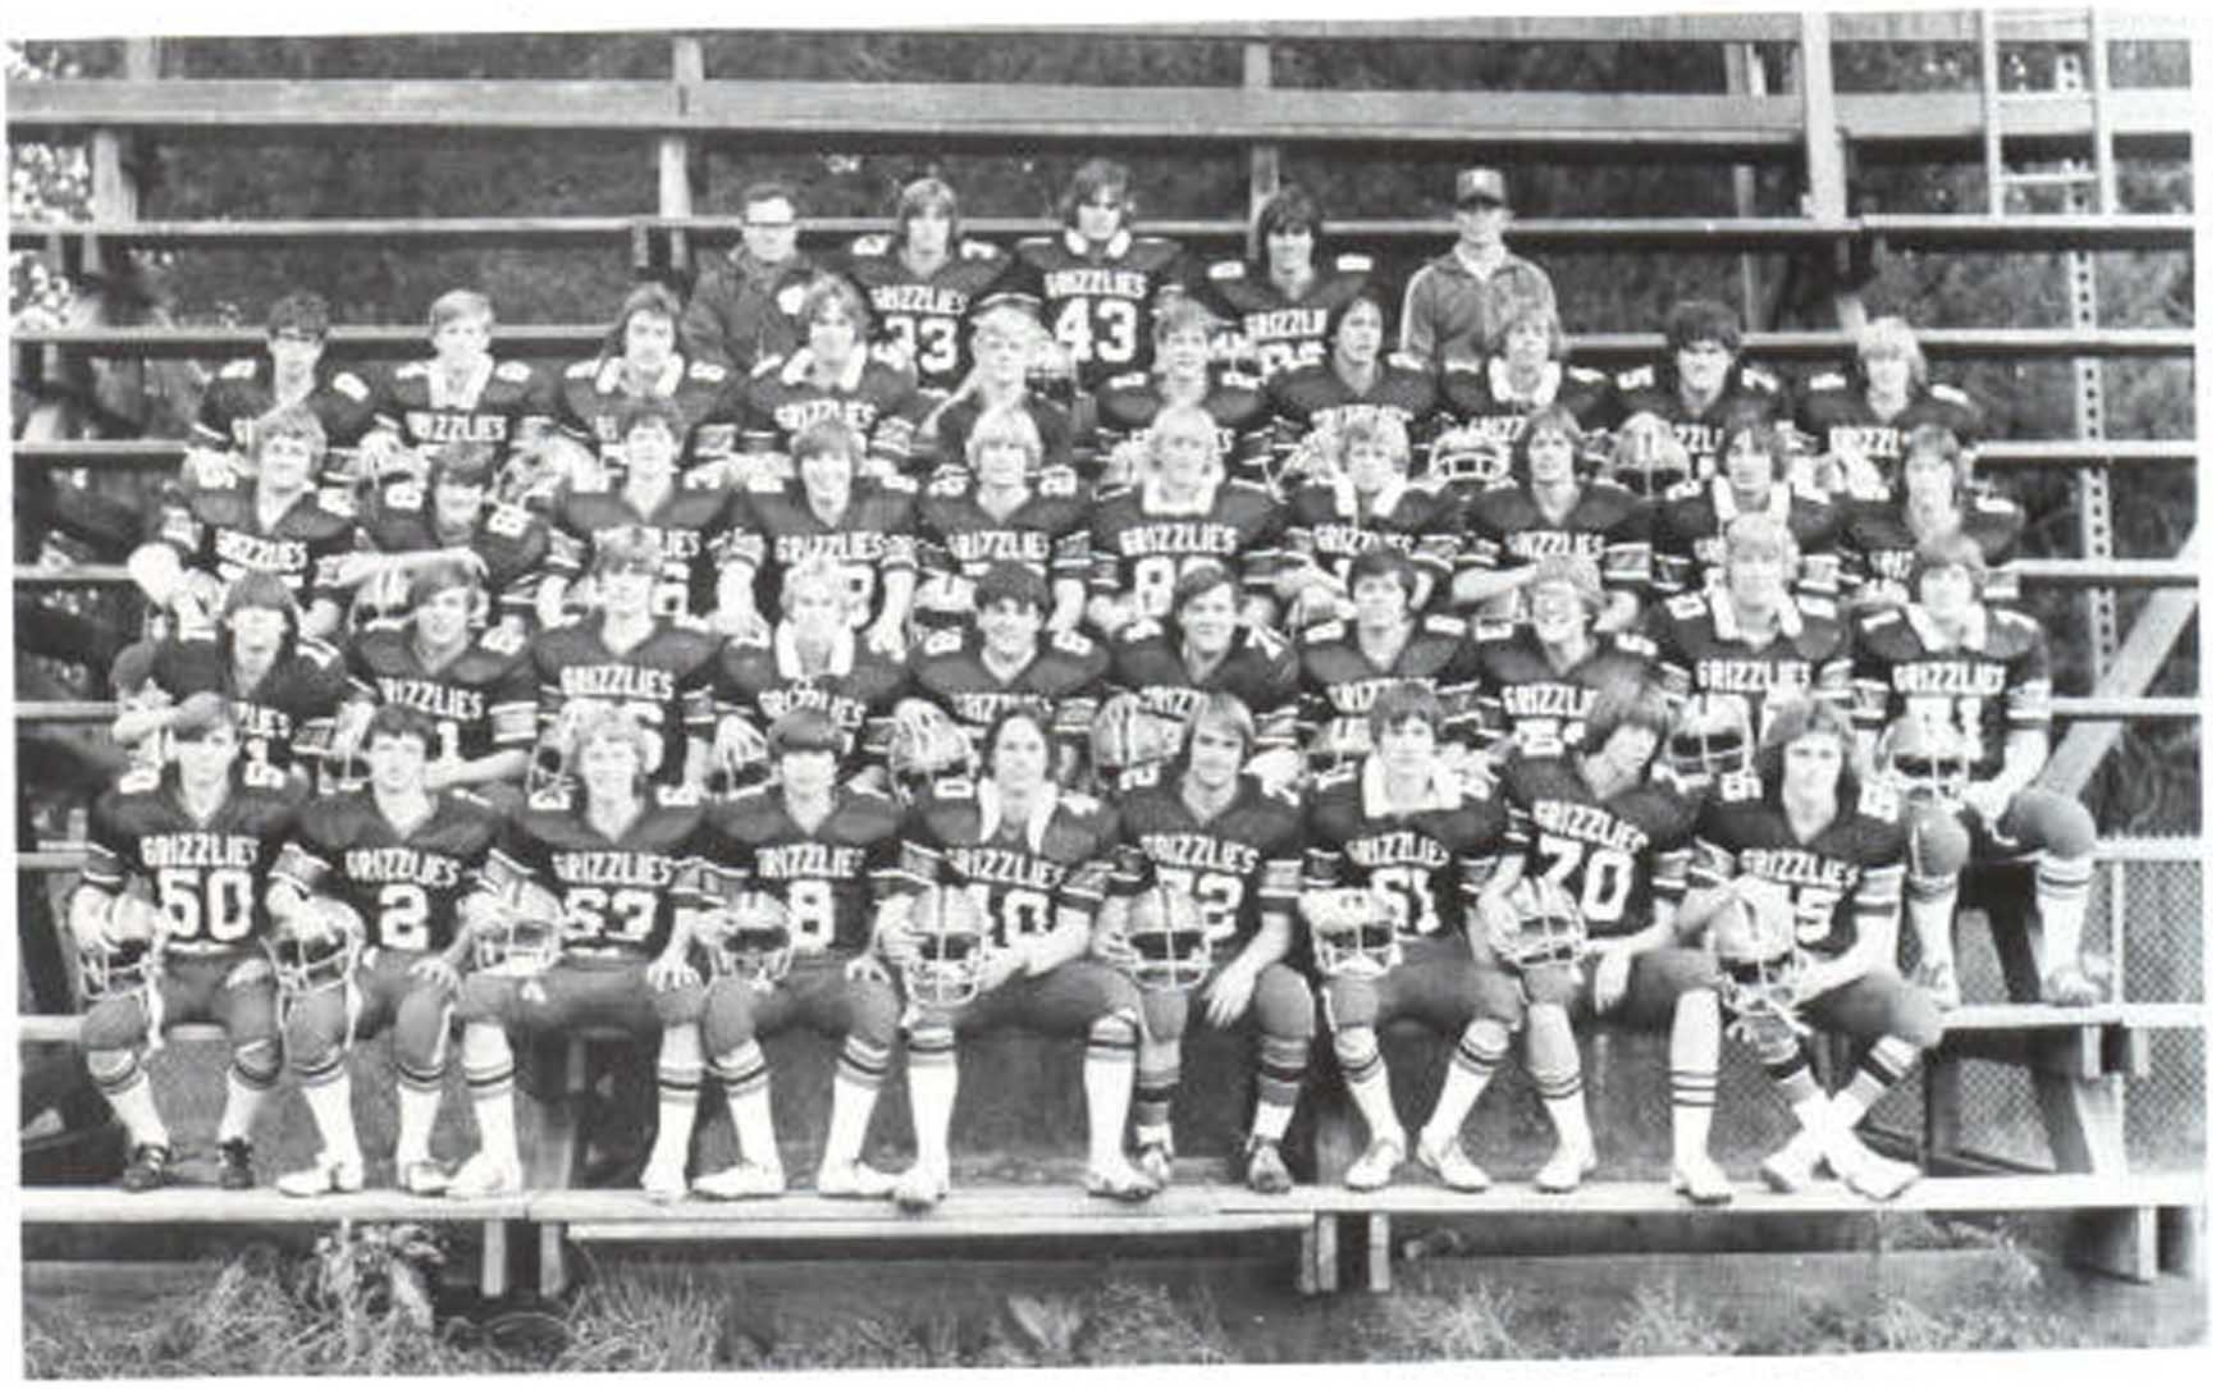
ACTIVITIES

FOOTBALL

GRIZZLY COUNTRY IS WHERE IT'S AT



Top Row (L-R): Coach Bill Heglar, John Nelson, Jeff Worley, Dennis Matson, Assistant coach Pete Ugsted. Second row: John Witherow, Bill Davis, Bob Lewis, Wayne Coulston, Mike McNearney, Jeff Ellersick, Dan Crone, Mike Murray, Greg Yeaw, Clint Winterfield. Third row: Aaron Bolle, Dave Wareham, Forrest Ownbey, Bill Boggs, Steve Ellersick, Bernie Raven, Bill Jamison, Mike Hudson, Gary Myers, Chris Marmo. Fourth row: Pat Ashdown, Jeff Wheeler, Jeff Schwab, Todd Krogh, Wayne Wade, Scott Carey, Dan Olson, Brian Monk, John Rothstrom, Craig Fields. Fifth row: Mike Mael, Gary Odell, Joel Fields, Larry Scott, Jeff Best, Richard Tucker, Troy Odell, Cam Lee, and Mark Kirschbaum.

