DISTRICTWIDE SURVEY RESULTS

Los resultados del estudio del?

Last year's survey results

Based on the CCSD survey results from the 2025-2026 school year, it can be concluded that Fay Herron families (about 97% who responded out of 245 families) feel welcome here at our school, the teachers care about their child, and the school responds promptly to parent communications. In addition, 98% or parents who responded feel that classrooms are kept clean and organized.

86% of the respondents feels informed about how fundraising monies are used. This is a 3% drop from last year. We have an opportunity to use this information to find better ways to communicate our uses of fundraising money.

We will use these conclusions and the other CCSD survey results to make adjustments to our areas of need. As a team, we will continue to analyze parent/ family feedback and share the results as a staff and with our families at the monthly parent meeting.
