Career Development Plans

Beginning in the 2024-2025 school year, NC Senate Bill 193 requires that all students in grades 6-12 have a career plan. A student's initial career plan will be created by the end of their 6th grade year and then revised annually through 12th grade. UCPS will utilize Major Clarity as the platform for students to create their career plan. This can be accessed by students through Clever. Parents are encouraged to review their student's career plan with them each year.

Required components of a Career Development Plan (CDP):
Update to date Career Assessment
Update to date Learning Assessment
Pathway Selection
Academic Course Planning
Creation of a Career Portfolio/Plan
Items that may be included:
Resume, FAFSA Completion, Post Secondary Plans,
Add activities, awards, credentials and test scores

Through assessments, academic planning, and exploration of careers and postsecondary options, students will develop a deeper understanding of their interests, skills, and strengths.

Porter Ridge High School is committed to guiding students through this process and will collaborate with them during Advisory and other meetings to ensure every student achieves full completion.
