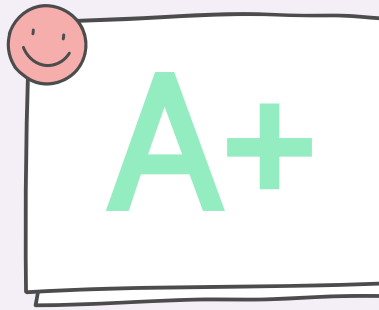
Table of contents

How Homework is Spread Out

Students complete the **Practice Problems** after each section. There are about 3-4 problems each. So after 4-6 sections learned, they have a group of homework due after we finished every lesson.

How We Do Tests/Quizzes

Most Tests and Quizzes will be either through SchoolCity- an online testing site through the district- or on paper. Depending on the content.



Grade Scale

Students will be graded on the following scale:

100%-90%: A- Students have an exceeding understanding of content knowledge and have mastered course content.

89%-80%: B- Students have a great understanding of content knowledge and are proficient in course content.

79%-70%: C- Students understand content knowledge and are proficient in course content.

69%-60%: D- Students need guidance in understanding content knowledge and are slightly proficient in course content.

59% and below: F- Students have not yet reached understanding of content knowledge and are not proficient in course content.

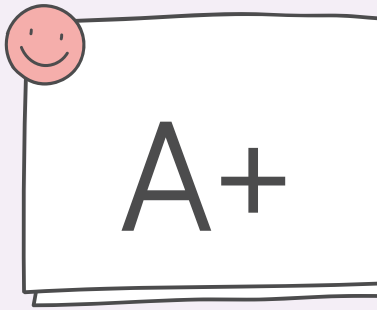
Retakes and Missing Work Policies



Retakes

- Must have all work completed
- Fill out form
- Talk to me

Missing

- Have a day for every absent day to make up work
- EXCEPT TESTS IF REVIEW DAY IS MISSED

District Late Work Policy:

- PLEASE turn things in on time
- If work is late, they can still turn it in for full credit
- If late, a '0' will be put in as a placeholder until turned in and graded
- They have until 5 days after the unit ends to turn the work in, then it is replaced with an automatic 49%
- I have a designated late work turn-in bin
