CHANGE OF TRANSPORTATION REQUEST - *If Applicable*

Students who are regularly transported to or from a bus stop other than the one assigned for their home address must have a signed, current request on file with the Transportation Coordinator. Forms must be resubmitted yearly. Requests are based on current seats available, and time schedules and must be within the attendance boundaries. Transportation must be to the same address 5 days per week. The address provided for morning transportation may be different from the afternoon address.

This form ONLY needs to be filled out if you need transportation to daycare or sitter. Please remember, the address needs to be within district boundaries.
