School Plan for Student Achievement

This School Plan for Student Achievement (SPSA) is a plan of actions to raise the performance of all students. The SPSA contains the following:

Needs Assessment

- School Demographics
- English Language Arts
- Mathematics
- English Learners
- Culture/Climate Domain
- SPSA Effectiveness

Accountability Measure I: Increase Achievement-

- Core Programs (ELA, Writing, Math)
- Interventions
- Transitions

Accountability Measure II: School Climate

Accountability Measure III: Professional Development

- Professional Development
- Teacher Involvement

Accountability Measure IV: Parents and Community Involvement Assurances

- School Budget for Categorical Programs
- SSC Membership
- ELAC Membership
- ELAC Recommendations
- Assurances, Approval and Signatures

The School Site Council (SSC) completed a comprehensive needs assessment, including analyses of student performance in relation to the state

academic content standards. In order to provide supplemental interventions, the SSC analyzed the academic performance of all students and subgroups, and it considered the instructional program's effectiveness for at-promise students.

The School Site Council aligns the Long Beach Unified School District's Strategic Plan and LCAP into the SPSA. The LCAP Goals are presented at: http://www.lbschools.net/Departments/Local_Control/. The LCAP Federal Addendum is presented at: http://www.lbschools.net/Departments/EACCR/lea_plan.cfm.

Education Code 52062 (4) requires that the superintendent of the school district review school plans for schools within the school district and ensure that the specific actions included in the local control and accountability plan or annual update to the local control and accountability plan are consistent with strategies included in the school plans submitted.

The LBUSD Strategic Plan (2017-2022), which can be viewed at http://www.lbschools.net/Departments/Strategic_Planning/, has the following goals:

- · Ensure equitable opportunities for every student
- Provide a safe, welcoming, respectful and rigorous learning environment for every member of the school community.
- Promote academic growth for every student.
- Establish college and career readiness for every student.
- Support effective communication throughout the district.

In addition, the SSC recognizes following recommendations made by the District Community Advisory Committee (DCAC) and the District English Learner Advisory Committee (DELAC):

DCAC Recommendations:

- **Recommendation 1:** Teachers/school staff train parents in English Language Arts, Math, and other critical topics (such as A-G, SAT, PSAT, Career Pathways, SBAC, etc.) in order for parents to assist students to succeed in school.
- **Recommendation 2:** Execute technology purchases to bring computers up-to-date to meet students' needs. Also, provide parent training in the computer programs and applications that are used in school so parents can assist their children at home.
- **Recommendation 3:** Create parent leadership programs for all parents, with an emphasis on assisting early childhood/preK parents to introduce the LBUSD system.

Recommendation 4: Create additional, continuous training for all teachers to better serve special education students, African American students,

Pacific Islander students, at-risk students, long-term English Learners, and English Learners (specifically emphasizing reclassification training).

- **Recommendation 5:** Provide prevention and intervention support and services to continue to reduce the achievement gap for special education students, African American students, Pacific Islander students, long-term English Learners, English Learners, and other at-risk students.
- **Recommendation 6:** Provide more parent involvement and parent education training at all schools, including sending parent participants to conferences in order to empower and train parent leaders.
- **Recommendation 7:** Create and provide a more inviting, safe and welcoming climate/community atmosphere at all sites for all cultures, parents and students.
- **Recommendation 8:** Re-establish district Parent Centers and encourage sites to establish a parent center/parent resource room to better engage and serve parents.
- Recommendation 9: Expand Female and Male Leadership programs at schools to provide more opportunity for under-represented students.
- **Recommendation 10:** Expand tutoring and other intervention programs that emphasize content-specific instruction to meet the individual needs of non-proficient students, including before/after school, Saturday school, "double dose" courses, and Summer school, also considering preK students.
- **Recommendation 11:** Expand Summer School opportunities, especially for "transition" grade levels. Explore adding social-emotional and growth mindset instruction for summer programs.
- **Recommendation 12:** Work with college partners to provide quality transitional counseling and mentoring services to students, including goal setting, course planning and guidance from current college students.
- **Recommendation 13:** Expand programs of instruction to the educational system to new families, including civics education.
- **Recommendation 14:** Ensure that school sites have resources that are necessary to implement recommended programs, especially programs designed to close the achievement gap.
- Recommendation 15: Provide workshops on values and character building that contribute to a safe, civil and productive school.