Despite early predictions of a losing football season, the Grizzlies pulled through with a 5-3 record, placing second in the Northeast 'A' League. Although they were lacking in physical size, they certainly weren't lacking in unity or determination.

Given support by the student body right from the beginning, the Grizzlies started off the season with five consecutive wins. In several of them Newport held their opponents scoreless, including the homecoming game with Lakeland.

Even though the end of the season brought with it the only defeats suffered by Coach Heglar and his team, it can be honestly said that football '77' at Newport High was a success.

FRESHMEN FOOTBALL

3-2

The Frosh Football team under the coaching of Ron Park ended the season with a 3-2 record. After suffering a loss to Chewelah, the young Grizzlies later gained ground as they firmly put the Cougars under on our own field. The year was spent preparing for their future football seasons. Pictured: (L-R) Row one: Mike Bowling, Dave Bussler, Bobby Coleman, Joe Dahlin, Monte Everson, Willy Geary. Row Two: Mark Larson, Greg Lockwood, Richard Oberdorfer, Gregg Pieger, Jeff Raven, Kim Renfro. Row Three: Mike Wheeler, Paul Zimmer, Wayne Zieske, and Coach Ron Park. Not Pictured: David Watson, Bill Daniels, Frank Marmo, Steve Wareham, Earl Wilkerson, Maurice Bigley, Donald Dorr, Brian Carey, and Troy Miller.

PEP CLUB

The energetic and spirited yells of the girls could be heard echoing through the air as they proudly cheered the Grizzlies on. As pep club members they were also given the jobs of sign painting and decorating the athletes lockers before each event. A lot of time and effort was spent both at the field and inside the gym in devoted encouragement to the team.

EXCHANGE STUDENTS

Elizabeth Dy, visited from her town of Nasibit in the Phillippines. The things she enjoyed most in the United States, were the "beautiful scenery and the people." She stayed at the Oberdorfer home.

Lucas Fellmann, resided at the Zimmer's home this year. He was a great asset to the Newport Varsity Ski Team. They will sure miss him next year, when he is home in Biel, Switzerland.

Christina Thellburg, is another excellent skier, here from Sundsvaal, Sweden. She too was a member of the race team, as you see in the picture of her at 49° North. Good luck Christina and thank you Schwab's for enlarging your family this year.

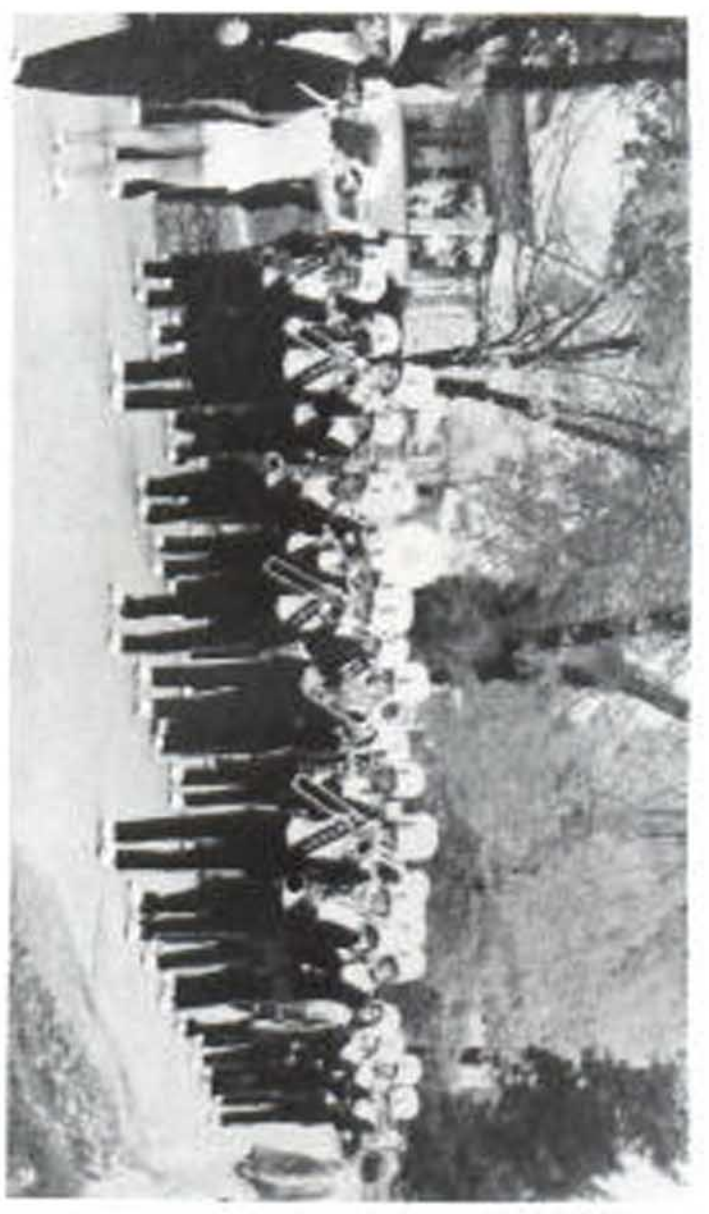
Homecoming '77



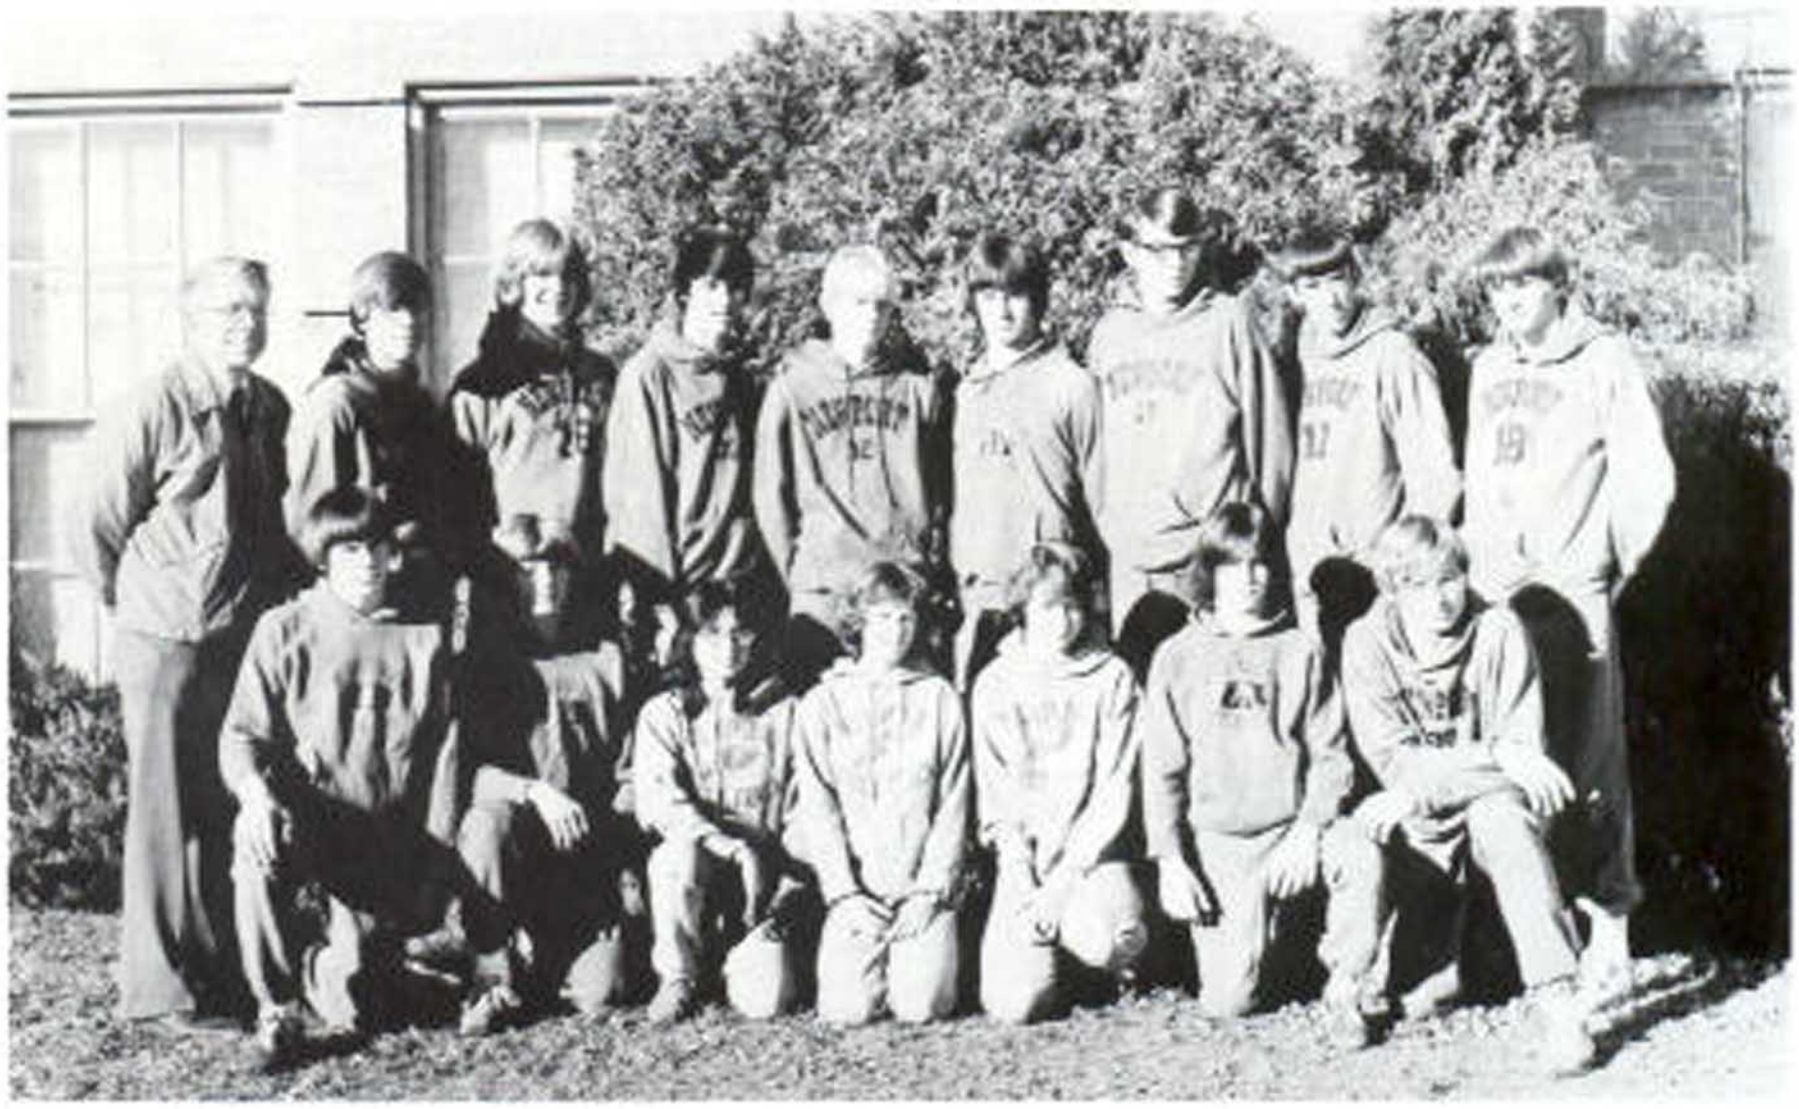
This year's Homecoming was a great success. Heading the list of activities was Fifties Day, with everyone, including some teachers, taking part. Following was the traditional Red and Black Day with pep assemblies and the royalty coronation.

