PENN HILLS SCHOOL DISTRICT

A Welcome Letter to Special Education Families

2026–2027 School Year

Dear Families,

Welcome back! We are so excited to begin a new school year and look forward to another year of learning, growth, and partnership.

We are especially excited to welcome all of our new families to the district and look forward to getting to know you and your child. To our returning families, welcome back! We are grateful for the relationships we have built and appreciate your continued partnership in supporting your child.

Our Special Education Department is committed to creating a welcoming, supportive, and inclusive school experience for every student. We believe families are an important part of the educational team, and we look forward to working together to help your child have a successful school year.

As part of our Family Connects webpage, you will find our Special Education Parent Handbook. We encourage you to take some time to review it, as it includes valuable resources to help families navigate special education services. The handbook also includes contact information for our Special Education Department staff should you have questions or need support. It is also available on our district website, making it easy to access and refer back to throughout the school year.

Most importantly, please know that we are here to support you. If you have questions about your child's services, IEP, or supports, we encourage you to reach out to your child's case manager or a member of our Special Education Department. We value open communication and want every family to feel welcomed, informed, and supported.

Thank you for partnering with us in your child's education. We are looking forward to a wonderful school year and are excited for all that the year ahead will bring!

Warm regards,
Penn Hills School District
Special Education Department
