HIGH School

EXPLORE MORE

Welcome to the

TUT Fair

September 8 and 9

Why You Should Be Involved in Community Engagement:

- **Leadership:** Step into real leadership roles, not just participation.
- **Personal Growth:** Discover your strengths and build new skills.
- **Real-World Experience:** Apply what you're learning to real challenges and real people.
- **Empathy and Connection:** Understand perspectives and communities beyond your own.
- **Meaningful Impact:** Contribute to something that actually matters.
- **Future Direction:** Explore interests that could shape what you do next.

G9&10

You are required to complete a semester of TUT in each grade level

G11&12

You are required to complete a year of community engagement at each grade level. You can choose to participate in CE outside of ICS or through our TUT program. We strongly encourage you to sign up for TUT, as the service clubs provide a variety of enriching opportunities.

3D CURE

Mission

Employ 3D printing Technology in the Orthopedic field, innovating traditional casts and prosthetics through technology & innovation

Vision

Make personalized prosthetic and orthotic care fast, affordable, and local for every patient in Ethiopia.

EXPLORE MORE

3D CURE
TECH IN HEALTH

What we've done so far

- Develop medical devices via 3D Printing
- Braces, casts, prosthetic limbs, colostomy, surgical instruments

Benefits of joining

- 3D CAD Design Training, Fusion 360, Blender, Bambulab
- Community Engagement with Hospitals in Addis Ababa
- Scanning, Designing, 3D Printing
- Work incorporates almost all STEM based subjects

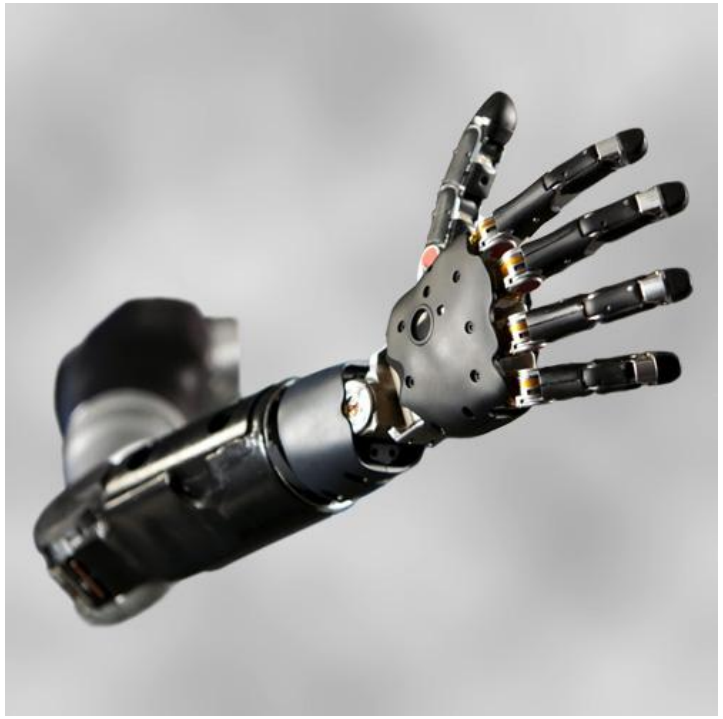
F 360

THIS YEAR'S PLANS



BIONICS

Our biggest hope is to build 3D CURE's capacity to make bionics.

CASTS

We hope to strengthen our relationship with our partner hospitals as we supply them with high-quality casts.

PROSTHETICS

We aim to continue our ongoing efforts to strengthen of 3D CURE's focus on prosthetic design

BLOOM

EMPOWERING WOMEN ONE CYCLE AT A TIME

500,000,000+

ICS ADDIS

Mission

- Eradicate the stigma associated with menstruation
- Collaborate with organizations and support their efforts to empower women
- Support the local community by providing sustainable and reusable menstrual pads
- Empower individuals to have open and informed conversations about periods
- Engage with the community to:
  - Erase stigma
  - Provide education
  - Promote inclusivity surrounding menstruation

Vision

Our vision is to empower women and girls across Ethiopia. This is through supporting their rights, breaking menstrual health stigma, providing safe facilities, and partnering with organizations to create lasting, sustainable change in schools and communities.