DELAC Recommendations:

- 1. Monitor the implementation of the district's comprehensive English Language Development (ELD) program in grades K-12th addressing language and academic needs of a diverse EL population from newcomers to Long Term English Learners.
- 2. Continue to identify students in need of interventions in English language arts focusing on reading comprehension and math in order to provide individualized services for these students;

- 3. Provide and implement research-based intervention programs either before, after school and/or during summer months to ensure that all EL students' academic needs are being targeted and met through supplementary instructional programs;
- 4. Support a welcoming environment which includes bilingual office staff who speak the language and understand the services and resources available for parents and ELs at sites with high EL population; and staff to focus on a more personal approach when working with parents;
- 5. School sites need to invest time in parents and need to do a better job in providing communication between school and parents;
- 6. Provide and implement and monitor/assess highly effective instructional intervention programs in developing oral language proficiency, reading and writing in English for all ELs, RFEPS and LTELs; to include an update to parents and other advisory committees on what programs and services are being provided at schools sites to address;
- 7. Provide parent workshops to build capacity on specific topics such as LCFF, LCAP and SSC to better understand how each functions;
- 8. Create additional continuous trainings for all teachers to better serve English Learners, Long Term English Learners and RFEPS in Math, English and English Language Development (ELD);
- 9. Continue to implement high quality teacher training for all adopted textbook series, with special emphasis on the new ELD curriculum adoption;
- 10. Continue to explore programs at sites that address the social/emotional development and well-being of all students, including English Learners
- 11. District to continue to promote parental engagement and to motivate parents to become more involved in their children's education and to increase opportunities for parents to attend parent workshops to ensure that they can support their children at home;
- 12. Provide more parent involvement and parent education training at all schools, including sending DELAC representatives to conferences in order to empower and train parent leaders;
- 13. Expand tutoring and other intervention programs that are content-specific to meet the student's identified needs including special education students;
- 14. Collaborate with our neighboring universities to coordinate mental health workshops for parents and students
- 15. Establish a structured program that is implemented districtwide for tutoring EL students (before, after-school) which ensures that teachers are delivering high-quality lessons addressing the needs of EL students. In addition, district to monitor these programs to ensure effective implementation as intended and are having a positive impact for EL students.
- 16. Continue to support the implementation and expansion of bilingual pathway programs with the passage of Proposition 58; not limited to only dual immersion programs but also to include developmental bilingual educational programs
- 17. To access the periodic review of the authorized and agreed upon DELAC recommendations in order to understand the effectiveness of programs and services for EL students

The SSC recognizes the importance of Parent and Family Engagement and emphasizes LBUSD Board Policy 6020.1, which contains the

following fifteen components:

- 1. Involving parents/guardians in the joint development of the district's planning efforts for providing programs that increase the academic quality of schools and including parents in the process of school review and improvement;
- 2. Consulting on an ongoing basis with parents/guardians concerning the manner in which the school and parents/guardians can work together to identify objectives, plan, design, implement, and evaluate school programs to ensure student academic achievement and school performance;
- Providing the coordination, technical assistance, and other support necessary to assist schools in planning and implementing effective parent/family involvement activities to improve student academic achievement and school performance; at least 1 percent of the district's Title I, Part A funds will be reserved for parental involvement and 95% of those funds will be distributed to schools, where parents of Title I students shall be involved in the decisions to be used for parental involvement programs;
- 4. Supporting the efforts of parents/guardians in working with their children to understand/attain the State Academic Content and Performance Standards, assessments being used, the requirements of Title I, Part A, and the monitoring of their children's progress and work with teachers to improvement achievement and social development;
- 5. Building parent capacity for meaningful parental involvement and providing opportunities to help parents/guardians strengthen their parenting and literacy skills to improve their child's academic success and social development, including, but not limited to, such topics as ensuring appropriate learning conditions at home, helping their child at home with schoolwork, and fostering a growth mindset, self-efficacy and self-management skills.
- 6. Ensuring that information related to school and parent programs, meetings, and other activities is sent to the parents of participating children in a format, and to the extent practicable, in a language the parents can understand; when 15 percent or more of the student population at the district or school site speak a single primary language other than English, all notices, reports, statements, or records sent to a parent/guardian of any such student by the school or school district, are in addition to being written in English, written in the primary language(s);
- Informing parents/guardians of participating children of the (a) reasons their children are participating in the program(s), (b) specific instructional objectives and methods of the program(s), and (c) the academic performance of their child's school and of the options they have to ensure appropriate educational placement of their student;
- 8. Training parents/guardians and teachers to build a partnership between home and school to increase student achievement and promote effective two-way communication in a language all parents can understand; providing School-Home Compacts that set out the respective responsibilities of the school staff, parents and students in striving to raise student achievement;
- 9. Encouraging parents/guardians to assume school and district leadership roles in governance, advisory, and advocacy decision-making processes; providing parents with an opportunity to submit dissenting views to the district if a school's parent involvement guideline s or Single Plan for Student Achievement are not acceptable to them;

