HUDSON HIGH SCHOOL
ADVANCED ABSENCE NOTICE

STUDENT _____ **GRADE** _____ **STUDENT ID** _____

DATE(S) STUDENT WILL BE ABSENT FROM CLASS _____

REASON FOR ABSENCE _____

PARENT/GUARDIAN'S SIGNATURE _____

Absence from the classroom presents a major obstacle to effective student learning. When students are absent, they miss not only the information given, but also the interaction which adds to the overall learning experience. The activities which occur in a classroom can never be totally replicated in "make-up" work. Having the student in class on a regular basis is imperative if teachers and schools are to be held accountable for the end result. ***HHS only accepts 10 parent excusals per year and absences MUST follow Board policy on reasonable excuses outlined in Board Policy 5200.***

By signing this form, the student has made the proper arrangements with the following teachers for the completion of work missed and set a due date on which the work will be handed in.

It is mutually understood that the sole responsibility for the completion of the Advanced Absence Notice and the make-up of classroom work belongs to the student.
