are presented at: lbschools.net/lcap. The LCAP Federal Addendum is presented at: lbschools.net/departments/business-and-finance/fiscal-services/state-and-federal-programs/state-and-federal-required-plans

Education Code 52062 (4) requires that the superintendent of the school district review school plans for schools within the school district and ensure that the specific actions included in the local control and accountability plan or annual update to the local control and accountability plan are consistent with strategies included in the school plans submitted.

Progress and components of LBUSD's Strategic Plan, viewable at lbschools.net/departments/strategic-planning, are rooted in the following core values:

- Centering student needs and voice
- Authentic community engagement and collaboration
- Culture of innovation and creativity
- Diversity and inclusion
- Environment that fosters connection, respect and safety
- Equity and social justice
- Excellence and accountability through continuous improvement
- Fostering joy and commitment
- Integrity and responsible leadership

The Board of Education has set goals to help guide the district and schools:

Goal 1: Reading: Proficiency

The percentage of Grade 3 students who meet or exceed grade-level standards on the state English Language Arts SBAC assessment will grow from 48% in June 2023 to 70% by June 2028.

Goal 2: Reading: Acceleration

The percentage of students in Grades 4-8 scoring at the “Not Met” achievement level in the prior year who meet the scale score growth target on the state SBAC-English Language Arts assessment will increase from 28% in June 2023 to 60% in June 2028.

Goal 3: Algebra Proficiency

In pursuit of having more than 80% of Black/African American students meet the Algebra A-G requirement by the end of Grade 9, the proficiency gap between Black/African American students and all other students will decline from 5% in June 2023 to 0% by June 2028.

Goal 4: College & Career Readiness

In pursuit of having more than 66% of Black/African American graduating seniors A-G eligible, the proficiency gap between Black/African American students and all other students will decline from 15% in June 2023 to 0% by June 2028

In addition, the SSC recognizes following recommendations made by the District Community Advisory Committee (DCAC) and the District English Learner Advisory Committee (DELAC):

DCAC Recommendations:

Recommendation 1: Provide more parent involvement and parent education training at all schools, including sending parent participants to conferences in order to empower and train parent leaders.

Recommendation 2: Create and provide a more inviting, safe and welcoming climate/community atmosphere at all sites for all cultures, parents and students.

Recommendation 3: Re-establish district Parent Centers and encourage sites to establish a parent center/parent resource room to better engage and serve parents.

DELAC Recommendations:

1. Monitor the implementation of the district's comprehensive English Language Development (ELD) program in grades K-12th addressing language and academic needs of a diverse EL population from newcomers to Long Term English Learners.
2. Provide parent workshops to build capacity on specific topics such as LCFF, LCAP and SSC to better understand how each functions;
3. Continue to explore programs at sites that address the social/emotional development and well-being of all students, including English Learners
4. Expand tutoring and other intervention programs that are content-specific to meet the student's identified needs including special education students

The SSC recognizes the importance of **Parent and Family Engagement** and emphasizes LBUSD Board Policy 6020:

The Governing Board recognizes that parents/guardians are their children's first and most influential teachers and that continued parent involvement in the education of children contributes greatly to student achievement and a positive school environment. For this reason, the Governing Board will have a written parent involvement policy developed jointly with and agreed upon by parents/guardians and applicable to non-Title I schools.

Parents/guardians shall be notified of their rights to be informed about and to participate in their children's education and of the opportunities available to them to do so.

The district's local control and accountability plan (LCAP) shall include goals and strategies for parent/guardian involvement and family engagement, including district efforts to seek parent/guardian input in district and school site decision making and to promote parent/guardian participation in programs for English learners, foster youth, students eligible for free and reduced-price meals, and students with disabilities. (Education Code 42238.02, 52060)

The Superintendent or designee shall regularly evaluate and report to the Board on the effectiveness of the district's parent/guardian and family engagement efforts, including, but not limited to, input from parents/guardians, family members, and school staff on the adequacy of involvement opportunities and on barriers that may inhibit participation.

Title I Schools

The Superintendent or designee shall involve parents/guardians and family members in establishing district expectations and objectives for

meaningful parent/guardian and family engagement in schools supported by Title I funding, developing strategies that describe how the district will carry out each activity listed in 20 USC 6318, as contained in the accompanying administrative regulation, and implementing and evaluating such programs, activities, and procedures. As appropriate, the Superintendent or designee shall conduct outreach to all parents/guardians and family members. (Education Code 11503; 20 USC 6318)

When the district's Title I, Part A allocation exceeds the amount specified in 20 USC 6318, the Board shall reserve at least one percent of the funding to implement parent/guardian and family engagement activities and shall distribute at least 90 percent of those reserved funds to eligible schools, with priority given to high-need schools as defined in 20 USC 6631. The Superintendent or designee shall involve parents/guardians and family members of participating students in decisions regarding how the district's Title I funds will be allotted for parent/guardian and family engagement activities. (20 USC 6318).

