BILLINGS PUBLIC SCHOOLS

Title I, Part A Annual Meeting 2026-2027

Parent Invitation

Title I, Part A of Every Student Succeeds Act (ESSA) requires schools that receive federal funding to actively involve parents and families in their child's education. A key component of this is to hold an annual meeting in which parents and family members can gain understanding of how programs within our district benefit all students.

We invite you to attend our Title 1, Part A Annual Meeting.

August 31, 2026
