

Maine School of Science and Mathematics

Where Going Beyond is the Norm

JOB POSTING **Mathematics Instructor**

Application Posting Date: Tuesday, April 24, 2024
Application Closing Date: Until suitable candidate is found

The Maine School of Science & Mathematics invites applications for a full-time Mathematics faculty position to begin in August, 2024.

Responsibilities:

- Teach 4 year-long classes (will likely be two sections of Algebra II/Trig, 1 section each of Before Calculus BC, and AP Calculus AB for the 2024-25 academic year);
- Design and teach a two-week January-Term course (instructor's choice of topics);
- Serve as an advisor to a small group of students (typically 10), acting as the primary point of contact between advisees' parents and the school;
- Assist other Math faculty with supervising MSSM's Math Team;
- Participate fully in MSSM's living/learning community by attending campus events, offering office hours, attending meetings, and being available to meet the needs of our students and community.

Qualifications:

- A minimum of a Master's Degree in Mathematics, or a related field;
- At least three years of successful Mathematics teaching experience at the secondary and/or post-secondary level;
- The ability to offer a rigorous, but supportive, classroom experience;
- Creative and cutting edge, with the ability to inspire students;
- Excellent communication and organizational skills, and a willingness and desire to work with inquisitive and quirky high school students in a close-knit, residential community.

If you are interested in the above position and meet the eligibility requirements, please complete and return an MSSM application for employment <https://www.mssm.org/about-mssm/employment-opportunities/teaching-application> a cover letter, CV/resume, transcript and three letters of recommendation to employment@mssm.org or via fax at 325-3340 attention: Tracy Moore
