State Course:		This is a year-long course for elementary and middle school students enrolled at OCA.
Total Credits:	1.0000	

Grading Template:	K8ART	Students will work with instructors to define individualized learning goals and objectives pulling from OCA's related arts and other resources.

Department: Other

Course Name: STEAM (Elementary)		
Course:	162157	Description:
State Course:	21999	Elementary STEAM exposes students to the engineering design process as a method for problem-solving through making. Students design and build their solutions, as well as learn basic coding and robotics. Students also learn about digital citizenship.
Total Credits:	0.2000	
Grading Template:	K8TOT	

Department: Physical Education

Course Name: Health & Phys Ed (Grade K)		
Course:	140200	Description:
State Course:	08104	This course provides K students with knowledge, experience, & an opportunity to develop motor & movement skills, & helps the students learn characteristics such as, respect, self-direction, & cooperation integrated with instruction in personal health.
Total Credits:	0.2000	
Grading Template:	K8PE	

Department: Physical Education

Course Name: Health & Phys Ed (Grade 1)		
Course:	140201	Description:
State Course:	08105	Course provides 1st grade students with knowledge, experience, & an opportunity to develop motor & movement skills, & helps the students learn characteristics such as, respect, self-direction, & cooperation integrated with instruction in personal health.
Total Credits:	0.2000	
Grading Template:	K8PE	

Department: Physical Education

Course Name: Health & Phys Ed (Grade 2)		
Course:	140202	Description:
State Course:	08106	Course provides 2nd grade students with knowledge, experience, & an opportunity to develop motor & movement skills, & helps the students learn characteristics such as, respect, self-direction, & cooperation integrated with instruction in personal health.
Total Credits:	0.2000	
Grading Template:	K8PE	

Department: Physical Education

Course Name: Health & Phys Ed (Grade 3)		
Course:	140203	Description:
State Course:	08107	Course provides 3rd grade students with knowledge, experience, & an opportunity
Total Credits:	0.2000	

Grading Template:	K8PE	to develop motor & movement skills, & helps the students learn characteristics such as, respect, self-direction, & cooperation integrated with instruction in personal health.

Department: Physical Education

Course Name: Health & Phys Ed (Grade 4)		
Course:	140204	Description:
State Course:	08108	Course provides 4th grade students with knowledge, experience, & an opportunity to develop motor & movement skills, & helps the students learn characteristics such as, respect, self-direction, & cooperation integrated with instruction in personal health.
Total Credits:	0.2000	
Grading Template:	K8PE	

Department: Physical Education

Course Name: Health & Phys Ed (Grade 5)		
Course:	140205	Description:
State Course:	08109	Course provides 5th grade students with knowledge, experience, & an opportunity to develop motor & movement skills, & helps the students learn characteristics such as, respect, self-direction, & cooperation integrated with instruction in personal health.
Total Credits:	0.2000	
Grading Template:	K8PE	

Department: Physical Education

Course Name: Health & Phys Ed 0.5 (Grade K)		
Course:	140500	Description:
State Course:	08104	Course provides K students with knowledge, experience, & an opportunity to develop motor & movement skills, & helps the students learn characteristics such as, respect, self-direction, & cooperation integrated with instruction in personal health.
Total Credits:	0.5000	
Grading Template:	K8PE	

Department: Physical Education

Course Name: Health & Phys Ed 0.5(Grade 1)		
Course:	140501	Description:
State Course:	08105	Course provides 1st grade students with knowledge, experience, & extended opportunity to develop motor & movement skills, address characteristics such as, respect, self-direction, & cooperation. and instruction in personal health.
Total Credits:	0.5000	
Grading Template:	K8PE	

Department: Physical Education

Course Name: Health & Phys Ed 0.5(Grade 2)		
Course:	140502	Description:
State Course:	08106	Course provides 2nd grade students with knowledge, experience, & an opportunity
Total Credits:	0.5000	

Grading Template:	K8PE	to develop motor & movement skills, & helps the students learn characteristics such as, respect, self-direction, & cooperation integrated with instruction in personal health.

Department: Physical Education

Course Name: Health & Phys Ed 0.5(Grade 3)		
Course:	140503	Description:
State Course:	08107	Course provides students with knowledge, experience, and an opportunity to develop motor and movement skills, and helps the students learn characteristics such as, respect, self-direction, and cooperation integrated with instruction in personal health.
Total Credits:	0.5000	
Grading Template:	K8PE	

Department: Physical Education

Course Name: Health & Phys Ed 0.5(Grade 4)		
Course:	140504	Description:
State Course:	08108	Course provides 4th grade students with knowledge, experience, & an opportunity to develop motor & movement skills, & helps the students learn characteristics such as, respect, self-direction, & cooperation integrated with instruction in personal health.
Total Credits:	0.5000	
Grading Template:	K8PE	

Department: Physical Education

Course Name: Health & Phys Ed 0.5(Grade 5)		
Course:	140505	Description:
State Course:	08109	Course provides students with knowledge, experience, and an opportunity to develop motor and movement skills, and helps the students learn characteristics such as, respect, self-direction, and cooperation integrated with instruction in personal health.
Total Credits:	0.5000	
Grading Template:	K8PE	

Department: Physical Education

Course Name: Adapted Physical Education K-5		
Course:	146501	Description:
State Course:	08049	This APE course addresses progression in movement, motor skills, fitness, & sports & rec. activities for students with adapted physical education goals identified in their IEP. This course focuses on both progression & addressing each APE IEP goal.
Total Credits:	0.2000	
Grading Template:	K8PE	

Department: Reading

Course Name: Reading 1		
Course:	006601	Description:
State Course:	01041	

Total Credits:	1.6000	This course focuses on reading skills and may emphasize recognition of and response to various types of text; extension of vocabulary; and the connection of language to the expression of ideas aligned to PA Core Standards.
Grading Template:	K8LIT	

Department: Reading

Course Name: Reading 2		
Course:	006602	Description:
State Course:	01042	This course focuses on reading skills and builds students' skills in independent reading by increasing reading fluency, vocabulary, and recognition of word and language patterns aligned to PA Standards.
Total Credits:	1.6000	
Grading Template:	K8LIT	

Department: Reading

Course Name: Reading 3		
Course:	006603	Description:
State Course:	01043	This course focuses on reading skills and emphasizes independent reading in a variety of assignments. Emphasis may also be placed on presentation skills. This couse is aligned to PA Core Standards.
Total Credits:	1.6000	
Grading Template:	K8LIT	

Department: Reading

Course Name: Reading 4		
Course:	006604	Description:
State Course:	01044	This course focuses on reading skills and extends students' skills in distinguishing meaning and literary functions in texts, and fluency in reading aligned to the PA Core Standards.
Total Credits:	1.6000	
Grading Template:	K8LIT	

Department: Reading

Course Name: Reading 5		
Course:	006605	Description:
State Course:	01045	This course focuses on reading skills and extends students' skills in distinguishing meaning and literary functions in texts, and fluency in reading aligned to the PA Core Standards.
Total Credits:	1.6000	
Grading Template:	K8LIT	

Department: Reading

Course Name: Reading 1		
Course:	006661	Description:
State Course:	S01041	(Modified) This PSE Reading 1 Course is for students who require modified or alternative programming aligned to the PA Core Standards.
Total Credits:	1.6000	
Grading Template:	K8LIT	

Department: Reading

Course Name: Reading 2		
Course:	006662	Description:
State Course:	S01042	(Modified) This PSE Reading 2 Course is for students who require modified or alternative programming aligned to the PA Core Standards.
Total Credits:	1.6000
