CAVELERO MID HIGH SCHOOL ACADEMICS POLICY

The Lake Stevens School District believes in the importance of the student-athlete and hold our student athletes to a standard even higher than the WIAA suggests. We provide academic supports to ensure students have every opportunity to be successful. All athletes will have their grades checked at each six (6) week grading period. These grading periods fall at the six, twelve and eighteen week mark of each semester.

**Semester Grades

Level I (Section V-A of the Athletic Code)
Athletes who carried a grade point average of at least 2.0 and who had no "F" grades during the most recent grading period will be academically eligible for practices and contests. These athletes will have their grades checked only at the normal six (6) week grading periods. (Normal grading periods fall at the six, twelve, and eighteen week marks.)

Level II (Section V-B of the Athletic Code)
Athletes who carried a grade point average of less than 2.0 and higher than 1.74 or had one (1) "F" in the preceding grading period will remain eligible for practice and contests provided they complete a weekly grade check (for 6 weeks) and their grades are higher than 1.74 and have no more than 1 F.

Level III (Section V-C of the Athletic Code)
Athletes who carried a grade point average of 1.74 and below, and/or more than 2 F's in the preceding grading period are eligible to practice, but may not participate in competition until the Athletic Steering Committee does a review of the athlete's academic status, by reviewing a weekly grade check. *Athletes may also be required to attend Academic Lab for support either at lunch or after school (at least 1.5 hours per week) until they reach Level II status, 1 week minimum).* Grade checks must be done for 6 weeks. At a point where an athlete becomes eligible (only 1 "F" and grade point average of at least 1.75) he/she may compete. Students may be allowed to participate if academic progress is being made and all other requirements are met. All decisions will be made jointly by the Athletic Director and Principal.

Level IV (Section V-D of the Athletic Code – pertains to Semester Grades)
Semester Grade: Athletes with two (2) "F's" are not eligible. These athletes may practice but not compete in contests. 9th Graders must complete at least three (3) weeks of school and then have a grade check completed, which demonstrates academic success and be reinstated by the Athletic Director. 8th Graders must complete at least three (3) weeks of school and then have a grade check completed, which demonstrates academic success and be reinstated by the Athletic Director.
