ROSEVILLE AREA SCHOOLS

Achievement Report

September 25, 2025

District Goals & Key Strategies

District Goal #1

Our graduates are prepared to achieve their goals and aspirations.

Strategies

- Ensure students are college- and career-ready
- Deliver a challenging, joyful, and safe learning environment
- Deliver innovative, effective practices and systems

District Goal #2

Our learners contribute to an equitable, caring society.

Strategies

- Cultivate student engagement and joy in learning

District Goal #3

We are a culturally responsive, inclusive, anti-racist district.

Strategies

- Ensure educator commitment to anti-racist practices
- Hire and retain a diverse workforce
- Develop equitable leaders
- Build a culture of belonging where all feel welcome, included, and safe

Data Caveats and Acknowledgments

- Most assessments show a snapshot in time
- Confront our Brutal Facts (Yet Never Lose Faith)
- Use our data as staff and community to improve the system to better serve our students
- Our students are more than their test scores

Reading Summary

Reading Points to Remember:

- Maintained MCA proficiency level from 2024
- 4 percentage points below the State
- We outperform most of our comparable districts
- Grades 5, 6, 7 and 8 increased proficiency, and 7th grade outperformed the state
- Falcon Heights, Parkview and RAMS increased from 2024
- Native American/American Indian students racial disparity decreased while most other groups increased
- We see higher amounts of typical and aggressive growth for our Kindergarten and 1st grade students

Reading Response

- **Literacy as a social justice issue**
  - Structured Literacy and Science of Reading focus
    - Investment in Professional Development, Materials, Curriculum, Implementation, and learning walks
    - LETRS Training for PreK-4 and CAREIALL Training for 5-6 this year
  - K-6 and growing to 7-12
    - Reading Screening for K-8 with interventions
      - Alternative Delivery of Specialized Instructional Services (ADSIS) funding approved through FY27
    - CAREIALL training for 7-12 in 24-25 (SPED, MLL, and FAHS)
    - Curriculum Alignment in 7-10 to 2020 ELA Standards
  - AVID WICOR
- New **Equity Advancement Literacy Lead**

Math Summary

Math- Points to Remember:

- MCA scores remained even with 2024, so did the State
- Grades 7 and 11 saw proficiency increases on the MCA, Grade 7 has improved 12 percentage points over the last 3 years
- Racial Disparities decrease:
  - Asian, American Indian/Native American, and Multiracial students saw decreases
- Racial disparities continue to be persistently too high
- Proficiency increases: Central Park, Edgerton, Parkview, RAMS, and RAHS
- Proficiency percentage increases over time: Central Park 10 points since 2019, Edgerton 12 points since 2022, and RAMS 7 points since 2023!
- High typical and aggressive growth in earlyMath and decreases in flat growth for aMath

Math Response

- K-8 Cognitively Guided Instruction continues to grow- 20+ teachers this year
- RAMS math team- collaborative team continuing to work on proficiency criteria and interrater reliability
- Curriculum Review
  - K-6 and 7-12 Math Team- Program Design aligned to new state standards
- RAHS math testing during school day
- Math screening for K-8 and supports provided

Science Summary Information

MCA Science Summary

Science- Points to Remember:

- Tested the Science MCA IV for first time in Spring 2025
- Grades 3, 5, and high school
- Results will be available later this fall
- Cannot be compared to MCA III (former test)
- Based on new science standards