A new addition was the N.H.S. Gong Show hosted by Mr. Mark Wendle. Another variation to the past was the playing of the traditional Friday night game on Saturday afternoon. This year's parade was our biggest and best yet. The Sophomore float was picked as number one out of the classes. A victory over Lakeland left us all in high spirits and very proud of our Grizzlies.

HOMECOMING ROYALTY

The royalty for this year consisted of: Queen Donna Phillips, Sweetheart, Tawni Jamison, Senior Princesses were Susan Fields, Kelly Dahlin, Jennifer Hilborne, and Jamie Evans. Junior Princess, Wilma White, Sophomore Princess, Danette Petretee, and Freshman Princess, Glenda David.

CROSS COUNTRY



FIRST IN LEAGUE, SECOND IN DISTRICT, TWELFTH IN STATE

Undefeated in their league, the Cross Country track team went on to place second in district, and finally twelfth in the state. Much to the surprise of Coach Longshore, the once all male team was joined for the first time by three girls who proved to be just as devoted and hard working as any of the boys. The team consisting largely of underclassmen was led through the season by Seniors, Henry Strickler, Larry Taylor, and Mike Tunnel. Other runners were: Karl Hunt, Dave Mohr, Dan Willner, Mark Goodno, Mike Kardos, Daryl Warner, Bob Pelleberg, Tim Smith, Pat Strickler, Tim Sutton, Debbie Sutton, Cheryl Wareham, and Serene Littlebird.

CHEERLEADERS

As usual the cheerleaders had a big job to do. But the 1977-78 squads did an excellent job of it. Their enthusiasm was an inspiration to us all. No matter if the rooting section was small or large, winning or losing, they were always there keeping up everyones spirits. Upper left, Varsity: Susan Fields, Francie Kluth, Dena Worley, Donna Phillips, Karen Geary and not pictured Amber Anderson. Above, Wrestling: Tammie Petretee, Shelly Petretee, and Shaun O'Neill. Lower left, J.V.: Debra Carnes, Dona Winterfield, Jodi Hahn, and Kelly Turner.