Conclusions from the needs assessment were used to prioritize supplemental programs, materials, professional development, targeted interventions, and other activities that will strengthen the school's academic achievement, close the achievement gap, and provide a safe, civil and productive school.

Action Plan:

*Teachers will continue to use the ELLevation Dashboard and platform to access resources designed to support all learners, especially English language learners.

*Small Group Instruction in every classroom focusing on EL students' needs.

*Literacy Interventionist (District Funded) and Literacy Specialist (Title 1 Funded) work with teachers to analyze data and pull students for intensive small group or 1:1 literacy support

Progress Monitoring

* Teachers will use the ELLevation Dashboard and platform to access and monitor students' current levels. Data sources include: Unit Exams, Performance Tasks, teacher formative assessments, priority standards assessments (PSA), FRSA, SBAC, i-Ready, etc.

* Continued data analysis embedded throughout the school year

* Collaborative Data Study (CDS) - Analyze iReady results and other data to monitor student progress and teacher's next focus area or instructional steps

*The school's Instructional Leadership Team (ILT) meet bi-weekly to monitor and analyze data; intervention groups and programs are adjusted based on findings.

Culture/Climate Goals

MacArthur SEL Goals for 2024-25:

Increase Self Efficacy and Safety by 6% in 2024-25.

Self-Efficacy Action Plan:

To address our current needs indicated in the Pulse and Core Survey, we will support students in strengthening self-efficacy and safety through:

- *Character traits, including self-efficacy, are a focus each month in the classroom and are celebrated at the end of the month in our school-wide spirit assembly.
- *Classroom Teachers, counselors, and administration encourage self-efficacy in students. (Students can earn As, do well on difficult tests, master hard topics, and meet learning goals.)
- *Harmony curriculum is available across all grade levels for goal-setting, morning meetings, meet-ups and buddy-ups, and full-length lessons with slide decks.
- *Self-efficacy lessons are also available to all classroom teachers.
- *Classroom teachers, counselors, and administrators encourage a growth mindset, believing that all students can succeed and are capable of learning challenging material.
- *Revision of school's Equity Inquiry Question (EIQ) to focus on cultural responsiveness
- *PD on culturally responsive pedagogy

Safety & Positive Classroom and Playground Environment Action Plan:

- *Classroom teachers, counselors, and administrators use a progressive discipline system to assist with behavioral concerns.
- *A behavior Incentive system (Blue Slips and Gold Slips) is used to encourage positive individual and class behavior.
- *SOAR assemblies (1-2x per year) ensure students understand what is expected and not permissible (teasing, hitting/pushing when not playing, comments about one's body, and damaging/taking items will be addressed). Posters to follow.
- *The school counselor presents Wellness Lessons to all classes (teasing, hitting/pushing when not playing, comments about one's body, and damaging/taking items will be addressed).
- *Harmony curriculum is available across all grade levels for goal-setting, morning meetings, buddy-ups, and full-length lessons with SEL Lesson slide decks.
- *All board policies, including zero tolerance for bullying or discrimination of any type, are distributed to parents, staff, and students. Posters are placed in the office and every bathroom. All board policies and complaint forms are available in the office and teachers' lounge.
- *Trauma-Responsive Pedagogy Training/Workshops
- *Regularly scheduled safety drills w/ informational PA announcements about the purpose and importance of the drills

Progress Monitoring:

- *PULSE Survey and Core Survey data
- *Student Council will collaborate with staff regarding concerns of the student body
- *Recreation aides will monitor, report, and support implementation and revision of safety procedures.