- 10. Providing professional development for teachers, pupil services personnel, principals and other staff, with the assistance of parent input, on ways to reach out to, communicate with and implement parent programs that build partnerships between parents and the schools;
- 11. Involving parents/guardians in annual evaluations of the content, effectiveness, and relevance of the District's Parent Involvement Policy and Parent Involvement Guidelines at the school site level in improving the academic quality of the schools, including identifying barriers to greater student achievement and using the findings of such evaluations to design strategies for more effective involvement of parents and families and uses the findings of the evaluation to design more effective parental involvement and revise the policy, as necessary;
- 12. Coordinating and integrating Title I, Part A parental involvement programs and strategies with parent involvement strategies of other programs, including with the district's Child Development Centers (CDC), Head Start, and other preschool programs that encourage parent participation, seamless transitions and greater success of preschoolers;
- 13. Coordinating and maintaining Parent Resource Centers (as budget allows) that provide literacy training, home-learning activities, and the guidance parents need to support their child's academic success.
- 14. Helping parents/guardians acquire needed services through identified school district and community resources; providing other reasonable support for parent involvement activities as parents may request;
- 15. Establishing a district parent advisory council (DCAC) with representatives from each school, to provide advice or input on matters related to parent involvement, allotted Title I funds at the school site level and awareness of funded programs.

Conclusions from the needs assessment were used to prioritize supplemental programs, materials, professional development, targeted interventions, and other activities that will strengthen the school's academic achievement, close the achievement gap, and provide a safe, civil and productive school.

English-Language Arts

Written Analysis - ELA Findings

Written Analysis

57% of students scored Met or Exceeded on SBAC ELA. This is a 3% decrease from the previous year. 3rd grade - 50%. 4th grade - 63%. 5th grade - 58%. 40% of African American students scored Met or Exceeded. This is a decreased score for African American students, however, there was a decrease overall. The achievement gap between all students and African American students remains at 17%.68% of students met their growth target on i-Ready ELA. This is a 11% increase from last year.SBAC and i-Ready show a need in accelerating academic achievement in ELA for our African American students (17% Achievement Gap on SBAC). 5th grade students have the lowest percentage of students Early On or Above Grade Level at 65%.

Comprehensive Needs Assessment

English-Language Arts

Written Analysis - ELA Goals

Written Analysis

An overall 3% decrease on SBAC ELA scores and a 17% achievement gap shows a need for improvement ELA. Therefor our goal is for every student to make at least one years growth indicated by i-Ready ELA results.65% of 3rd through 5th grade students will score proficient or advanced on CAASPP-SBAC. In order to increase ELA scores, the literacy lead will coach teachers in the K-2 classrooms on foundation reading skills instruction, In addition to the literacy teacher and IIC pulling tier 2 groups to bridge the achievement gap. K-2 Teachers will also attend QCI trainings two times per year and complete multiple PDSA professional development cycles that connect to the training received at the district QCI trainings. To monitor progress throughout the year we will analyze data from IReady, district assessments, and FRSA.

Mathematics

Written Analysis - Math Findings

Written Analysis

53% of students scored Met or Exceeded on SBAC Math. This is a 4% increase from the previous year. 3rd grade - 43%. 4th grade - 60%. 5th grade - 56%. 37% of African American students scored Met or Exceeded. There is a 16% achievement disparity between African American students and the overall achievement level for the school.63% of students in grades 1st - 5th met their one years growth target on i-Ready. 60% of African American students met their one years growth target on i-Ready. 60% of African American students met their one years growth target on i-Ready. 63% of students in grades 1st - 5th scored Early On or Above Grade Level on the 3rd administration of i-Ready. 50% of African American students scored Early On or Above Grade Level on the 3rd administration of i-Ready. There is a 13% achievement disparity between African American students and the overall level for the school.SBAC data shows a need in accelerating academic achievement in math for our African American students (16% achievement gap). 2nd grade students had the lowest percentage of students meeting their growth target on i-Ready (47%).