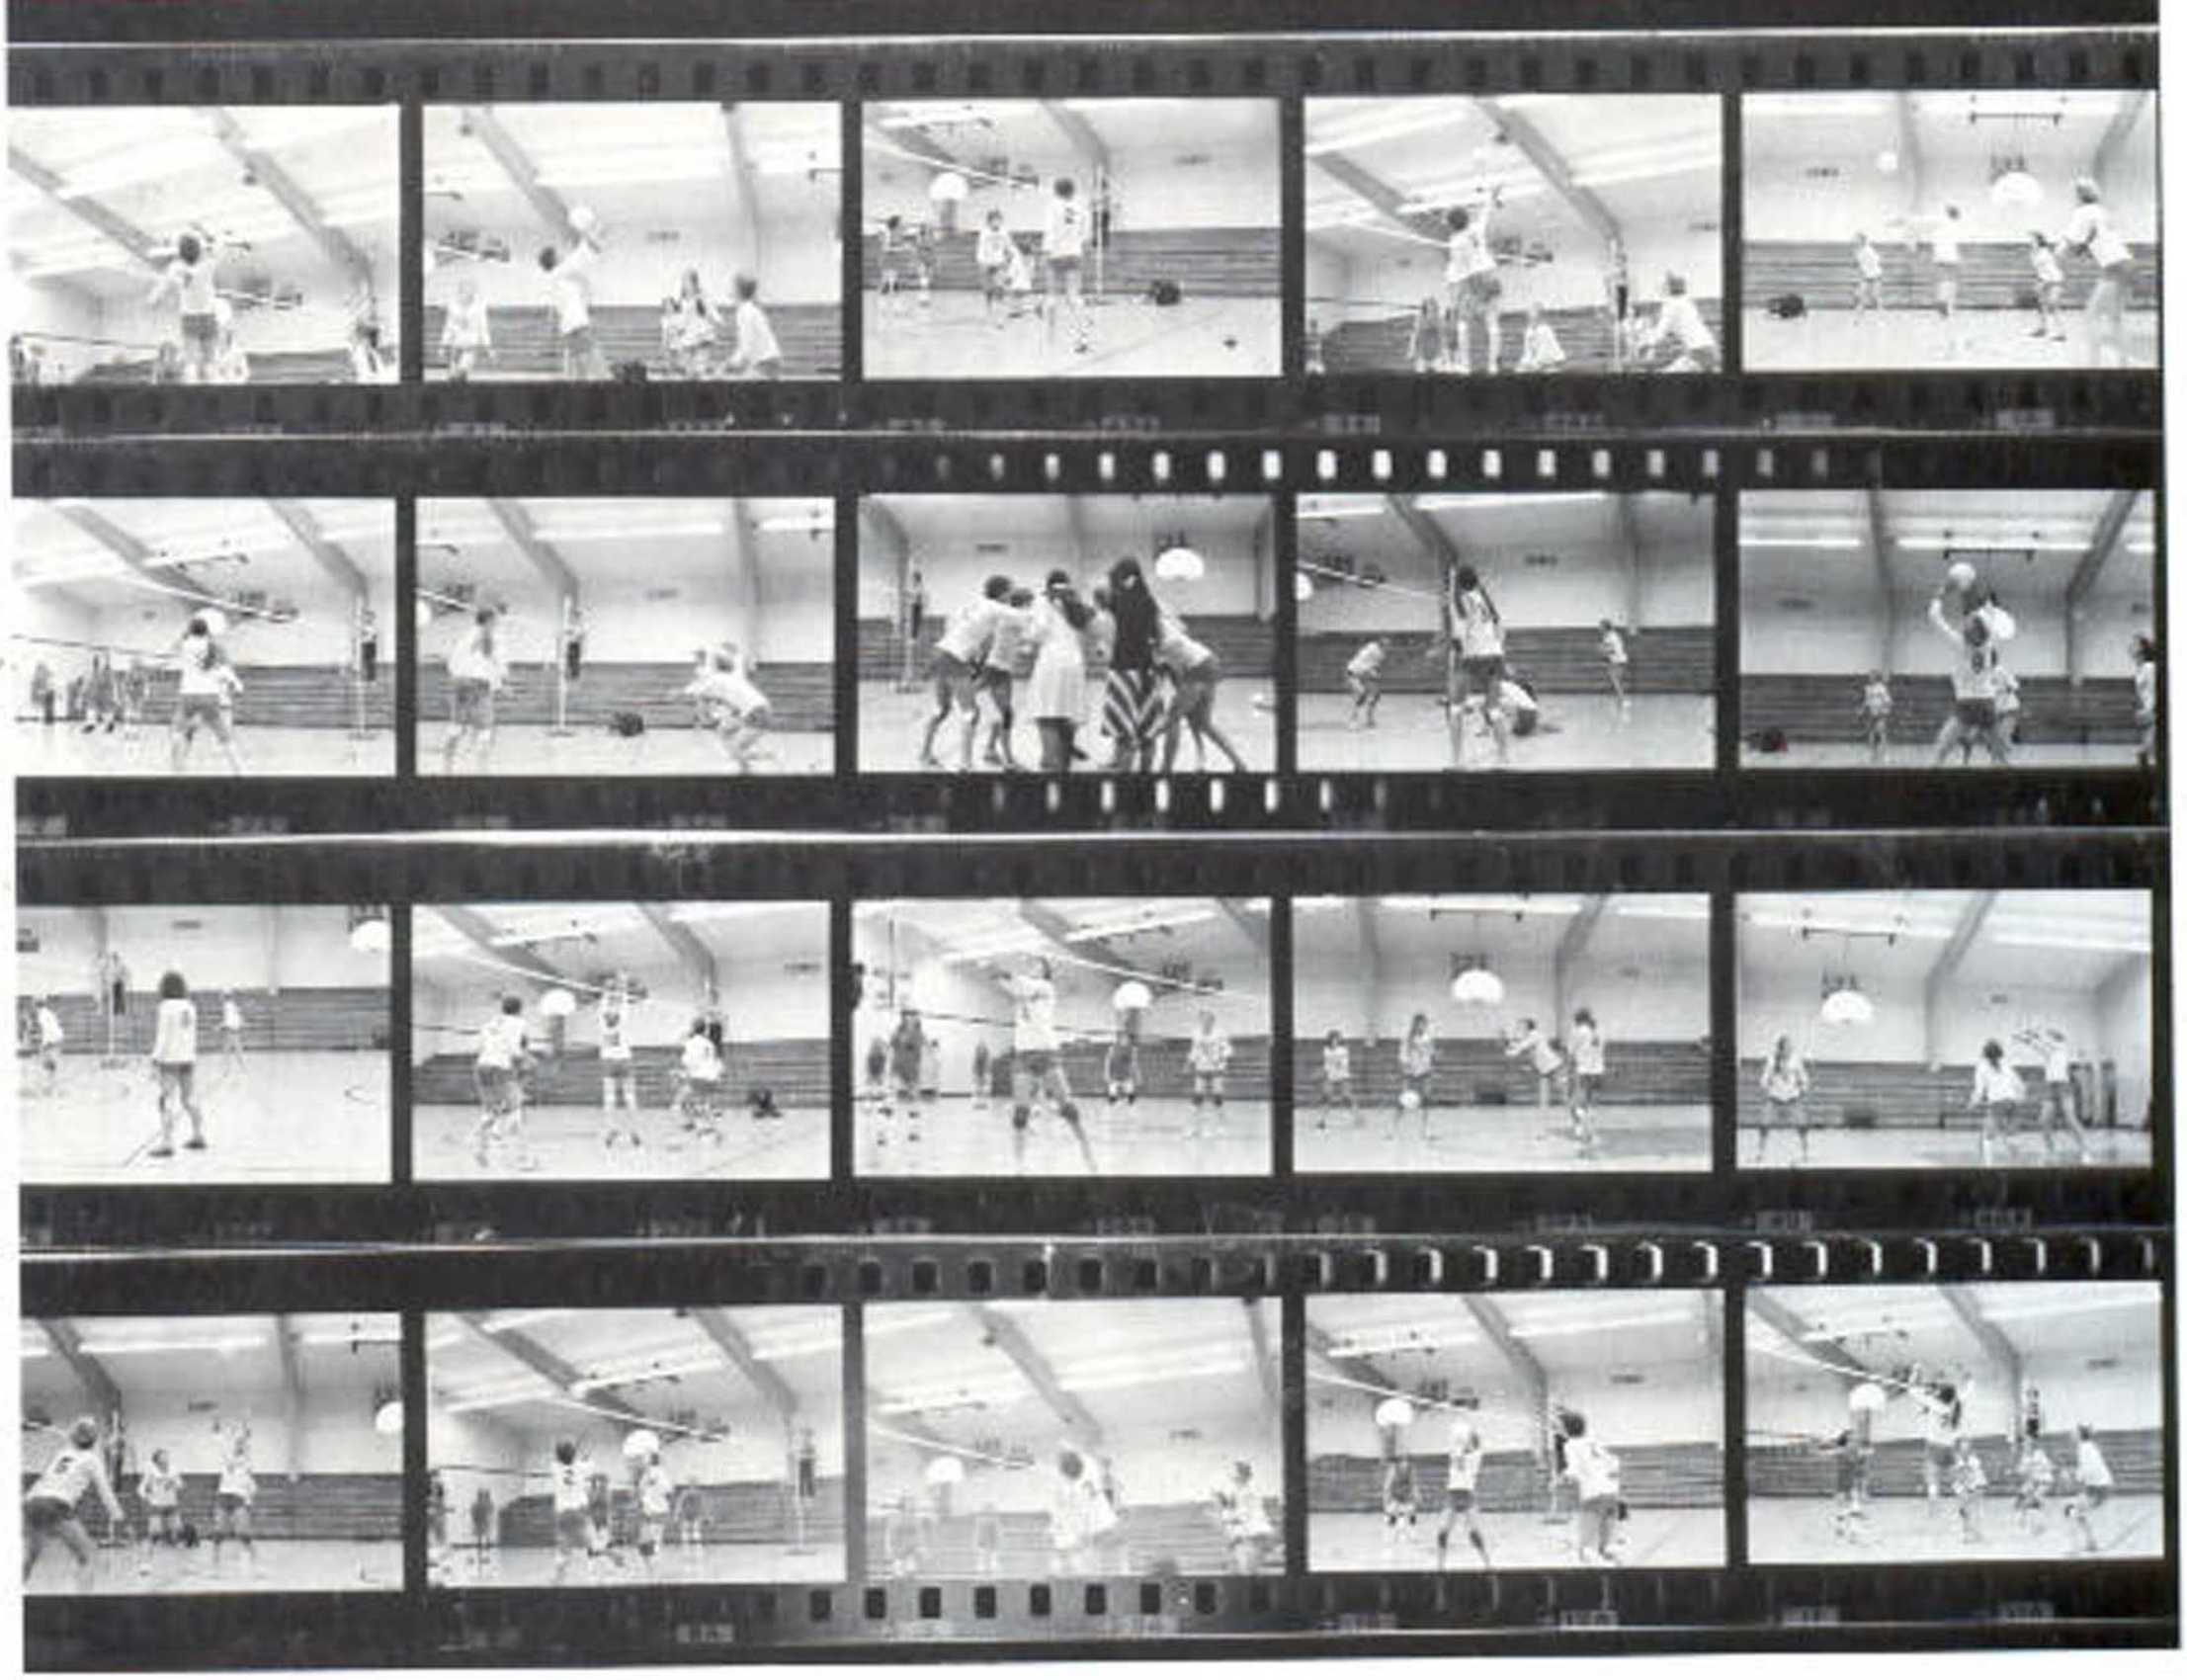
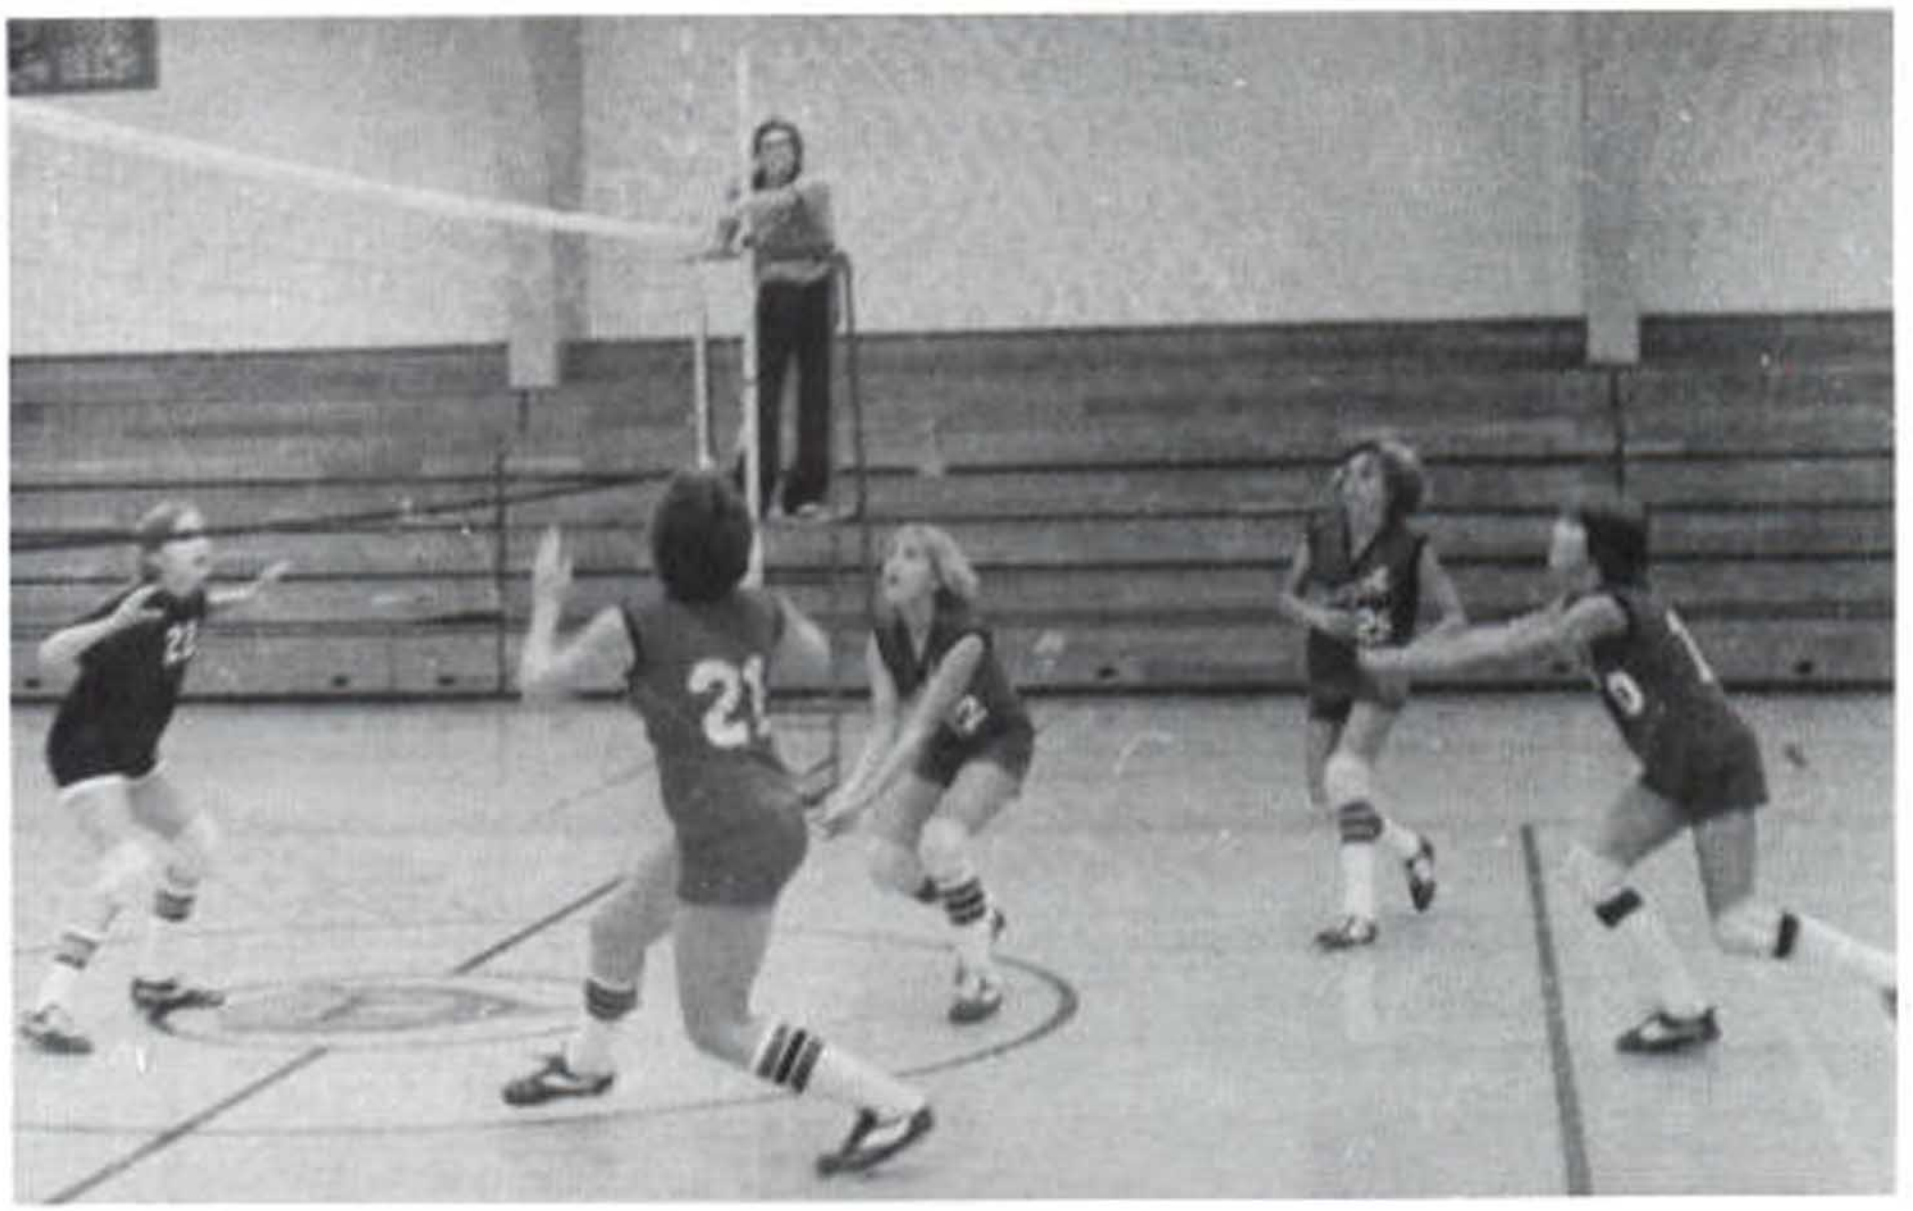
A lot of hard preparatory work goes into becoming a radio announcer and practical experience is the best way of going about it. That is what KUBS*FM offers to the students who wish to take advantage of this facility which is not available in but a few high schools in the state. Headed by Jerry Sherman, KUBS*FM plays an active part both in the school and the outlying community.