*PD on culturally responsive pedagogy

Action Plan for Safety & Positive Classroom and Playground Environment:

*Classroom teachers, counselors, and administrators use a progressive discipline system to assist with behavioral concerns.
*A behavior Incentive system (Blue Slips and Gold Slips) is used to encourage positive individual and class behavior.
*SOAR assemblies (1-2x per year) ensure students understand what is expected and not permissible (teasing, hitting/pushing when not playing, comments about one's body, and damaging/taking items will be addressed).
Posters to follow.
*The school counselor presents Wellness Lessons to all classes (teasing, hitting/pushing when not playing, comments about one's body, and damaging/taking items will be addressed).
*Harmony curriculum is available across all grade levels for goal-setting, morning meetings, buddy-ups, and full-length lessons with SEL Lesson slide decks.
*All board policies, including zero tolerance for bullying or discrimination of any type, are distributed to parents, staff, and students.
Posters are placed in the office and every

				bathroom. All board policies and complaint forms are available in the office and teachers' lounge. *Trauma-Responsive Pedagogy Training/Workshops *Regularly scheduled safety drills w/ informational PA announcements about the purpose and importance of the drills Progress Monitoring: *PULSE Survey and Core Survey data *Student Council will collaborate with staff regarding concerns of the student body *Recreation aides will monitor, report, and support implementation and revision of safety procedures.

Describe Teacher Involvement
At MacArthur Elementary, we are committed to providing a rigorous, standards-aligned educational experience that meets the diverse academic and social-

emotional needs of all students. Our approach is rooted in equity, collaboration, and continuous improvement, ensuring that every student thrives in a safe and supportive learning environment.

Our vision is to empower our Eagles to SOAR by fostering strong character and a lifelong love of learning, enabling students to make a meaningful impact in the world. Our mission is to empower every learner through intentional planning, proactive monitoring, and personalized support to achieve success.

Commitment to High-Quality Instruction: MacArthur teachers deliver engaging, standards-based instruction with clear learning intentions and success criteria. We promote critical thinking, problem-solving, and college and career readiness by:

-Delivering Differentiated Instruction & Interventions

- Teachers plan and implement high-quality, standards-based lessons tailored to student needs.
- Small-group targeted interventions ensure students receive additional support while others engage in activities that reinforce and extend their learning.
- Lessons incorporate increasingly complex and culturally relevant texts, fostering connections between content and real-world applications.

-Using Data to Drive Instruction

- Teachers utilize formative, interim, and summative assessments to inform lesson progression and student support.
- The PDSA cycle and LROIX intervention tracking guide data-driven decision-making.
- Student progress is communicated to families through parent conferences and LBUSD Achievement Reports in both semesters.

-Fostering Student Engagement & Collaboration

- Students are encouraged to articulate what they are learning and why by engaging in partner shares, collaborative discussions, and group tasks.
- Instruction is designed to help students apply their learning to real-life contexts, empowering them to make a positive difference in their communities and beyond.

-Prioritizing Professional Growth & Collaboration

- Teachers engage in ongoing, purposeful planning, reflection, and feedback cycles to refine and enhance instruction.
- Professional development is guided by shared values, schoolwide and district focus areas, and our commitment to equity-driven, high-quality teaching.

-Commitment to Equity & Student Support: We recognize that academic success and social-emotional well-being are intertwined. Our Theory of Action (2024-2029) emphasizes the importance of:

- Intentionally planning and delivering high-quality, standards-based lessons.
- Consistently gathering and analyzing evidence of student learning strengths and needs.
- Providing targeted interventions and enrichment opportunities.
- Supporting students' social-emotional well-being to accelerate growth and close achievement gaps among student subgroups.

To further advance equity, our Equity Inquiry Question (2024-2025) guides instructional reflection:
"What evidence is there that the content, experiences, and tasks in my daily lessons connect with students' interests, culture, language(s), community, prior knowledge, strengths, and learning preferences?"

Specialized Support & Inclusive Practices: MacArthur provides Special Education services, including Speech and RSP, as well as co-teaching classrooms (K-3) to support diverse learning needs. Every teacher holds a multiple-subject credential, with many earning additional specialized certifications.

Our Instruction and Intervention Coordinator (IIC) plays a critical role in coaching teachers, supporting curriculum implementation, and refining instructional strategies to enhance student learning. They provide targeted professional development, guide small-group instruction, and use data analysis to ensure interventions and schoolwide supports are effectively implemented. Additionally, our literacy intervention teacher provides coaching, professional development, and direct instructional support to K-2 teachers and students, strengthening early literacy foundations. Both are invaluable members of our team, driving instructional excellence and student success.

By aligning our vision, mission, instructional practices, and professional development with our core values, MacArthur Elementary ensures that all students receive the support they need to succeed academically, socially, and emotionally. Through collaboration, purposeful planning, and a shared commitment to excellence, we are preparing students to SOAR—both in school and beyond.

Centralized Services Share	Counselors, Family Resource Centers, Facilitators, Travel/Conferences, APEX Online, Youth Orchestra Travel/Conferences, CORE	NA

State Programs *	Allocation
LCFF	19600

* It is understood that LCFF funding is district-directed; however, in the spirit of effective stakeholder engagement and transparency, LBUSD has included LCFF activities in the SPSA.