Comprehensive Needs Assessment

Mathematics

Written Analysis - Math Goals

Written Analysis

An achievement gap of 16% for our African American population shows a need to improve math instruction in grades 3-5. Therefor our goal is for every student to achieve at least one years growth indicated by i-Ready math results.60% of students in 3rd through 5th grade will score proficient or advanced on Caaspp-SBAC. Our action plan includes to have the math lead coach teachers in culturally responsive lessons that engage students in mathematical practices. 3-5 teachers will also attend QCI trainings two times per year and complete multiple PDSA professional development cycles that connect to the training received at the district QCI trainings. To monitor progress we will analyze data from IReady and district unit assessments.

English Learners

Written Analysis - English Learner Findings

Written Analysis

25% of students learning English as a second language scored well developed on ELPAC. Thirty one students enrolled at Madison are learning English as a second language. Six students have been learning English as a second language for 5 or more years. Twelve students were redesignated as RFEP last year. Madisons total cumulative EL redesignation rate was 29%.

Comprehensive Needs Assessment

English Learners

Written Analysis - English Learner Goals

Written Analysis

Due to the amount of students who have been learning English as a second language, and the designation rates Madison's goal for students learning English as a second language is for every student to be redesignated before 5th grade. The action plan to achieve this goal includes the literacy teacher and IIC working with the ELL population on foundational skills. In addition to the K-2 teachers receiving QCI training in order to improve ELA instruction. Teachers also provided designitated ELD instruction based on students' needs and ELD standards. We will monitor progress on this goal by analyzing data from the IReady and district assessments.

Culture/Climate Domain

Written Analysis - Culture/Climate Findings

Written Analysis

The overall attendance rate was 91.7%. Kindergarten had the lowest attendance rate at 89.7% along with Special Education at 87%. 120 students were chronically absent (30%) with higher percentages of chronic absenteeism in EL and Special Education students.

Comprehensive Needs Assessment

Culture/Climate Domain

Written Analysis - Culture/Climate Goals

Written Analysis

Due to the high chronic absent rate and the low overall attendance rate last year, Madison's goal is the overall attendance rate will be no lower than 95% and Chronic absenteeism will be no higher than 7%. Our action plan is that with support from the counselor, IOA, SEL Facilitator and LBUSDs All In program we will be able to connect with families to improve attendance. We will monitor progress by analyzing monthly data based on sub groups.

School Budget for Categorical Programs

The following site budget represents programs funded through the Consolidated Application. This Budget summary lists the funds that are to be consolidated as part of a schoolwide program. The SPSA's budgeted activities have been approved by the School Site Council and are in compliance with program regulations.

| Federal Programs (to Consolidate) | Allocation |
|--|------------|
| Title I (3010) | 119309 |
| Title I Parent and Family Involvement (3008) | 1722 |

The following amounts are the school's share of Title I required and allowed reservations:

| Share | Services | Amount |

| Administrative Share | Services provided to sites as part of Title I program leadership: EEP and Early Childhood Education; Additional reservation for Parent Involvement (over 1% requirement); Homeless Education; Reading Intervention/Private Schools; Foster Care Social Worker; TK Teachers; Behavioral Specialist; Male/Female Leadership Academy; Research LROIX Development. | NA |
| Centralized Services Share | Middle School Summer Bridge, Homework Helpline 562.437.2859, Travel/Conferences, Education Celebration, CORE, Data PD/ Summer Admin PD, Supplemental Examinations (GORT), Kinder Festival, Robotics, SEAL Summer Program, SSC Institute, APEX Online, Harmony Project. | NA |

| State Programs * | Allocation |
|------------------|------------|
| LCFF | 27300 |

* It is understood that LCFF funding are district-directed; however, in the spirit of effective stakeholder engagement and transparency, LBUSD has included LCFF activities in the SPSA.

Spring Adjustment:

During the beginning of the school year, the state projects the amount that the district receives in Title I and other resources and sometimes adjustments are made mid-year to the allotment, as a result of the Consolidated Application (completed annually in February). Although most years, there is no difference in the site allocations. In the event that there is an adjustment, LBUSD will notify all site principals, who will announce the adjustment to the SSC.

Title I Reservations

Title I Reservations are used for required or Board-approved services. These reservations are made prior to Title I allocations to school sites and are designed to provide central services to Title I and/or underserved, underperforming schools. Listed programs and services are budgeted for the school year and may be slightly altered depending on need changes and budget adjustments.