Activities and Projects Done

Benefit of joining

- Create long-lasting real impact on the livelihoods of girls and women across the country.
- Fight misogyny and injustice head-on.
- Build leadership, teamwork, and communication skills
- Work with organizations and community partners

Who We Are Looking For:

- Passionate students who want to create change and improve the lives of others.
- Students looking for an opportunity to bring their innovative ideas to life through service.

Meeting Information

- Every Tuesday from 3:30pm- 4:30pm in M304

Burn Care

BURN CARE HOSPITAL

HELPING LITTLE HEROES HEAL

Mission:

The mission of Burn Care is to serve as a catalyst for positive change in the lives of children by creating a sense of community and belonging.

Vision:

Our vision is to get the children to experience a true inclusive community where these children feel accepted and celebrated.

Activities and Past Projects

Benefits of Joining

- Work with the members on activity ideas and experiences for the kids
- Consistent involvement helps with building empathy and responsibility for the patients

Who are we looking for

- People who are empathetic and enthusiastic.
- We need a lot of speakers in diverse Ethiopian languages (Amharic, Tigrigna, Afaan Oromo)
- People who are interested with working with children and love spending time with them.

Meeting Information

- Planning sessions : Once every week on Tuesday ⇒ S017
- Visits : Every other week on Wednesdays

Contact Information

- Co-presidents⇒ robert.hu@icsaddis.org rediet.abebe@icsaddis.org
- Vice President⇒ naomi.getnet@icsaddis.org
- Comms Officers⇒ gifty.galalcha@icsaddis.org

Dot Connections

ICS ADDIS

Mission

Reach More Communities

- Develop a variety of projects to support marginalized communities.
- Adapt initiatives to meet the specific needs of different groups.

Empower Members

- Build creativity, responsibility, and leadership.
- Encourage members to establish and lead their own service clubs.
- Equip members with practical skills they can use throughout life.

Vision

- **Long-Term:** Grow the club, expand to 5–7 active projects with full teams
- **Short-Term:** Continue Black Lion project + launch 2 new leader-led projects
- **3 Months:** 4 Black Lion trips, 1 new project trip, launch 2+ projects, serve 3 communities
- **6 Months:** Weekly Black Lion trips, bi-weekly trips for new projects, members independently running projects

Activities and Past Projects

Meeting Information

- TUT Sessions are every Tuesday 3:30-4:30 at S118 (Mr. Love's room)

Continuing Projects

- **Tikur Anbessa**
- **Biruk Hills**
- **UN/UNICEF**

Contact Information

yafet.dagne@icsaddis.org

amadou.sarr@icsaddis.org

Earth Day

Mission:

- **Promote** the environment for younger students.
- **Foster better** behaviors towards our environment.
- **Engrave** sustainability within the ICS **“culture”.**

Vision:

- A school that **prioritises** an environmentally friendly approach to learning.
- **Encourage** student initiatives that promote **sustainable practices**.
- Sustain **relationships** with **TUTs**, the **BBC**, and the **faculty body**.

Activities & projects done

- Planned Earth day
- Coordinated with different school departments…
- Communicated with different NGOs, and the BBC
- Collaborated with other TUTs and highlighted student/school initiatives

Meeting Information:

- Every Tuesday (from 3:30-4:25) in **Dr. Pines' room (S107)**

Contact Information:

yahya.el-jabraoui@icsaddis.org

Benefits of joining:

- Encourages students to get out of their comfort zone
- Benefit from working with a team aiming at the same goal
- Foster public speaking skills
- Stimulate creativity

ENAT ENERGY

ENAT ENERGY

wowtiger

TANA
Drilling and Industries

MARNAT
Healping one child at a time.

