INTRODUCTION TO THE P-3 PROGRESSIONS: APPROACHES TO LEARNING

This half day training session will introduce participants to the P-3 Progression Introduction and the Approaches to Learning domain, building on the state initiative to build P-3 Alignment. Approaches to Learning emphasizes skills that support children in learning, problem-solving, and collaborating with others. Participants will have the opportunity to explore the strands and sub-strands in this area that focus on these pertinent skills.

Session Details:

- Dec. 1, 2026
- 8:30 am - 11:30 am
- SDCOE
  6401 Linda Vista Rd
  San Diego, CA 92111