Midyear Adjustments:

The state projects amounts districts receive in Title I and other resources, sometimes making mid-year adjustments to the allotments as a result of the Consolidated Application. While there is often no difference in site allocations, LBUSD will notify affected principals who will announce any adjustment to the SSC.

Title I Reservations

Title I Reservations are used for required or Board-approved services. These reservations are made prior to allocations to sites and designed to provide central services to underserved, underperforming, and/or Title I schools. Listed programs and services are budgeted for the school year and may be slightly altered depending on need and budget adjustments.

Administrative Share & Reservations Title I Program Administration**Parent Involvement** (additional funds beyond the required 1%)

Parent University Staff to help families understand & access information, as well as become a true partner in education. In addition to providing parent trainings, staff works with parent engagement events, such as Education Celebration. Multilingual staff helps support parent engagement activities as well as personalizes information for non-English speaking families.

Homeless Education

Provides homeless students and families with supplies (uniforms, basic needs), social service referrals, transportation, and counseling.

Research/TISB LROIX Development

LROIX is LBUSD's data hub to help schools access pertinent, focused, live data; formulate needs assessments; and create effective interventions. The reservation provides personnel to maintain and develop the complex system.

Program Administration and Personnel to provide leadership:

- Curriculum Instruction and Professional Development (OCIPD): DELAC and EL services
- Early Learning (CDC, Educare, Head Start) - early childhood education, personnel including pre-K teachers of subsidized programs, office assistants
- Equity Engagement and Partnerships (EEP) - parent workshops and community engagement
- State and Federal Programs (SFP): state and federal supplemental programs

Centralized Services**Family Resource Centers**

Services to address students' social, emotional, and behavioral needs at 32 schools, including short-term counseling. The centers work with families to connect them to community resources, school-based services and parent education workshops.

Youth Orchestra

Students receive music opportunities with string instruments and instruction from professional music performers on weekends.

Assistance to Schools**Counselors**

Addresses student well-being, provides and coordinates various mental health supports, and collaborates with the site team to promote academic, behavioral or social-emotional development.

Facilitators

Assists in site engagement and compliance tasks to improve communication, build and strengthen community partnerships, and address goals to improve student achievement.

Travel/Conferences

Enables staff to develop requisite knowledge about programs they lead.

CORE

The CA Office to Reform Education is a partnership of large CA urban school districts. Part of the CORE collaborative is data sharing and accountability, including the CORE surveys of parents, staff and students in grades 4-12 on a range of school climate indicators.

APEX Online

APEX Learning program is a computerized independent learning program, coupled with teacher-directed instruction designed to assist students to address gaps in knowledge.

Foster Youth Transportation

Transportation services for foster youth districtwide, contracted with Los Angeles County Department of Health

Technology

Supplemental technology support and devices to school sites

ELAC Recommendations

Pursuant to Education Code, Section 52176, the school's English Learner Advisory Committee (ELAC) conducted a needs assessment as it pertains to English Learner (EL) students and presented the following recommendations about programs and services that will assist EL students to achieve standards.

Question	Answer
1. Does the school have more than 20 EL students enrolled?	
2. At which ELAC meeting did ELAC approve its Recommendations?	
3. Input ELAC's approved recommendations. These should be services and programs pertaining to EL student achievement:	
4. What types of data did ELAC use to determine the need for the listed recommendations (add any that apply):	
5. At which SSC meeting were the ELAC recommendations presented? Ensure the SSC Agenda and Minutes list the receipt of the ELAC Recommendations	
6. What was SSC's response to ELAC recommendations?	

Assurances & Approval

The School Plan for Student Achievement (SPSA) is meant to consolidate all school-level planning efforts into one plan for programs funded through the Consolidated Application, pursuant to California Education Code, Section 64001 and the federal Elementary and Secondary Education Act, as amended by the Every Student Succeeds Act (ESSA). The SPSA's purpose is to increase the overall effectiveness of the school program by crafting a site strategic plan that maximizes the resources available to the school. The School Site Council (SSC) is required to analyze data as part of a needs assessment, develop the SPSA, which approves programs and services in support of an annual budget to promote student achievement, pursuant to California Education Code, Sections 52853 and 52855. SSC's approach to the utilization of federal resources to support underserved, underachieving students by providing interventions that are aligned with the school and district goals and promote continuous improvement.