Empty Bowls

Mission

- Use creativity and art to support those within our community
- Partner with TAPCCO to provide fresh produce and essential needs.
- Encourage community engagement through pottery and sharing ceramic creations
- Foster compassion and awareness within our school community.

Vision

- A community where art and service come together to make a lasting impact.
- Consistent, meaningful engagement with children and families supported by TAPCCO.
- Students empowered to take action through creativity, empathy, and collaboration.

Activities and Projects Done

- Hosted Soup & Bread night, a Silent Auction, and multiple TAPCCO visits.
- Made and sold 150+ clay bowls at the farmers market.

Meeting Information:

Every Tuesday in the **HS Art Room**

Benefits of Joining

- Create and design your own clay bowls.
- See your artwork sold at markets to directly support TAPCCO.
- Visit and spend time with children at TAPCCO through games and art.
- Help host Soup & Bread Night and engage the ICS community.
- Be part of a team that turns creativity into meaningful impact.

ICS ADDIS

HOOPS FOR HOPES
TRAIN. EMPOWER. INSPIRE.

ICS ADDIS

Hoops For Hope

Mission

To teach kids basketball skills while building confidence, teamwork, and character.

Vision

A community where every child grows as a player and a leader.

Activities and project done

Meeting Information

- When: Every Tuesday from 3:30 – 4:30 PM
- Where: Outdoor basketball court at ICS Addis.

Contact Information

Club Leader: Nuh, Adonay, Abem

Email:nuh-sultan.mustefa@icsaddis.org

Students are encouraged to reach out with questions about participation, volunteering, or support opportunities.

Hug in a stitch

Vision

- A community where members are directly impacting Sle-Enat Orphanage through multiple projects.

Mission

- Use creativity to make an impact in the community, while learning logistics planning and problem-solving.

Activities and project plans

- To support our community projects, we will raise funds through the sale of crochet items every two months. The funds will be used to support projects such as a mural project, a plantation project, and teaching them how to crochet as well.

Benefits of joining

- An opportunity to make an impact while engaging in creative, and relaxing hands-on activities.
- giving you an opportunity to develop new skill–like crocheting
- build meaningful connections and also develop your soft skills.

Meeting information:

- M110 or the Amharic classroom
- On tuesdays from 3:30 to 4:30

Contact Information

- axelle.inema@icsaddis.org
- meklit.mengesha@icsaddis.org

Mind Matters

Mission

Promote mental health awareness, reduce stigma, and provide interactive, supportive experiences for all students

Collaborate with other mental health centers and institutions to provide funding and other resources

Vision

School community where students express emotions and mental wellness is a priority

Become a part of a broader international network of youth-led mental health clubs to expand our reach

Activities

> Mental Health Campaigns
> Eeme visits
> Community visits to mental health centers

Meeting Information

Location: S021
Time: Every Tuesday from 3:30 - 4:30

Benefits of joining

> Develop leadership, teamwork, and communication skills
> Create engaging mental health campaigns
> Make friends with students across grades

Contact Information

1. President: Naomi Yohannes
   - naomi.kidane@icsaddis.org
2. Supervisor: Ms. Mack
   - angela.mack@icsaddis.org

NUTRO

Mission

Our mission is to improve well-being across Ethiopia by delivering essential nutritious food and medicines while raising awareness about the critical gaps in healthcare and nutrition in Ethiopia.

Vision

To build a healthier Ethiopia where every community has access to proper nutrition, basic medical care, and the knowledge needed to thrive.

Activities and project done

ICS ADDIS

NUTRITION INTERNATIONAL

Nourish Life

Benefit of joining

Develop leadership, teamwork, and communication skills

Engage with the community and make real impact

Build friendships and meaningful connections

Grow personally while contributing to a healthier Ethiopia

PAWS

Missio n

Our mission is to protect and show empathy towards animals by volunteering at local shelters, providing care, and educating the community on responsible and animal welfare.

