Mr. Hodges,

The information you are seeking regarding vendor expenditures and solicitation/award records is publicly available through Beaufort County School District website.

Vendor payment information can be found in the District's Transparency Reports. Solicitation and award information is available through the District's BidNet procurement portal.

If you are seeking records that cannot be located through the Transparency Reports or BidNet, please provide a more specific description of the documents requested. Based on the request as currently written, locating and reviewing potentially responsive records would require approximately 2-3 hours of staff time, which will result in a cost. Please note that a search may not yield any additional responsive records.

Please let us know how you would like to proceed.

Regards,