Assurances:

1. School Site Council received recommendations from ELAC at the following SSC meeting(s):
2. The SSC approved the **Home-School Compact** on 10/09/2024
3. The SSC approved the **Parent Involvement Guidelines** on 10/09/2024
4. Our School held **two Title I Annual Parent Meetings** (input dates if a Title I school): 09/17/2024, 09/24/2024
5. SSC Participated in the Annual Evaluation of SPSA: 12/11/2024
6. The SPSA was approved at the following SSC Meeting: 12/11/2024

MacArthur Eagles "SOAR to Success"

Home School Compact 2024 - 2025

MacArthur School Staff will:

- Provide an academic program that is *equitable*, rigorous, and challenging for all students.
- Be positive role models for students.
- Communicate on a regular basis regarding the academic progress of your student.
- Provide opportunities for parents to be involved in school activities supporting student achievement. This includes parent conferences, volunteers in the classroom (VIPS), observations, and school governance.
- Provide resources and educational materials that reinforce reading, writing, and math skills.
- *Engage students in social-emotional learning (SEL) by introducing social-emotional [competencies](#)* (self-awareness, self-management, social awareness, relationship skills, responsible decision-making) resulting in students' positive social, emotional well-being and academic development and success.

Parents/Guardians will:

- Commit to [LBUSD Parent Guidelines 2023](#) and LBUSD's mission, [Vision 2035](#), and [core values](#) to "support the personal and intellectual success of every student, every day."
- Send child/children to school regularly, on time, appropriately dressed in uniform, and prepared to learn.
- Read to/with their child/children for at least **15** minutes (K-1) to **20** minutes (2-5) every day.
- Assist their children with their homework assignments and check assignments for completion. Parent signature on homework if the classroom teacher requires it.
- Be involved in school activities by attending at least five functions during the year (Family Nights, Back to School Night, Parent-Teacher Conferences, PTA, Open House).
- Support school staff to help children reach grade-level expectations.
- Reinforce social and emotional learning (**SEL**) competencies at home.

Students will:

- Commit to **MacArthur's Guidelines to Success**.
- **SOAR** (Safe, Open-Minded, Accountable, and Respectful) at all times.
- Dress appropriately for learning and wear uniforms daily.
- Complete class assignments in a timely manner.
- Always do their best.
- Work daily towards **SEL** competencies and maintain a positive "Growth Mindset."

Parent / Guardian **Involvement Guidelines** **2024-2025**

MacArthur Elementary School recognizes that parents/guardians are their children's first and most influential teachers and that continued parent involvement in the education of children contributes greatly to student achievement and a positive school environment.

MacArthur Elementary School has developed, with the members of MacArthur's School Site Council, our school's Parent/ Guardian Involvement Guidelines. These guidelines establish MacArthur School's expectations for parental involvement and describe how the school will implement a number of specific parental involvement activities.

To engage parents/guardians positively in their children's education, MacArthur Elementary School will:

1. Help parents/guardians develop parenting skills and provide home environments that support their children's academic efforts and their development as responsible members of society.
2. Inform parents/guardians that they can directly affect the success of their children's learning and provide them with techniques and strategies that they may use to improve their children's academic success and help their children learn at home.
3. Initiate consistent and effective two-way communication between the home and school so that parents/guardians may know when and how to help their children in support of classroom learning activities.
4. Receive staff training that fosters effective and culturally sensitive communication with the home, including training on how to communicate with non-English speaking parents/guardians and how to give parents/guardians opportunities to assist in the instructional process both at school and at home.
5. Encourage parents/guardians to serve as volunteers in the schools, attend student performances and school meetings, and participate in site councils, advisory councils, and other activities in which they may undertake governance, advisory and advocacy roles.
6. Include parents and guardians of English Language Learners in the development, implementation, and evaluation of core and categorical programs for English learners. Inform parents about how they can be involved in the education of their children and be active participants in assisting their children to achieve English proficiency, achieve at high levels in core academic subjects and meet challenging state academic standards expected of all students.

7. Ensure that all notices, reports, statements, or records sent to the parents or guardians will be translated into the appropriate language. In addition, oral translations of materials will be provided upon the request of the parents, if necessary.

School plans shall delineate specific measures that shall be taken to increase parental involvement with their children's education, including measures designed to involve parents/guardians with cultural, language or other barriers that may inhibit such participation.

PART V

ADOPTION

MacArthur's Family Involvement Guidelines have been developed jointly with, and agreed upon by, families of children participating in Title I, Part A programs. The Guidelines were adopted by the site's School Site Council members on **10/9/24** and will be in effect for the period of one school year. The school will distribute the Guidelines to all families on or before **10/09/24**. MacArthur Elementary, when feasible, will provide a copy of these Guidelines to families in a language the family can understand.
