Federal Programs & Grants	Preliminary Amounts 2026-2027	Provides
Title I Part A	$3,900,742	This funding provides supplemental resources to help schools with high concentrations of students from low-income families to provide a high quality education that will enable all children to meet or exceed the state's student performance standards.
Title I Part C	$17,808	This funding provides supplemental resources to support programs that help migrant students overcome the challenges of mobility, cultural and language barriers, and other difficulties associated with a migratory lifestyle.
Title II Part A	$575,545	This funding provides supplemental resources to improve student achievement through elevating teacher and principal quality through recruitment, hiring, and retention strategies and to increase the number of highly qualified teachers in the classroom and highly qualified administrators in schools.
Title III	$615,314	This funding provides supplemental resources to schools to ensure that children who are limited English proficient attain English proficiency at high levels in core academic subjects to meet or exceed state mandated achievement performance standards.
Title IV	$268,783	This funding provides supplemental resources to schools to improve academic achievement by increasing capacity of LEAs to provide access to, and opportunities for, a well-rounded education for all students. Title IV funds are provided to improve school conditions for student learning in order to create a healthy and safe school environment; and to improve access to personalized learning experiences supported by technology and professional development for the effective use of data and technology.
Texas Education of Homeless Children and Youth (TEHCY)	$55,003	The overall goal of the TEHCY grant is to provide additional capacity, promote school stability, facilitate enrollment, identification, attendance, academic and overall outcomes for students experiencing homelessness. The LEAs preliminary plan is to continue the position of our Homeless Liaison to work with our large homeless and unaccompanied youth population and to provide services required of McKinney Vento law, to provide professional development for our counselors and assistant principals that work with our homeless and unaccompanied youth, and for tutoring for homeless and unaccompanied youth in the district to address learning loss due to homelessness and high mobility.
Strengthening Career and Technical Education for the 21st Century Act (Perkins V) Consolidated Grant	$174,060	Funds to ensure career and technical education (CTE) programs meet the demands of the twenty-first-century economy. The LEAs preliminary plan is to support students with updated technology, online curriculum support for career exploration, and to purchase large equipment items that meet real world industry standards for knowledge and certifications.
Special Education Consolidated Grant Application IDEA B Formula Grant	$3,429,365	Provides supplemental resources to help LEAs ensure that eligible students (ages 3-21) with disabilities are provided with a free appropriate public education as required by federal statute. The LEAs preliminary plan is to use these funds for supplemental staff salaries, contracted services for assessment and related services, supplemental supplies and materials, and staff development opportunities. The LEA also uses these funds to join the Humble ISD Shared Service Arrangement (SSA) for Deaf Education services.
Special Education Consolidated Grant Application IDEA Preschool Grant	$40,258	Provides supplemental resources to help LEAs ensure that eligible students (ages 3-5) with disabilities are provided with a free appropriate public education as required by federal statute. The LEAs preliminary plan is to use these funds for supplemental staff salaries and supplemental supplies and materials.
2026-2028 Interactive Online Learning Grant, Cycle 3	$194,060	A competitive Texas Education Agency grant that supports the implementation of high-quality, TEKS-aligned interactive online learning models for middle and high school U.S. History, Texas History, and English Language Arts. The grant is designed to strengthen student engagement and achievement through cross-curricular digital instruction, embedded progress monitoring, benchmark assessments, and teacher professional development.
Safety and Facilities Enhancement (SAFE) Grant, Cycle 2 (continuation)	$688,888	Help meet state school safety standards and enhance campus security. Funds may be used for safety-related facility improvements, security equipment, and other allowable school safety expenditures that strengthen the protection of students, staff, and visitors.