Vision

To give strays a voice. Make animals feel loved and comfortable. To help give them a loving permanent home and spread awareness.

PAWS

Dedicated to Helping the Animals That Need Us

Activities and Projects

What will you gain?

- Contribute to changing how animals are treated and perceived in Addis Ababa.
- Spread empathy and compassion towards animals.
- Gain experience with animals.
- Marketing/Social media/Graphic design experience.

When and Where?

- Every Tuesday from 3:30 - 4:30 in Ms. Zamira's room (S018).
- Every other Wednesday to help at animal shelters.

Any Questions, Contact…

Our Co-presidents:

- arsema.woldegiorgis@icsaddis.org
- dena.woldegiorgis@icsaddis.org

Our Secretary/Communications Officer:

- edom.lemma@icsaddis.org

Peer Tutoring

Mission

To make learning inclusive:

- Helping students feel confident & build strong foundations
- Help remove barriers that make education/learning inaccessible to students
- Give students at ICS the space to help others access educational materials

Vision

To contribute to a future where students aren't limited by unequal access to education.

To create a contextual understanding of education, tailoring resources to needs of students

What do we plan to do?

- Collaborate with other TUTs (mainly RTTF) to continue visits to Mekdela - started end of last year
- Work with Sheik Fatima Boarding School - to record exam prep materials
- Work in collaboration with Elementary School (PYPx)

Who? When? Where?

- Passionate (about access to education), Committed, Looking to challenge yourself
- Mr. Tolley's room - S117
- Tuesdays - from 3:30 - 4:30

What will you gain?

- Gain a range of skills: from more visits to Mekdela, to organizing PYPx sources/guides to getting involved in projects like Everlamp
- Positively impact multiple communities: ICS, Mekdela, Sheikh Fatima Boarding School

If you have any questions, contact:

1. @henon.mekonnen@icsaddis.org
2. @pieter.roos@icsaddis.org
3. @junwon.hong@icsaddis.org

If you are someone who cares about access to education, join!

Project Mekedonia

Mission

- To show that service is not only giving resources but also listening and sharing life together.
- To create spaces of dignity and joy through art therapy, storytelling, and consistent engagement.

Vision

- To create a future where the elderly and disabled at Mekedonia feel valued, supported, and connected to the wider community.
- To inspire ICS students to see service as building relationships, not just charity.

Activities and project done

Once a month visits to Mekedonia Homes, Art therapy and storytelling sessions, Seasonal donation drives, Annual exhibition of residents' work

Benefit of joining

- Build leadership, empathy, and teamwork skills
- Gain consistent community engagement experience
- Develop creativity through art-based service
- Make lasting friendships with residents and peers
- Strengthen values of compassion and responsibility

Meeting Information

- **When:** Every Tuesday, 3:30 – 4:30 PM
- **Where:** Room S117

Contact Information

- **Leaders:** Feven Abadi, Eyob Derege, Gabriella Ferede,Kidus assefa
- **Email:** Eyob.Derege@icsaddis.org

waste to worth

Waste to Worth

Mission

Giving waste a second life and take advantage of what was once waste, to open various opportunities towards a better future where the environment thrives and the waste is repurposed into something usable.

Vision

A campus where plastic waste is treated as a resource, and where recycling and upcycling become a normal habit, being exemplary role models in and outside of ICS.

Semester Goals and

Benefits of Joining

- **Founding-member leadership** on a real, student-led sustainability initiative
- **Hands-on technical training** operating actual recycling machinery
- **Early exposure to environmental entrepreneurship** through our connection with Kubik, a real plastic-recycling company
- **Project management experience** by running weekly operations and tracking real outcomes
- **A documented impact record** through collection numbers and products you can point to in reflection

"Never doubt that a small group of thoughtful, committed citizens can change the world." — Margaret Mead
