Football '75 was fantastic. The guys worked hard to end up with an 8-1 which placed them 2nd in league. For the first time in three years the team also produced a win at Homecoming.

Newport's Cross Country Track Team is making "going to state" a tradition. The team has finished high enough in league standings to qualify for participation at the state Cross Country Meet, held in Seattle, for each of the last two years. The seven man team and it's coach, Clint Longshore, endured long and strenuous practices to gain the endurance speed necessary to merit this honor.

Boys

The squad grew and with the growth came desire. Having many first year members and a new coach, Newport built up the program for next year. They finished the season with high aspirations and great goals.

Track

At district, two members of the squad qualified for state. They were Tom Sutton, 2 mile run, and Mike Tunnell, 1 mile run.

Baseball

After the loss of seven starters and being seeded last by the coaches in our league, the Grizzly squad surprised both friend and foe. After a loss to Deer Park, the team came back and won the league. Then it was on to battle for a position in the state playoffs.

The guys worked to the best of their ability and beat some of the best teams in the state. School and community alike are extremely proud of the accomplishments made by this team.

KUBS*FM was its usual self this year: full of fun, friends, and fantasy. Graced by such infamous fellows as "the Lone Russel" and "Whipper" Watson, our little station served all the community with music, news, and those special features that could be found nowhere else.

To those that became part of KUBS*FM, the station became part of them; a little bit of brightness to be carried with them in their lives.

High School Bowl

With three returning veterans, Corey Hunt, Blaine Davis, and Cary Renfro, and a new member Chris Cain, the High School Bowl team set out for Spokane. The team was very evenly matched and had high hopes for victory. All was well until, with only a few seconds left, the opponent scored, leaving Newport with no chance. Through the disappointment of it all, the team kept their spirit, which is half the battle.

Farewell Now, My Friend

I love you, my friend
You're quite dear to me,
A true friend you are
And always will be.
But you're leaving me soon
And going your own way,
Perhaps we will meet
In the future some day.
You've left me with memories
Of good times we've had,
To treasure forever
And make me feel glad.
I wish you good luck
In all that you do
May all of life's pleasures
Come your way, too.
Farewell now, my friend
And please may you find
Some thoughts of me
Always in your mind.

Karen Huang
