Counselor's Corner – Lori Donaldson – 706-283-4700, ext. 2309 lori.donaldson@elbert.k12.ga.us

Elbert County Primary School is continuing to focus on attendance this year! Attendance is so important for so many reasons: social interaction, learning, and maintaining positive goals for the future. School provides students with all of these opportunities and is so important each and every day. We are thankful for our parents, teachers, and staff, for helping to restore a routine for showing up to school and supporting students and families. Daily routines are essential for reducing stress and creating a sense of security for students and adults. **Please take steps to keep your child healthy and send them to school unless they are truly sick.** Every day of school is an important opportunity for students to learn as well as connect to peers and their teachers. During this fall season of gratitude, we thank:

- Our students and their families who do their best to show up to class every day even when it isn't easy.
- Our teachers who have gone above and beyond to help make school a welcoming learning environment where students can thrive.
- Our administrators who help us work together to ensure we are healthy and safe, feel a sense of community and experience the excitement of an engaging learning environment.
- Our many, many healers and helpers - the support staff and community volunteers who provide the extra hands and attention our children need.