Administrative Share & Reservations Title I Program Administration

Equity, Engagement & Partnerships (EEP), **State and Federal Programs** (SFP): Personnel to provide leadership for state and federal supplemental programs, Parent University offering parent workshops and community engagement. Early Childhood Education (CDC, Educare, Head Start): Personnel (incl. pre-K teachers of subsidized program, office assistants)

Parent Involvement (additional funds beyond the required 1%)

Parent University Staff to help families understand & access information, as well as become a true partner in education. In addition to providing parent trainings, staff works with parent engagement events, such as Education Celebration. Multilingual staff helps support parent engagement activities as well as personalizes information for non-English speaking families.

Homeless Education

Providing homeless students and families with supplies (uniforms, basic needs), social service referrals, transportation, and counseling.

Social Worker: Foster Care

Provides ongoing intensive case management services for foster youth and families, maintaining compliance with AB216 and AB490 regarding foster rights. In addition, collaborates with community partners to address foster youth needs, including with DCFS for tracking and consultation. Provides trainings for site counselors and staff.

Behavior Specialist

Works with elementary schools to ensure that schools are using best practices when working with Tier 2 students not experiencing success with self-control.

Male and Female Leadership Academy

The leadership academies strive to improve the graduation rate of underrepresented promising students and develop successful leaders by addressing the multi-faceted issues facing young women and men. The reservation provides personnel at high needs schools to coordinate the

academies.

Research LROIX Development

LROIX is LBUSD's data hub to help schools access pertinent, focused, live data; formulate needs assessments; and create effective interventions. The reservation provides personnel to maintain and develop the complex system.

Centralized Services

Middle School Summer Bridge

Provides a summer math program focusing on students needing a "head start" prior to entering the next middle school grade level.

Homework Helpline 562.437.2859

Homework Helpline consists of teachers guiding students through homework assignments via the telephone. The service is free to LBUSD students.

Travel/Conferences

Enables staff to develop requisite knowledge about the program(s) they lead.

Education Celebration

The annual Education Celebration features K-8 schools in one location to engage parents about site programs and features. In addition to the schools, city representatives and district resources are also present to engage parents.

CORE

The CA Office to Reform Education is a partnership of large CA urban school districts. Part of the CORE collaborative is data sharing and accountability, including the CORE surveys of parents, staff and students in grades 4-12 on a range of school climate indicators.

Data PD / Summer Admin PD

This pre-service professional development is designed for site leaders to engage in analyzing new data and begin the planning process for student needs assessment, closing the achievement gap and addressing school goals.

Supplemental Examinations

These specialized exams are supplemental and are intended to augment district formative assessments to better understand student

achievement and skill acquisition.

Kinder Festivals

The K-Fests are a series of parent involvement activities designed to introduce entering Kinder families to the system, including live student groups with teachers, parent resources and training to understand the kinder curriculum and expectations.

Robotics

These supplemental materials are designed to assist in research and special programs related to STEM.

SEAL Summer Program

The Summer Enrichment and Learning (SEAL) program provides students instruction in a variety of coursework during the summer break. Students are provided learning opportunities to strengthen skills.

APEX Online

APEX Learning program is a computerized independent learning program, coupled with teacher-directed instruction designed to assist students to address gaps in knowledge.

Youth Orchestra

Music instruction and opportunities on weekends. Students receive instruction from professional music performers in string instruments.

ELAC Recommendations

Pursuant to Education Code, Section 52176, the school's English Learner Advisory Committee (ELAC) conducted a needs assessment as it pertains to English Learner (EL) students and presented the following recommendations about programs and services that will assist EL students to achieve standards.

| Question | Answer |
|--|--|
| 1. Does the school have more than 20 EL students enrolled? | Y |
| 2. At which ELAC meeting did ELAC approve its Recommendations? | 11/02/2023 |
| 3. Input ELAC's approved recommendations. These should be services and programs pertaining to EL student achievement: | To increase amounts of Parent Workshops and communication. Some examples of workshops could include "How to help your child at home with math and reading." SEL Facilitator can provide workshop on SST process and how to ask for help. |
| 4. What types of data did ELAC use to determine the need for the listed recommendations (add any that apply): | Reclassification Data Language Census Data EL Attendance Rates |
| 5. At which SSC meeting were the ELAC recommendations presented? Ensure that the SSC Agenda and SSC Minutes list the receipt of the ELAC Recommendations | 11/14/2023 |
| 6. What was SSC's response to ELAC recommendations? | SSC thanks ELAC for their recommendation. SSC approved for \$1,000 of Parent Involvement funds be spent on materials and additional hourly for teachers to provide parent workshops. |

