Thank you for reviewing this manual, thoroughly understanding its contents, and abiding by the specifications provided. Should you have any questions regarding any content involved within this brand guide, please contact **communications@olsd.us**

SCHOOL CREED

A creed is a statement of shared beliefs, values, and aspirations within a community that strongly influences good character development. It instills a sense of pride and honor in students, teachers, and staff. The school creed should inspire, motivate, and challenge. It includes powerful affirmations that can be used to hold students and staff accountable for their daily actions and decisions.

COLOR VARIATIONS

Frequently it may be desirable to place the Orange High School logo marks on a field of color. On dark backgrounds, a white or orange outline may be needed around the logo marks to provide clear separation from its background. Single color variations of the Orange High School logo marks are also acceptable to use.

Never use the logo marks on a complex or busy background. Additionally, never use the logo marks on a background that doesn't offer sufficient contrast. (eg. a royal blue mark on a black background)

LOGO MODIFICATIONS

Secondary wording in the activity logo can be changed to reflect individual names, clubs, organizations and/or sports.

The text within the banner is editable and can be customized to fit your needs. To do this, you will need a vector based program; such as Adobe Illustrator or Corel Draw. Simply highlight the text and type in the name of your desired sport, club or event. Spacing and size of lettering will need to be adjusted for any replacement text to stay cohesive with the brand. (eg. Track and Field)

Do not change or modify any graphical elements of the logo marks. Any addition of text or illustrations should not overlap or impede the marks in an unflattering way.

Highlights and/or shadows may be omitted to enhance the logo in various printing applications and where limited color variations are needed. (eg. embroidery)

Requests for personalized logos can be obtained by contacting the Orange High School Principal, Athletic Director, or the Olentangy Communications Department at brandrequests@olsd.us

The patriotic artwork is not intended to be used in lieu of traditional Orange High School logo marks. No other variations or motifs representing other countries will be accepted.

Requests for personalized logos can be obtained by contacting the Orange High School Principal, Athletic Director, or the Olentangy Communications Department at brandrequests@olsd.us

BRAND COLORS

The use of color is an integral component in the creation of a memorable brand—consistent colors in our communications across print and web strengthens the Orange High School identity. Different color formats are required for different applications. For consistency within documents, use only one format per document; for print, use CMYK and for on-screen, use RGB.

Primary Colors
Royal blue and orange make up the primary brand colors. They should be used in most applications such as banners, signage, apparel, etc.

Retail & Uniform Applications
Always match the Orange High School brand colors as closely as possible in thread, fabric, ink, etc. Neutral fabric colors such as navy, black, gray and white are also acceptable for general fashion gear, uniforms, or club gear. For information on using the logo marks on different background colors, see page 9.

TYPOGRAPHY

Maintaining consistency in typographic style is essential to creating a memorable identity and also minimizes visual confusion. The consistent use of these typefaces will make for a recognizable and strong identity.

Yearbook Solid and **Nissan** are the primary fonts that make up the Orange High School logo. Yearbook Solid and Nissan Regular should be used for your school name and used when identifying a sport, department, club or other secondary priority associated with the school.

Heather Oliver is a modern script font that helps bring energy and enthusiasm into the Orange High School brand. This versatile script typeface includes many different alternates for each lowercase letter. Heather Oliver is a great option for athletic uniforms, club or general apparel.

Complimentary fonts include the Olentangy School district fonts – **DIN OT** and **Proxima Nova** – found on pages 16 & 17. **Google Fonts**, **Font Squirrel**, and **Adobe Fonts** (with Creative Cloud subscription) are great resources for finding free and unlimited commercial-use fonts.
