6

This option requires two components listed below: 47 credits, plus the opportunity to earn honors seals aligned with a student's unique path. Students are encouraged to seize this flexibility by personalizing their high school experience. The new seals provide additional intentionality to maximize readiness and are designed to be permeable, allowing students to update their graduation plan and pivot, if their original interests and goals change.

Enrollment Honors Seal	**Employment** Honors Seal	**Enlistment** Honors Seal