VOLLEYBALL: ON TO STATE



Volleyball, a very tedious and energetically demanding sport. A sport that takes unity and team work combined with dedication and skill. This is what we got from our girls this year. They worked hard and were rewarded for their efforts. The girls led the season with a winning record, which then lead to a district championship. Then it was on to State getting fifth, the best a Newport girls team has ever done. Congratulations to the following girls: Coach Linda Haptonstall, Jenny Rothstrom, Kathy Kroening, Sandy Romero, Linda Myers, Paula Hays, Brenda Hunt, Wilma White, Kelly Marmo, Ronna Anderson, & Andrea Henderson. J.V.: Rhoda Yeaw, Julie Vaughn, Naomi Nickleson, Jodi Gabbert, Rachelle Carnes, Nerrissa Cornel, Andrea Henderson, Jennifer Hilborne, Danette Petretee, Mary Wilson, & Lori Noble.

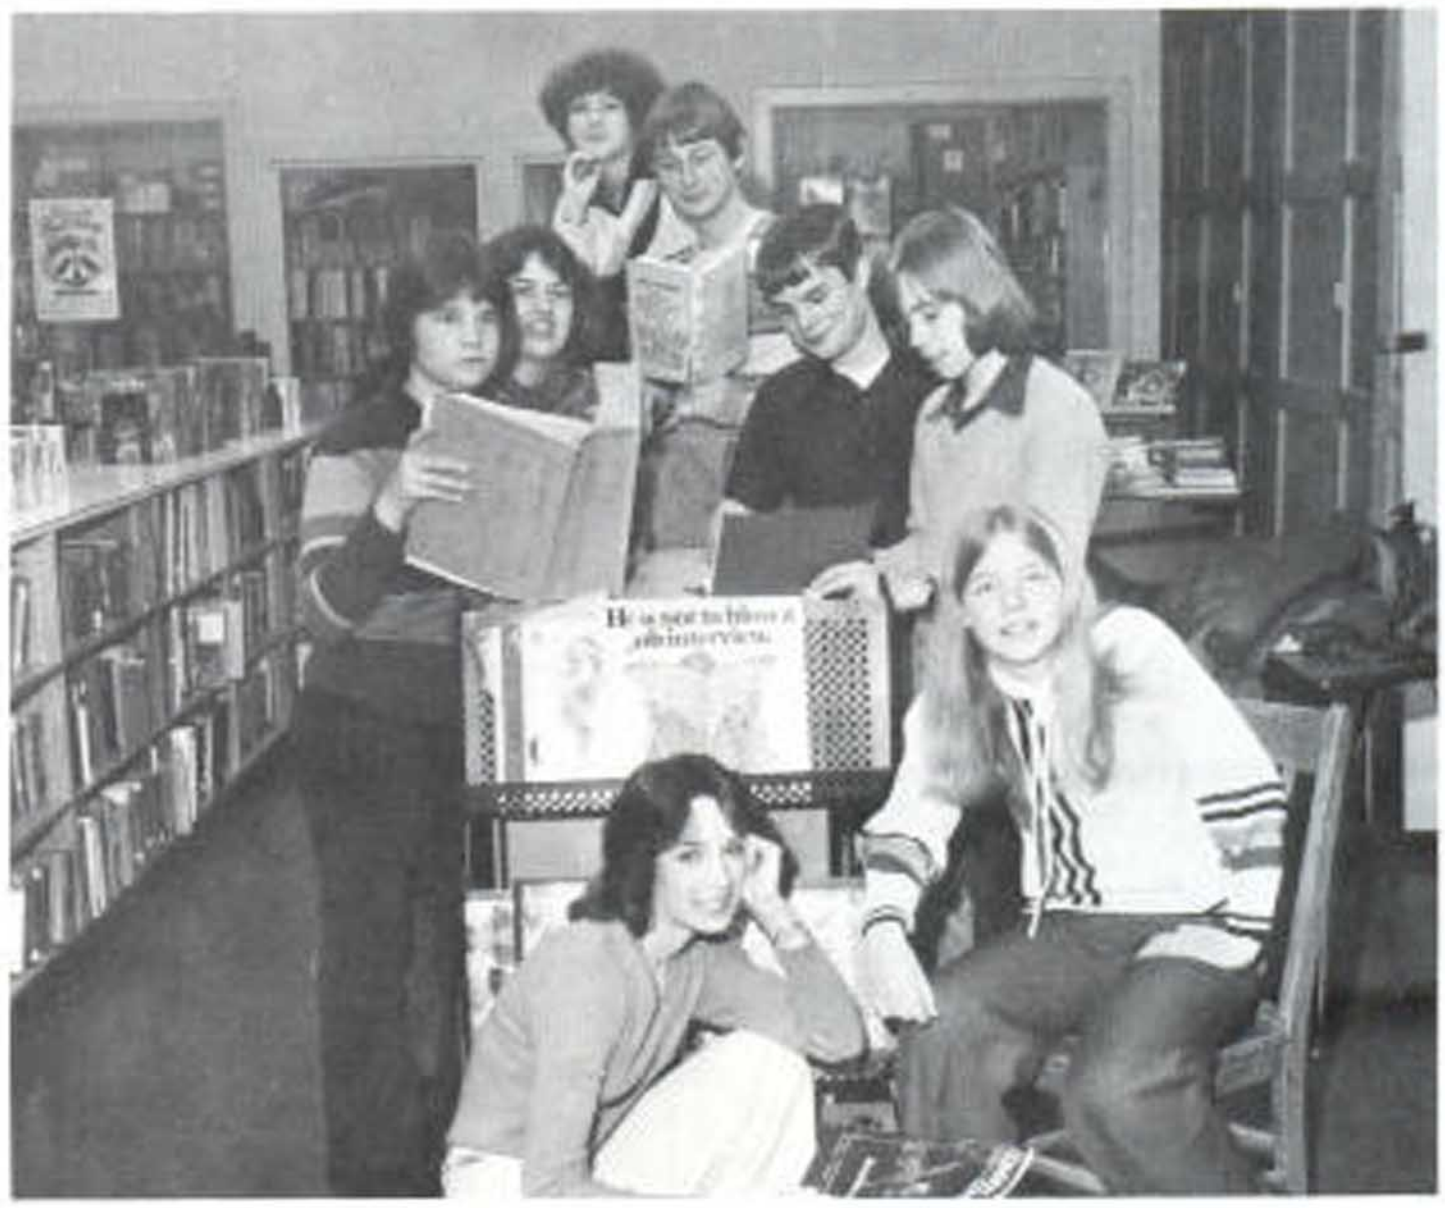
We only remember moments."

