An annual meeting will be conducted to inform parents, caregivers, or family members of the school's Title I program and to explain the requirements of the program and the parents, caregivers, or family members' of each year. Invitations will be distributed by email and posted on the school's website.

Parents, caregivers, or family members' meetings and conferences will be offered at different times during the day. Meetings may be conducted in the morning, afternoon, or evening (ESSA, Section 1116).

Parents, caregivers, or family members will be involved in the planning, review, and improvement of the school's Title I program and the school's Title I Parent and Family Engagement program through routine meetings with parents, caregivers, or family members. Surveys will be distributed to all parents, caregivers, or family members of children in Title I schools.

The Leola Elementary Title I program will provide parents, caregivers, or family members of participating children with timely information about the Title I program through meetings, parent-teacher conferences, parent workshops, school events, and progress reports showing assessment data.

The Leola Elementary Title I program will provide parents, caregivers, or family members of all children with a description and explanation of the curriculum in use at the school, the types of academic assessment used to measure student progress, the students' achievement levels through a standards based report card and parent/teacher conferences. Any student receiving additional academic support through the Response to Instruction and Intervention (RtII) will receive an individual progress report. (ESSA, Section 1116).

Leola Elementary will provide, if requested by parents, caregivers, or family members, opportunities for regular meetings to formulate suggestions and to participate, as appropriate, in decisions relating to the education of their children, and respond to any such suggestions as soon as practicably possible. This will include parent-teacher conferences, academic student support meetings (as needed), and regular home-school communication.

Leola Elementary involves parents in the joint development of the Schoolwide Program Plans for Schoolwide buildings (ESSA, Section 1116).

A school-parent compact has been jointly developed with parents, caregivers, or family members. The compact outlines how parents, caregivers, or family members, the school staff, and students will share in the responsibility for improved student achievement. The compact will be reviewed at Title I parent meetings and distributed annually in the Fall. (ESSA, Section 1116).

(ESSA, Section 1116).
