General Discussion:

1. Enrollment Update. We are currently below our enrollment projection and especially low in kindergarten. We are short 40 kinder students. August 28, 2026 is count day which will determine the fall budget.
2. Staffing Update: IA candidate recommended for hire and waiting for her hire to become official.. All other positions are filled.
3. Health and School Safety Public Service Announcement. Watched the SRP video that is shown to all students about our safety drills and procedures.
4. School Improvement Plan. Three goals to work on. Goal 1- Iready data which we are waiting on all students to complete assessment before we can accurately make our growth goal. Goal 2- Adult learning for teachers to have 100% of teachers complete LETRS tasks on time. Goal 3- Student connectedness goal. Looking at other ways to collect data from a larger sample of students in line with Destination District Strategic Plan, Priority 3.
5. 2026-2027 School Organizational Team Elections. Will run in September for parents, staff, and support staff.
6. New school update: no news yet on zoning or if they hired a new principal.
