Town of West Hartford
West Hartford Town Hall, Room 206
50 South Main Street
West Hartford, CT 06107
DuaneM@WestHartfordCT.gov

Dear Duane:

Subject: Town of West Hartford
Notice of ATESD Plan Amendment Approval

The Office of the State Traffic Administration (OSTA) has approved the amended Automated Traffic Enforcement Safety Device (ATESD) Plan for the Town of West Hartford received on November 10, 2026. A copy of the amended report has been made available on the OSTA's ATESD webpage.

This amended approval is valid for **three (3) years** from the date the first ATESD in the approved plan becomes operational. The Town of West Hartford must notify OSTA at DOT.OSTA@ct.gov within 14 days from the date when the first ATESD becomes operational.

The Town of West Hartford may submit a modification to the approved ATESD Plan to use ATESDs at additional locations, provided that the approved ATESD Plan has not expired. All modifications to the ATESD Plan must follow the same submittal, review, and approval processes as the initial ATESD Plan submission. Approval for any modification to the ATESD Plan would also expire on the same date the originally approved plan expires.

As a reminder, there are initial and annual reporting requirements associated with Public Act 23-116. If the Town of West Hartford fails to report data on any ATESD location, the OSTA will decline to re-authorize such ATESD location once the initial plan has expired.

An encroachment permit must be obtained from the Department of Transportation's District 1 Maintenance Office at 1107 Cromwell Avenue, Rocky Hill, CT 06067 (Attn: Timothy Isyk, (860) 258-4541) prior to performing any work within the State highway right-of-way.

Sincerely,

Anna S. Mermelstein
