SCHOOL CORPORATION & COMMUNITY

Brownsburg is located in northeast Hendricks County, approximately ten miles northwest of metropolitan Indianapolis. In the 2020 census, the two townships which comprise the Brownsburg Community School Corporation (BCSC), Brown and Lincoln, had a combined population of 49,089. The population of the Town of Brownsburg was 28,973. The school system is administered by an appointed superintendent under the direction of an elected five-member board of education. There are eight K-5 elementary schools, two middle schools (grades 6-8), one comprehensive high school, and an alternative high school. The total enrollment of Brownsburg Community Schools is 10,292. The 2026-27 high school enrollment is 3,520 students. The racial breakdown of BCSC is 55% Caucasian, 21% African American, 9% Hispanic, 5% Multi-Racial, and 4% Asian. For the 2026-27 school year, BCSC has a 35% free/reduced lunch population.

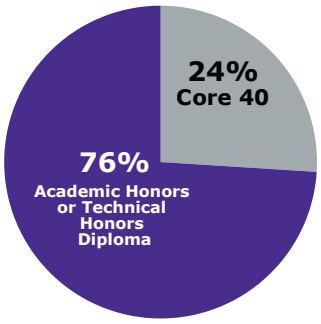
2026 DIPLOMA-TYPE BREAKDOWN



CURRICULUM

The school day is composed of seven class periods. Students must be enrolled in at least six credit-generating classes per semester. Brownsburg High School offers a wide range of academic and nonacademic disciplines. Students may earn college credits through a variety of dual credit opportunities offered by Ball State University, Vincennes University, and Ivy Tech Community College. Students may enroll in 25 different College Board Advanced Placement Program courses that BHS has to offer. Students may also attend our career and technical education program through Area 31 to gain industry certification.

REQUIREMENTS FOR GRADUATION

BHS Team 2027, and 2028 can earn an Indiana Core 40 Diploma or an Indiana Core 40 with Academic and/or Technical Honors Diploma. The Indiana diploma options change with Team 2029, and 2030. Students will earn 42 credits and earn a readiness seal in either Enrollment, Employment, or Enlistment.

DUAL CREDIT COURSE DATA

Brownsburg High School offers 24 different dual credit courses in seven different academic disciplines. BHS Students have the opportunity to earn high school and college credit while taking courses from Ball State University, Vincennes University, and Ivy Tech Community College.

BHS Director of Guidance Brett Comer, x1607
College/Career Counselor Joni Martin, x1916

GRADE CALCULATION

Grades are calculated on a four-point scale. All AP and Dual Credit courses will receive a grade weight of 1 full point.

*** = Grade Weighted Course (1 full point increase)**
DC = Dual Credit
AP = College Board, Advanced Placement

The school year is divided into two semesters, each divided into two nine-week grading periods. Each grading period is worth 40% of the final semester grade (Q1 = 40%, Q2 = 40%) and the final exam for each semester is worth the remaining 20%. Students are in school a total of 180 days per year.
