Dear incoming third grade parents and students,

I hope you have a fabulous, well deserved summer vacation!

To tell you a little bit more about myself, my name is Jessica Lundgren and I will be your child's teacher for third grade. I graduated from Edith Cowan University in Australia and have a Bachelor of Science degree and a Graduate degree in Early Childhood/Elementary education. I feel extremely honored and fortunate to be teaching at Edison and love the Edison community, including all the teachers that I work with! This will be my 16th year at Edison. We are a close team and it's so nice to be in a school that we can all work well together, to the benefit of our students.

Parents, I am sure your child will tell you that I have an accent, as I am from Australia. My husband and I met in Australia, however he is from the area and I call this area home too! I bring my experience working in schools both in Australia and the US to create a challenging and engaging learning environment for your child.

Being from Australia and loving the heat, summer is my favorite time of the year. I love to spend the summer going to the beach, swimming, walking, reading and boating. I hope that we all have time this summer to do some of the things we love. Don't forget to read a lot this summer and play some math games as a family.

Parents, as an educator, I value my job and the opportunity that I will have to teach your child the requirements they will need to complete by the end of this school year. Your child's safety, enjoyment and success in the classroom are my priorities. If you have any questions or concerns, please feel free to contact me via email at jlundgren@htsd.us.

Throughout the school year, I send out weekly Friday emails to the third grade group of guardians/ parents in an effort to keep you all informed on what is happening in third grade. We will also use the Seesaw App. Please download the Seesaw App so you can have access to your child's daily postings of work, photographs and teacher announcements.

Sincerely,
Mrs. Lundgren
