Welcome to 4th Grade

Dear Future Fourth Grade Families,

We are very excited to welcome you to fourth grade. Some things to look forward to this year are switching classes, and having three teachers to support your academic journey. Your student will have the opportunity to engage in project based learning, creative writing assignments, hands on science lessons, and working collaboratively in a thinking classroom. Please encourage your students to continue practicing their skills throughout the summer by visiting your local library/reading, practicing math facts, and staying inquisitive.

Your Fourth Grade Team

Mrs. Neiman
