California PBIS

September 1, 2026

Dear PBIS Colleague,

Congratulations!

On behalf of California PBIS, we are proud to recognize **Sutter Middle School** of **Folsom Cordova Unified School District** for successful implementation of PBIS at the **GOLD** level. This recognition reflects your school's excellence in putting the core features of PBIS into practice. With nearly 2,700 schools applying for recognition this year, earning this honor is a significant achievement and a testament to your team's dedication to creating positive outcomes for students. You should be incredibly proud!

To celebrate this outstanding achievement, your school's name will be featured on the California PBIS website and recognized during the Annual California PBIS Conference, October 7–9, 2026, in Sacramento. We hope you'll join us as we celebrate schools from across the state, connect with fellow educators, and gain new ideas and strategies to strengthen PBIS implementation. Click here to view the event webpage and register before September 9!

The level of recognition received reflects the award you applied for or the level for which you were qualified. If you did not meet the requirements of the level for which you applied, the California PBIS Recognition Committee evaluated your application for other levels to determine the appropriate recognition award.

We sincerely appreciate your hard work and commitment to implementing PBIS with fidelity and creating the conditions to maximize social, emotional, and behavioral outcomes for ALL students. Congratulations again on this outstanding accomplishment!

Sincerely,

California PBIS
