Dear Superintendents

As you may know, we are experiencing a planned system outage during our cut over (migration) to our new identity management system (IDM). **All IDM related systems will be unavailable through Monday morning, Aug 10. We will provide another update before 12:00 pm Monday, August 10.**

We will continue to keep your Local Access Managers (LAMs) updated on our progress. We apologize for this inconvenience. Contact cdeidm@cde.state.co.us for support.

The systems impacted are:

- Registration and Access (LAMs)
- Data Pipeline
- COGNOS - CEDAR: Colorado Education Data Analysis and Reporting System
- EDIS: Educator Identification System
- ESSU Data Management System
- IDEA Budget and Expenditures System
- EZREPORTS
- GAINS
- LACES
- COPMS - RANDA/Level Data
- RITS: Record Integration Tracking System
- SMART: Students Migrating Academically on the Right Track
- State Accountability Data Tool (Tableau)
- State Equal & Mill Levy Override (Pupil Route Transportation Reimbursement Funding)
- UIP: Unified Improvement Planning Online System (Salesforce)

Warm regards,
Susana Córdova
