These presentations are an opportunity for the public to make a presentation to the Committee but are not opportunities for dialog with the Committee. If one or more members of the Committee wishes to have a conversation about the topic presented, a member may request that the item be added to a subsequent Regular Meeting.

The details for submitting a presentation can be found within the policy BEDH, Public Comment and Presentations of the Public"

Pursuant to policy BEDH, Public Comment and Presentations of the Public - any resident in the audience may be given permission to speak once on any item on the agenda for up to three (3) minutes. The speaker is expected to keep their comments to the item on the agenda. The speaker must begin their comments by providing their full name and full Medford street address where they reside. A welcoming, inclusive community is both a value of the School Committee and an aspirational goal. We ask for your help in achieving this goal and value your perspective. Employees of the Medford Public Schools are exempt from the residency requirement of this policy. The voice of our employees is welcomed on all matters before this body. When a non-Medford-resident employee is participating in public comment or submitting a presentation of the public they will include their home address and identify themselves as an employee of the Medford Public Schools.