HIGH SCHOOL BOWL

Congratulations are in order for these four scholars on a job well done. After sitting out last year, Newport made an impressive comeback as they easily beat Moses Lake in their first appearance. However, they were not so fortunate as they lost their second attempt against Clarkston. We were proud to have them selected as representatives of N.H.S. Members: Srs. Carey Renfro, Karen Lunden, Jeff Wheeler, and Jr. Sharon Gomez. They were Coached by Mr. Al Carpenter.



Under the coaching of Sue Marcy, the debate team faced the resolution Resolved: That the Federal Government should guarantee comprehensive care to all citizens in the United States. They had a busy season spent both in researching and travelling to and from their opposing schools. Debaters include: Cary Renfro, Kamala Shadduck, Frank Marmo, Naomi Nickleson, Susan Watts, Steven Fouts, and Gaylen Goertzen.

DEBATE

FFA

FHA

FFA and FHA are two of Newport's longest living clubs with the many functions and activities they carry out. Some of these include going to fairs, judging animals, and this year starting an intramural basketball team for FFA under the leadership of Gary Yann. As for Edith Jones and her FHA group their activities reach from making Christmas ornaments for the nursing home, bake sales, and helping with the March of Dimes Fund. Both the school and community benefit from these organizations.

Basketball '77 was a season spent increasing and improving their abilities on the court and for the players, all but two will be returning next year, when they will reap the benefits of their hard work.

Practice after practice, the anticipation, traveling to and from games, staying within the favor of the fans, all the pressure and hard work that goes into becoming a basketball player was very evident among the 77-78 NHS basketball team. The eleven players, the benefits of their hard work were also evident as the season progressed and the boys finished the year with a 14-9 record.

GIRLS' BASKETBALL

Top row: Coach Hays, Mary Zimmer, Kathy Kroening, Patty Davenport, Jenny Rothstrom, Sandy Romero, Kelly Kahlon. Bottom row: Nancy Rusho, Andrea Henderson, Paula Hays, Gail Hayden, Julie Vaughn.

The right combination was present as Coaches Linda Haptonstall & Bill Hays assembled their 77-78 girls' basketball team. The team, made up largely of next year's returners, not only won a large percentage of their games but went on to become the district champions. Ending the season with an impressive record, the girls headed for the State 'A' Tournament in Ellensburg, finishing 10th.

Enthusiasm High

These girls also spent many hours playing and practicing to improve their basketball game, preparing for the chance they will have to play on varsity team. This group of girls have come a long way in the season under the coaching of Mrs. Haptonstall.

WRESTLING

The wrestling season started at a pretty good pace this year with a lot of new faces & a few old ones. This year they were strong in all weight classes, especially in the heavier weight divisions. They finished out the seasons 2nd in League sending 2 boys - Carl Hunt & Mike Hudson to State.

SKIING

VARSITY BEGINNERS

From Beginning Skiing to the starting gate at the Exum Cup skiing was a rewarding experience. The race team competed in a six race schedule and the beginners took eight lessons at 49° North. The racers were: Lucas Fellman, Shelly Lawson, Karen Pease, Kyle Shaw, Christina Thellberg, Rick Ashdown, John Brigham, Tracy Morrow, Dan Olson, Dave Wareham, and Clint Winterfield. The team was coached by Bob Peck and Tom Bresnehan of the 49° North Ski School Staff.

JUNIOR PROM

The high school gym creatively decorated to the theme "Night Moods", set the scene as everyone got down to the tunes of Starbux. Also included in the evening was the coronation of the royalty. Queen Carla Wester, escorted by Jeff Wheeler, and Princess Teresa Matthews, escorted by Tim Brown.

