*** This meeting of the Board of Education is held in public for the purpose of conducting the school district's business. There is one time on the agenda for public participation during the meeting. The Board requests each speaker to limit their comments to three (3) minutes or less. Persons addressing the board should know that although concerns and requests may be directed to the Board, actions and/or answers to many questions will be deferred either to the Superintendent or future Board consideration. To ensure due process and respect of individual rights, the District maintains a formal process for handling complaints against individuals. A problem involving an individual or specific incident is best handled through administrative channels. Speakers are asked to express themselves in a civil manner, with due respect for the dignity and privacy of others who may be affected by your comments. While it is not our intent to stifle public comment, speakers should be aware that if your statements violate the rights of others under the law of defamation or invasion of privacy, you may be held legally responsible. If you are unsure of the legal ramifications of what you are about to say, we urge you to consult first with your legal advisor.*

The official minutes of the Flushing Board of Education are located at the Administration Building, 522 N. McKinley Rd. Any person with a disability who needs accommodation for participation in this meeting should contact the Superintendent at (810) 591-1180 at least five (5) days in advance of the meeting to request assistance.
