We're Inviting All Parents

As part of the reorganization of the Clark County School District, our school forms a School Organizational Team (SOT) each year, which includes three parents or guardians. These members are elected by a vote of all parents and guardians. Your participation is crucial to the success of our school and its students. We encourage you to get involved in this process and ensure your voice is heard in our school community! Parents and community members can reach out to the SOT Committee by emailing me: stacecm@nv.ccsd.net.

Nominate

The nomination link will be available on our website, elizondobulldogs.org, from September 1 to 15, 2026. The nomination link will be a Google Form. Link

Vote

Parent and Guardian elections will occur between September 16-30, 2026. Elected team members will be announced on the school website, and ParentLink.

Attend Monthly Meetings

All SOT meeting dates will be sent out and posted at least three days in advance. Dates, times, and agendas will be posted on our website, listed in Newsletters, and announced via ParentLink. Meetings will include a time for public comment, and we encourage all parents to attend.

What is the role of the School Organizational Team?

First, the SOT provides input on the school plan of operation, school performance, and the school budget. Next, the SOT provides continued advice to the principal in carrying out the school plan of operation. Finally, the SOT assists with selecting the school principal if there is a vacancy.

What are the requirements of team members?

- ➔ Attend monthly SOT meetings.
- ➔ Attend once per month outside of school hours. [Thursdays from 2:00-3:00 PM]
- ➔ Make decisions with the whole school population in mind.
- ➔ Work collaboratively to reach a consensus with the members of the team.
- ➔ Serve on the team through September 30, 2027, unless your child no longer attends Elizondo Elementary School.

Please note: Parents and community members who are not employees of the Clark County School District will not be defended by the District if a lawsuit is filed against them because of what they say or do while participating as part of the school organizational team.