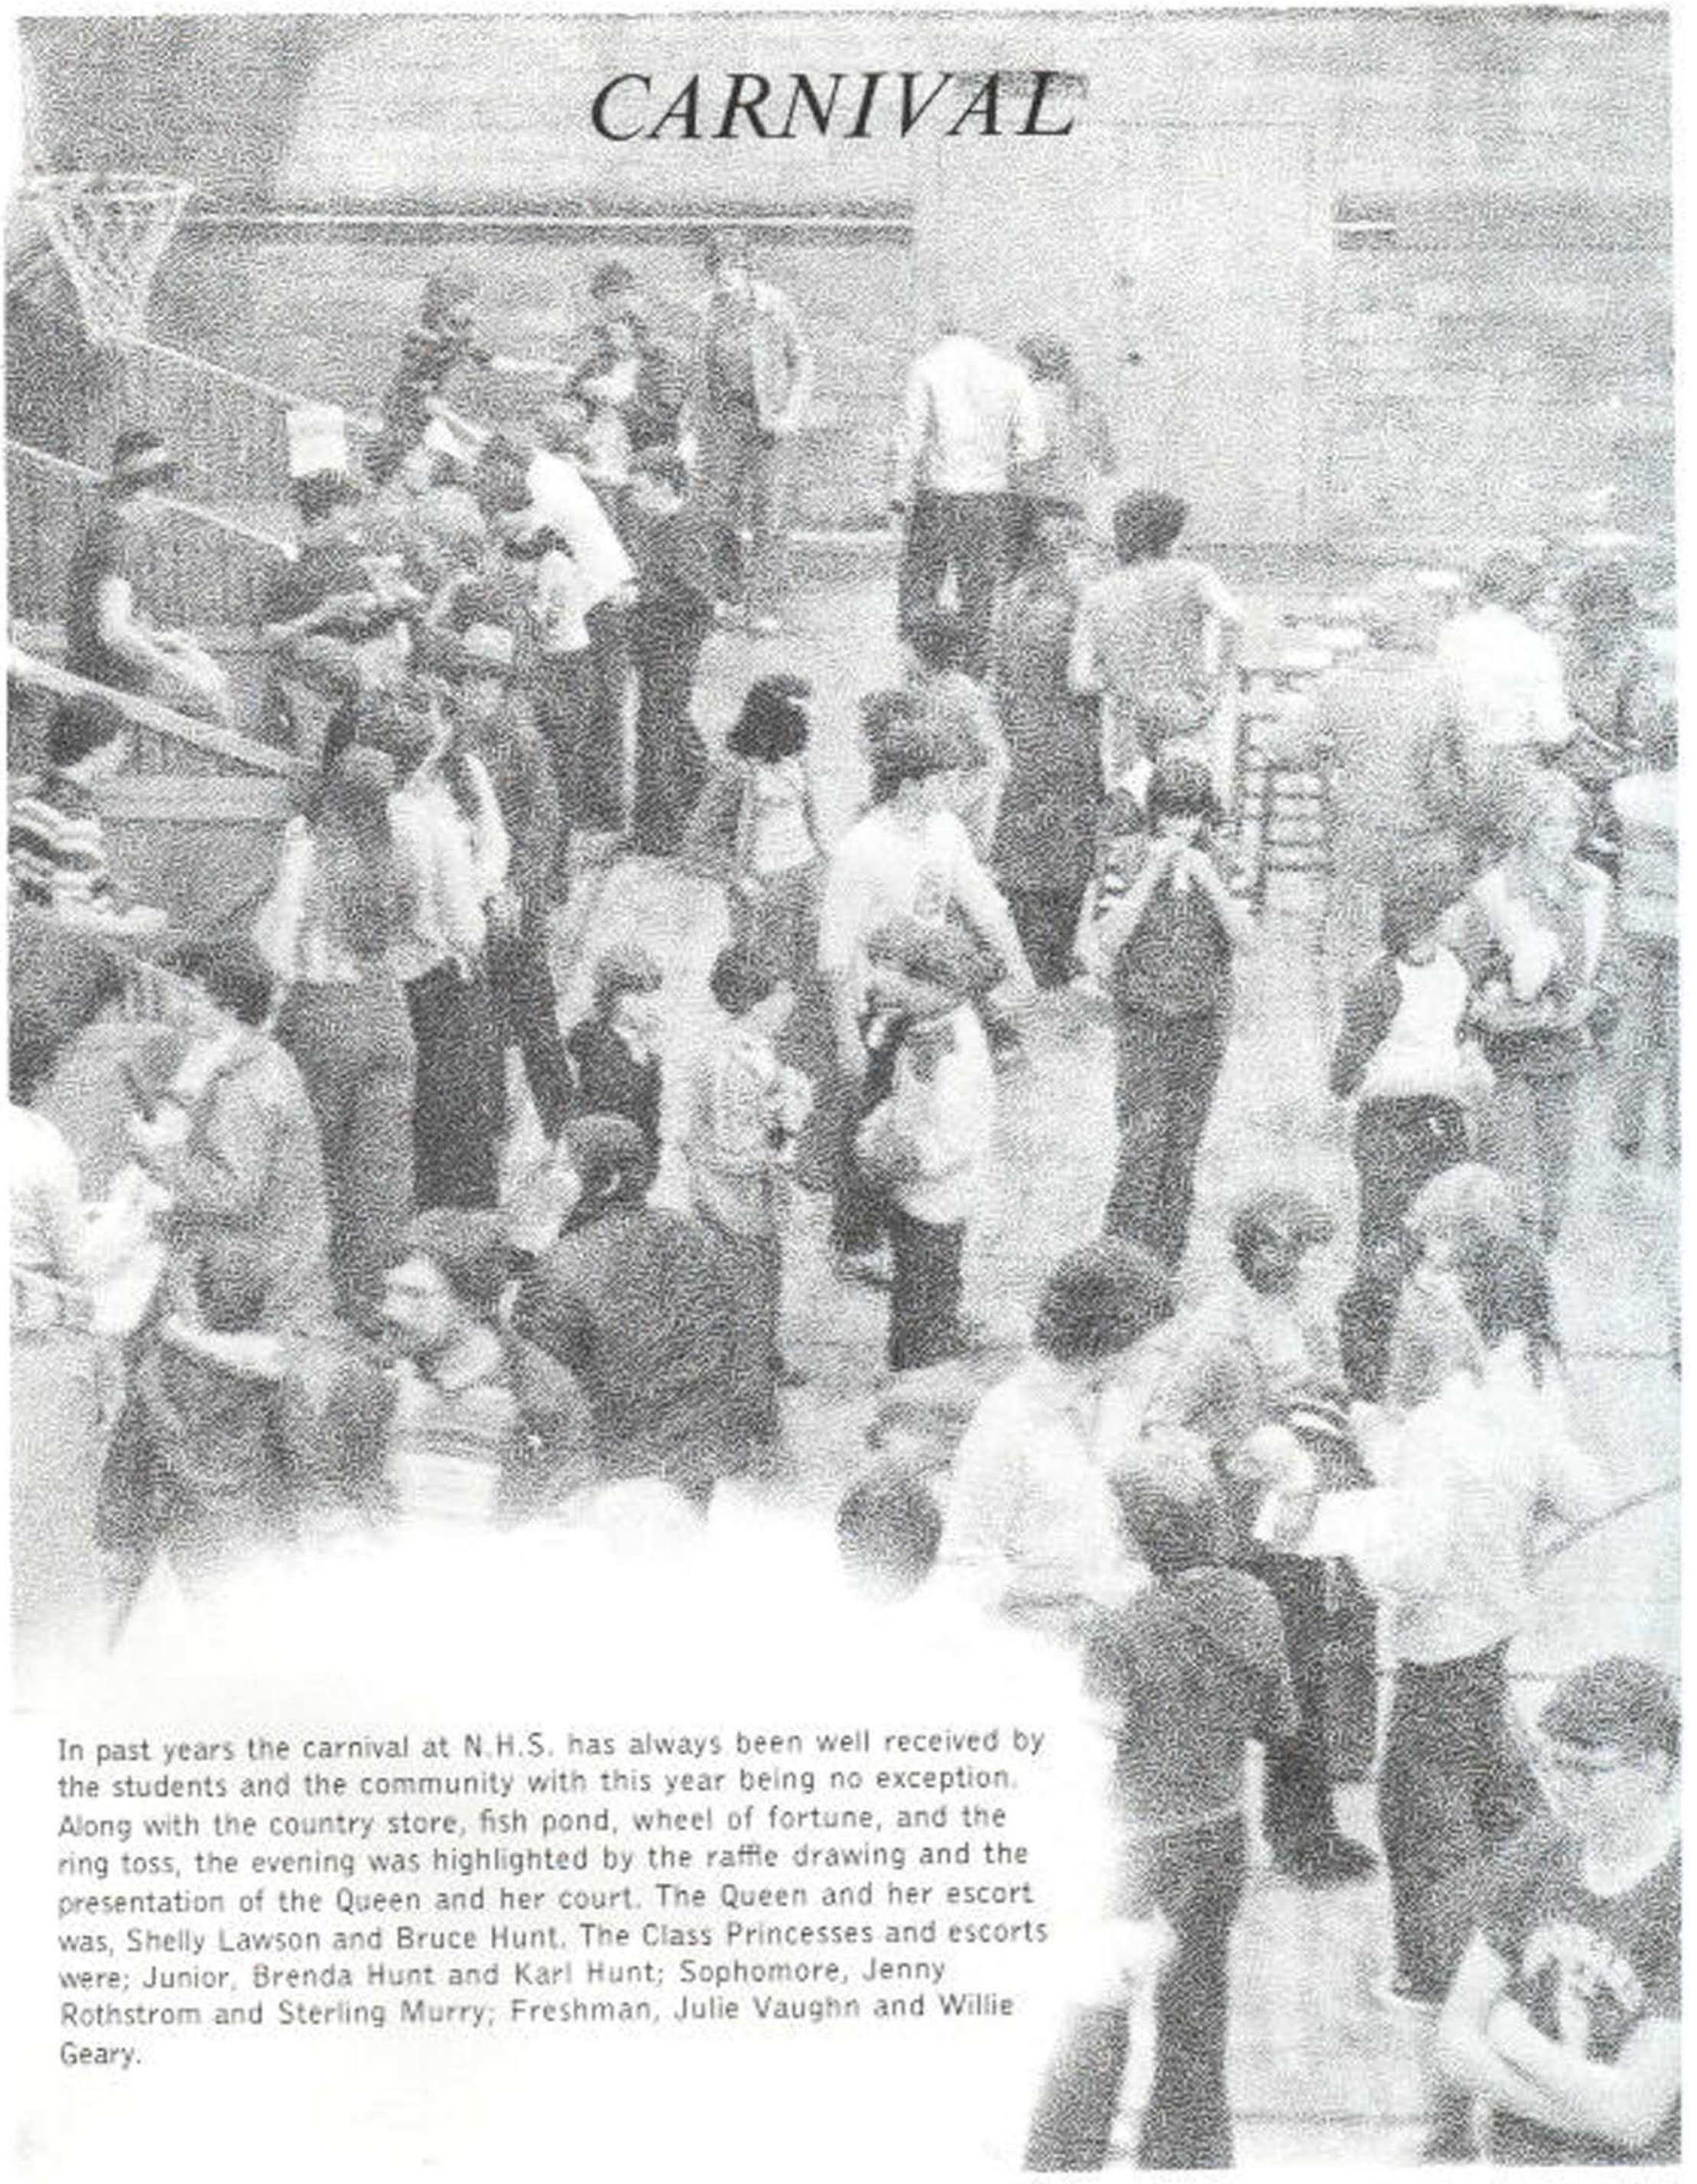
CARNIVAL



In past years the carnival at N.H.S. has always been well received by the students and the community with this year being no exception. Along with the country store, fish pond, wheel of fortune, and the ring toss, the evening was highlighted by the raffle drawing and the presentation of the Queen and her court. The Queen and her escort was, Shelly Lawson and Bruce Hunt. The Class Princesses and escorts were; Junior, Brenda Hunt and Karl Hunt; Sophomore, Jenny Rothstrom and Sterling Murry; Freshman, Julie Vaughn and Willie Geary.