Assurances & Approval

The School Plan for Student Achievement (SPSA) is meant to consolidate all school-level planning efforts into one plan for programs funded through the Consolidated Application, pursuant to California Education Code, Section 64001 and the federal Elementary and Secondary Education Act, as amended by the Every Student Succeeds Act (ESSA). The SPSA's purpose is to increase the overall effectiveness of the school program by crafting a site strategic plan that maximizes the resources available to the school. The School Site Council (SSC) is required to analyze data as part of a needs assessment, develop the SPSA, which approves programs and services in support of an annual budget to promote student achievement, pursuant to California Education Code, Sections 52853 and 52855. SSC's approach to the utilization of federal resources to support underserved, underachieving students by providing interventions that are aligned with the school and district goals and promote continuous improvement.

Assurances:

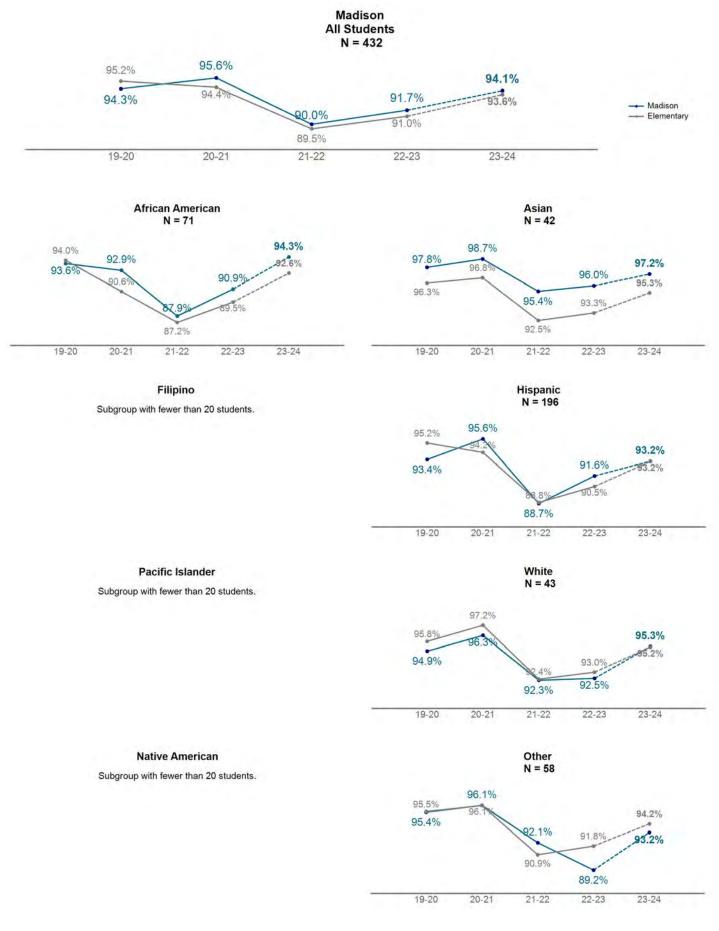

- 1. School Site Council received recommendations from ELAC at the following SSC meeting(s): 11/14/2023
- 2. The SSC approved the Home-School Compact on 10/17/2023
- 3. The SSC approved the Parent Involvement Guidelines on 10/17/2023
- 4. Our School held two Title I Annual Parent Meetings (input dates if a Title I school): 09/06/2023, 09/12/2023
- 5. SSC Participated in the Annual Evaluation of SPSA:10/17/2023
- 6. The SPSA was approved at the following SSC Meeting: 11/14/2023

Dear Students, Parents, and Staff,

As principal of Madison Elementary School I encourage the use of this contract to increase knowledge of what should be done as a minimum by us all and to increase communication. We have all made commitments to each other by signing this document. If you ever have questions about how these promises can be fulfilled, do not hesitate to ask your child's teacher, our school counselor, or me. Please, never hesitate to contact the school with your questions.

Madison Elementary School Family Involvement Guidelines

As a school that receives Title I, Part A (Title I) funds, Madison has developed jointly with the members of School Site Council and distributed to families of participating children, School Family Involvement Guidelines, that contains information required by section 1118(b) of the Elementary and Secondary Education Act (ESEA). The Guidelines establish Madison's expectations for family involvement and describe how the school will implement a number of specific family involvement activities. The Home-School Compact is incorporated into the School Family Involvement Guidelines.

PART I

Madison agrees to implement the following requirements:

- jointly develop with and distribute to families of participating children, School Family Involvement Guidelines that the school and families of participating children agree on.
