Canon-McMillan
Cyber Academy

OVERVIEW

What is CM Cyber?

A district-operated cyber school ensuring consistency, quality, and community connection.

Courses provided by our partners at IU1-Fusion Cyber Solutions

Offers opportunities for our students to continue to be included in our CM community

Why Choose CM Cyber?

- Flexible schedules for unique family needs
- Access to certified teachers and staff for support
- Continued communication and support from CM counselors and learning support teachers, if applicable
- Report cards and transcripts reflect the Canon-McMillan School District

CM Cyber Academy

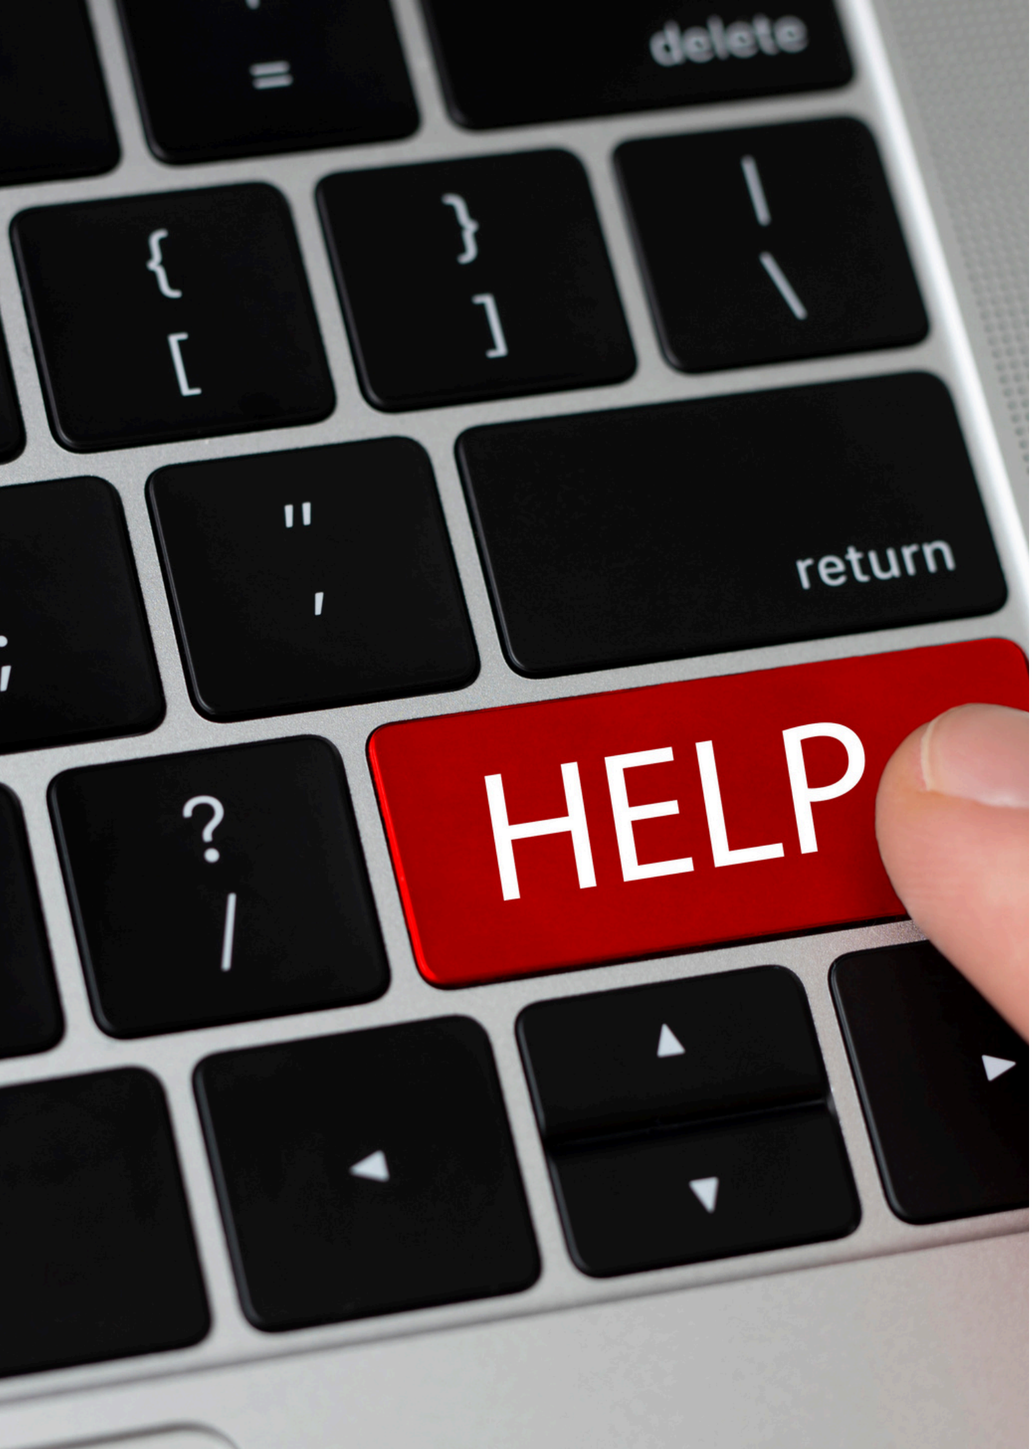
A Day in the Life

- Attendance is tracked based on hours
  - 30-45 minutes per day, per course
    - 5 courses = 2.5 hours per day
    - Note: It is important that the student is on track in each course
- Synchronous students will have the opportunity to join live sessions, but must complete independent work
- Asynchronous students will work independently to stay on track to meet daily goals
- **Success begins with a routine!**
  - Students can work at their own pace, at any time of the day
  - It is recommended to set a daily schedule and keep a routine in order to stay on track

Technology and Materials

- K-12 students are provided with a CM-issued Chromebook
- Guided notes are included across platforms for students to use digitally
- K-5 students are provided with a workbook to use for core subjects
- AP textbooks provided by CMSD
  - Students will reach out to Cyber Coordinator if needed



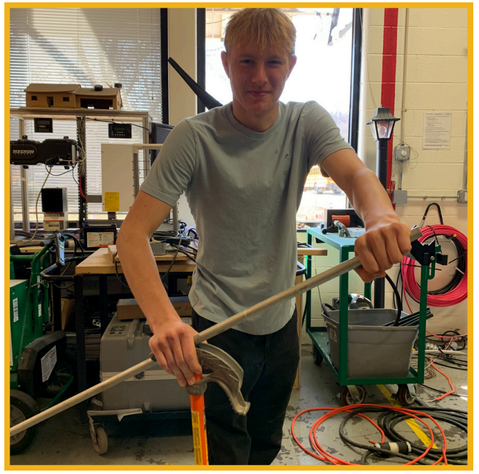
Student and Family Support

- CM Cyber Coordinator
  - Weekly wellness check-ins provided via Google Meet or in person
  - Communication between CM and Fusion Cyber Solutions
- Special Education Services
- Parent Portal for progress monitoring
- Live On-Demand Tutoring Services
  - Provided by the vendor
  - 24/7 help centers for support from live teachers
- CMSD School Counselor Support

Staying Connected

CM Cyber students are still CM students!