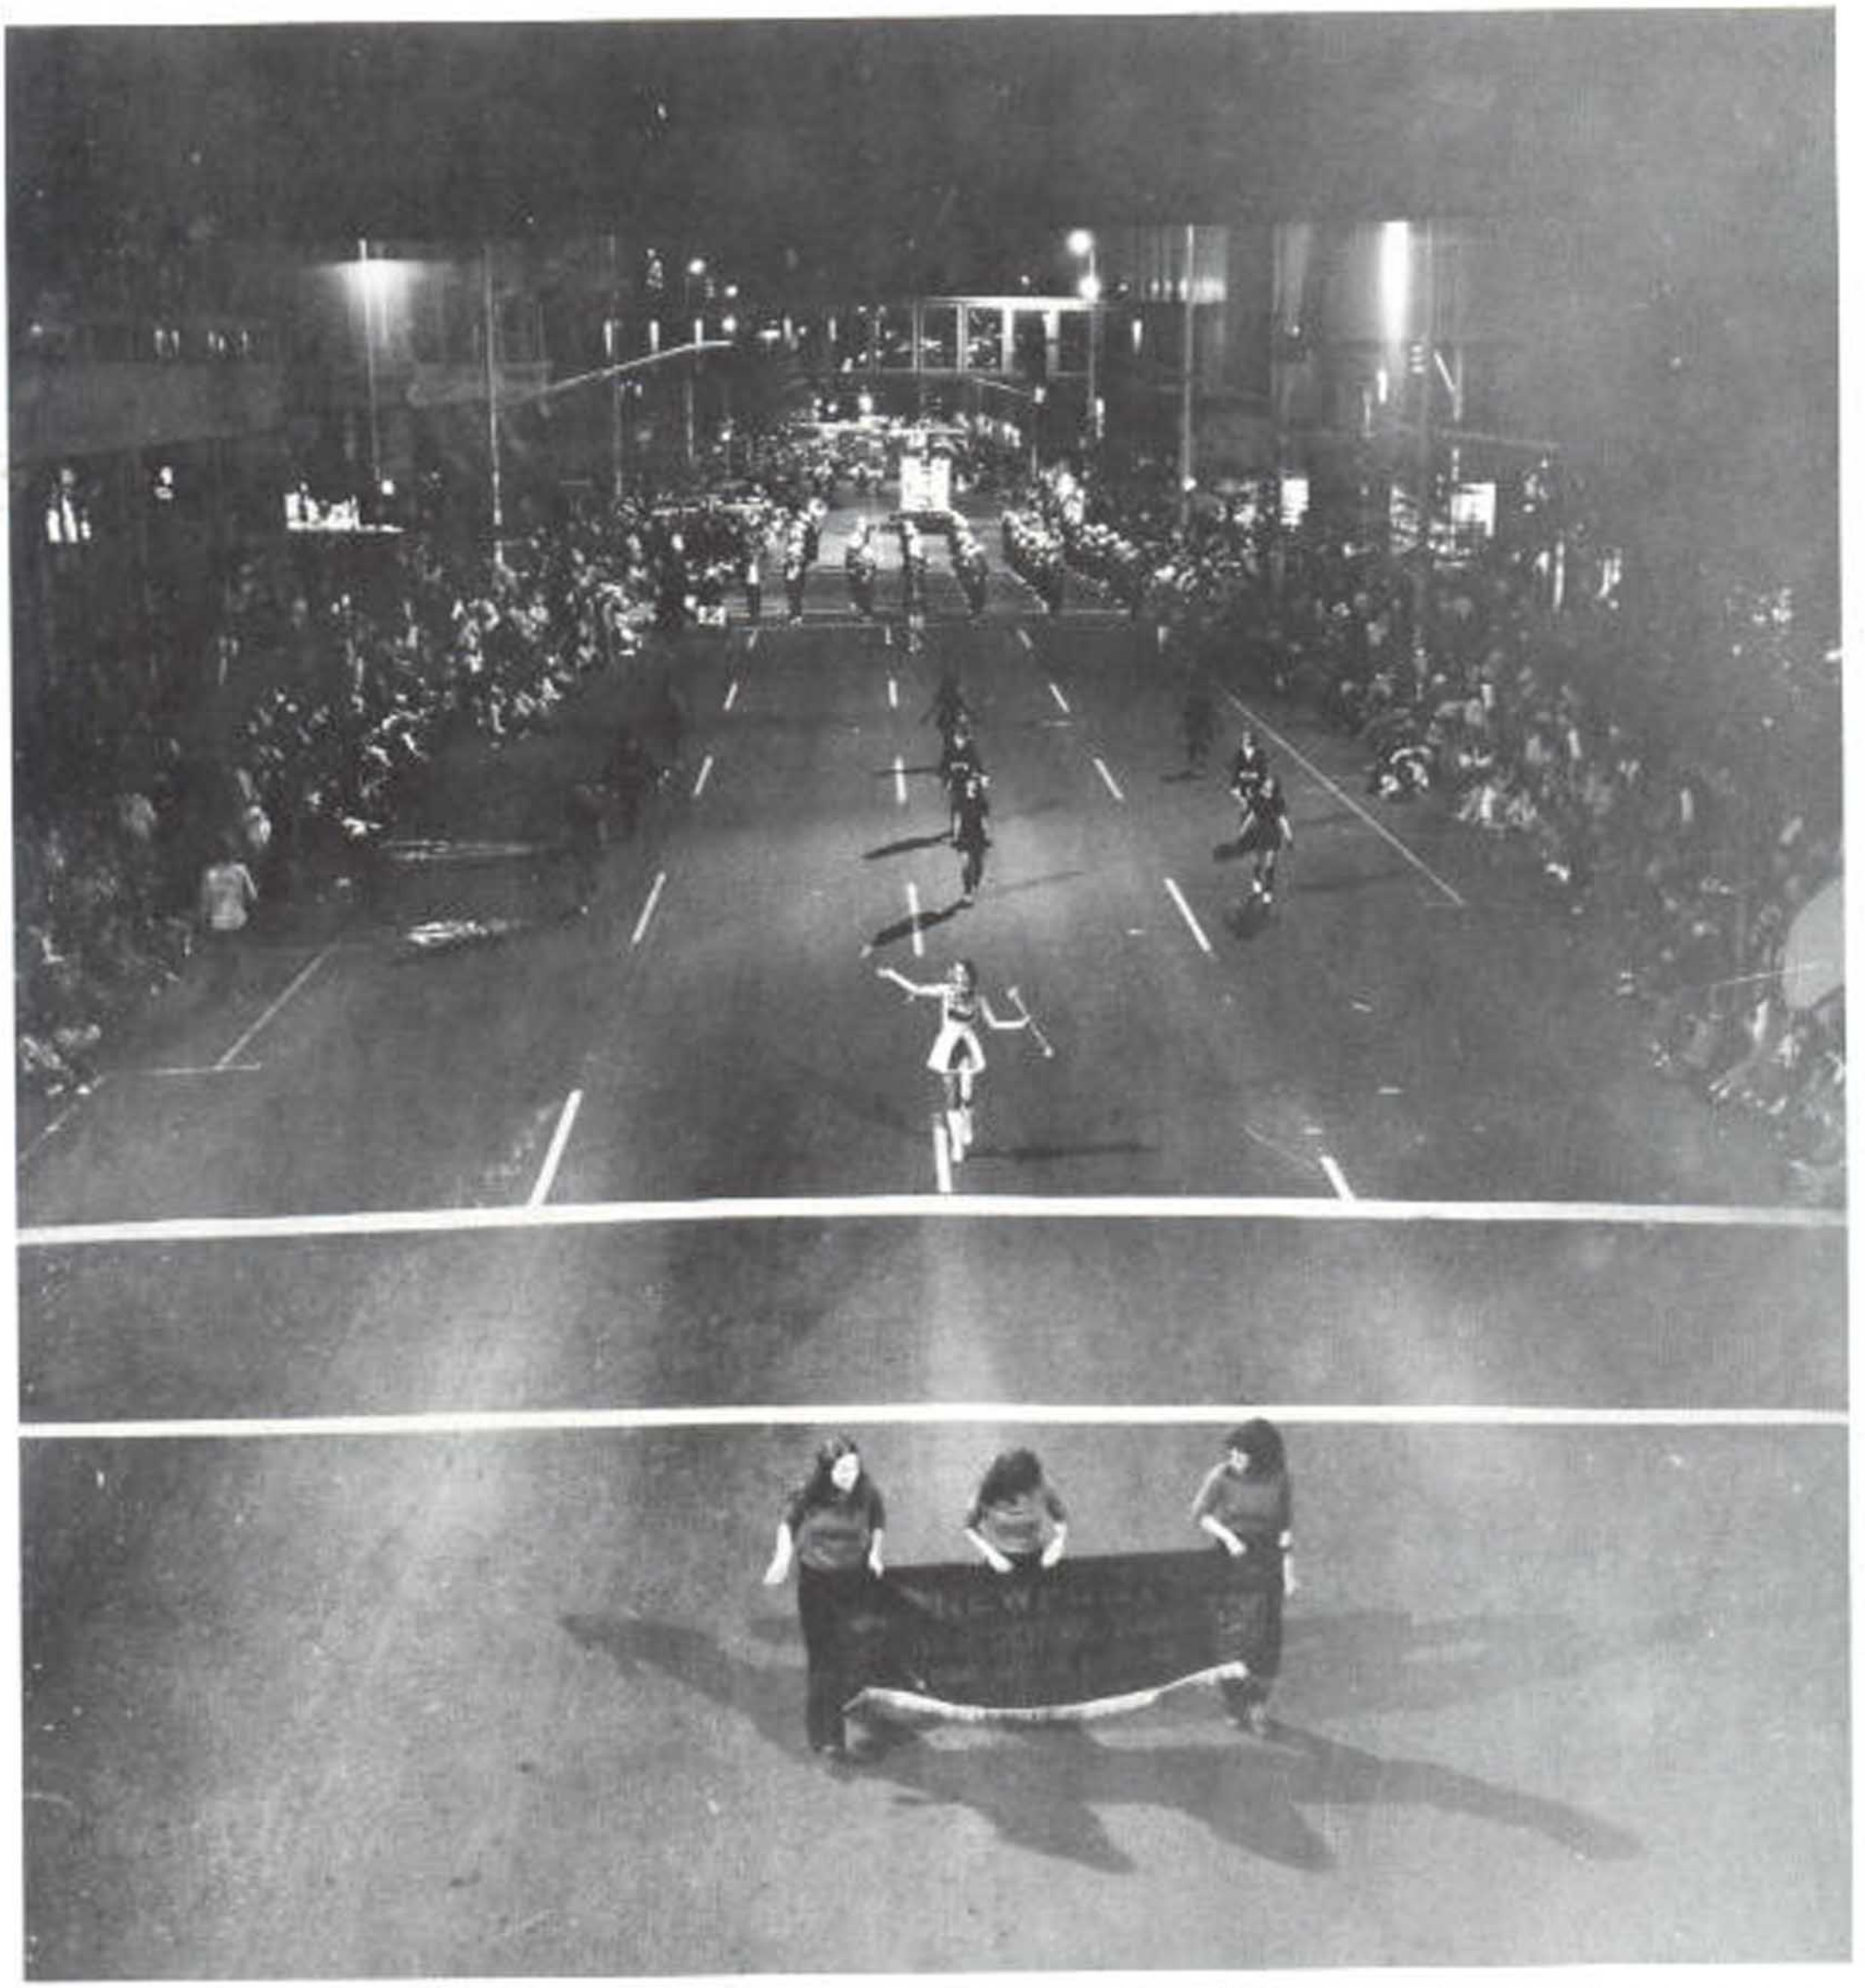
BAND



A-one & a-two . . . The band following the tradition of having a busy schedule once again set off at a fast pace.

They started off by promoting spirit & enthusiasm with peppy tunes at the Footbail & Basketball Games. During the year they travelled to Colville where they participated in a music festival, out of which a few band members were selected to become members of the Honor Band.

After that excitement came the annual concerts, the Christmas one in December and the Spring concert in May.

To round out the year the Marching Band marched both in the Coeur D' Alene parade and the Spokane Lilac Torchlight parade.

BASEBALL

The 1978 Baseball team had an overall winning season, but a meager 2-2 for the league. Led by the power hitter Jeff Howe, the Grizzlies achieved second in the Northeast A League.