- Cyber students are officially enrolled in the Canon-McMillan School District and are considered full members of their home school
- 9-12 Hybrid Learning Options
  - Students can choose from a variety of courses and attend in person at CMHS
- 10-12 CTC Options
  - Students have ability to attend our affiliate Career and Technology Centers
- Join school clubs, sports, band, and activities
- Optional in-person events, field trips, and service projects
- Attend senior events, prom, and walk at graduation with their classmates



CM Cyber Academy

Frequently Asked Questions

Can my student return to in-person school during the school year?

Yes! Students can return at the end of the current 9-week period. If they are in CM Cyber for a medical reason, they may return at any time.

Is the workload the same as in-person school?

Yes! Although the scope and sequence may not be the same, the CM Cyber courses align with the PA Core Standards.

Does my student need to take State/AP exams?

Yes! Students will be provided with an in-person schedule for all state and local testing. Students will also complete all CM requirements, such as Xello and the Graduation Project.

Can my student still recieve special education or 504 support?

Yes! All IEP and 504 accommodations are implemented in the virtual environment by certified staff, in conjunction with their CMSD support team.

What kind of technology support is available?

If a district Chromebook is not working, we will work with our IT Department to exchange or fix the issue as soon as possible.

How do teachers communicate with students?

Teachers connect with students through email, video calls, live sessions, and regular feedback in the learning platform.

“Our family joined CM Cyber midway through the 2023–2024 school year. The transition was easy, and those who helped with coordinating schedules and establishing the classes for our students went above and beyond to make sure that we were set up well... If it works for your family, we highly recommend this learning option!”
